Rebel For A Cause:

The Making of Rebel Without a Cause Douglas L. Rathgeb, 2004-01-01 This work is a complete history of this classic American film from idea to script to film In 1954 troubled director Nicholas Ray chatted at a dinner party about his controversial plan for a film about middle class juvenile delinquents He was told of a book written by a prison psychologist and owned by Warner Bros called Rebel Without a Cause Unimpressed after reading it Ray began writing his own story Warner Bros quickly bought it and hired Ray to direct the film From the backgrounds of the many players to the pre production production and post production of the film the work covers every aspect of Rebel Without a Cause from its rudiments to the 1955 Oscars the selection of cast and crew legal fights preparatory research changing screenwriters and the many variations of the story location scouting auditions the writing of the score script readings difficulties with the censors romances and fights shot by shot analyses of the directing editing screenings and of course its star s death Dozens of intimate anecdotes fill the work with every detail from wardrobe decisions to James Dean s pranks to the Air Pollution Control Board s opposition to the final car crashes An epilogue discusses the possible sequels rights conflicts documentaries musicals and spin off attempts and offers concluding words on the cast and crew Sources include production records publicity releases scripts newspapers and discussions with Stewart Stern An appendix offers two unpublished letters from Stewart Stern to Nicholas Ray and to Marcus and Ortense Winslow Rebel with a Cause Carol Arens, 2012-12-18 Bounty hunter Zane Coldridge infamous dangerous and revered does not get distracted He s renowned for his no nonsense attitude and criminals fear the day he comes knocking on their door But when Zane encounters Missy Lenore Devlin his resolve is swiftly tested This ditzy yet innocently beautiful damsel in distress is on the lookout for adventure and Zane has that in abundance Torn between chivalry and keeping his head in the game Zane pulls Missy onto his horse and promises her a journey one that neither could have imagined when the sun rose over the prairie that morning **Rebels** Leerom Medovoi, 2005-11-23 A cultural history of the political legitimization of youth rebellion during the Cold War era **Rebel with a Cause** Leigh Michaels, 1987 **Rebel Without a Cause** James Fuller, 1986 **Rebel with a Cause** Brandi Ratliff, 2023-03-02 About the Book Many children who have been made fun of may find creative ways to deal with the problem Rebel with a Cause is about a child who gets picked on by her classmates so she turns to music to help her deal with it The author hopes readers realize that no matter what life present to you the power is within to overcome About the Author The eldest of three siblings Brandi Ratliff s hobbies include writing listening to music and painting She has special interest in psychology and music history She is a member of the National Society of Collegiate Scholars Rebel Politics David Brenner, 2019-10-15 Rebel Politics analyzes the changing dynamics of the civil war in Myanmar one of the most entrenched armed conflicts in the world Since 2011 a national peace process has gone hand in hand with escalating ethnic conflict The Karen National Union KNU previously known for its uncompromising stance against the central government of Myanmar

became a leader in the peace process after it signed a ceasefire in 2012. Meanwhile the Kachin Independence Organization KIO returned to the trenches in 2011 after its own seventeen year long ceasefire broke down. To understand these puzzling changes Brenner conducted ethnographic fieldwork among the KNU and KIO analyzing the relations between rebel leaders their rank and file and local communities in the context of wider political and geopolitical transformations. Drawing on Political Sociology *Rebel Politics* explains how revolutionary elites capture and lose legitimacy within their own movements and how these internal contestations drive the strategies of rebellion in unforeseen ways. Brenner presents a novel perspective that contributes to our understanding of contemporary politics in Southeast Asia and to the study of conflict, peace and security by highlighting the hidden social dynamics and everyday practices of political violence, ethnic conflict, rebel governance and borderland politics.

Politics, Global Impacts Dr Olivier Charnoz, Dr Virginie Diaz Pedregal, Professor Alan L Kolata, 2015-12-28 Serving as a
touchstone for a much needed research program on social scales this volume challenges disciplinary boundaries and brings
into focus a paradoxical state of affairs in contemporary thought the domain of local global interactions has not yet been
identified as an object of analysis in its own right despite engaging a large multi disciplinary research community with strong
potential for cross fertilization Bringing together internationally renowned as well as emerging scholars this book presents
concrete case studies framed by theoretical concern with the issue of scale It demonstrates that a diverse array of theoretical
methodological and empirical perspectives can productively converge on a common set of problems related to social
temporal and spatial scales and contemporary globalization Local Politics Global Impacts will stimulate empirical and
theoretical research that focuses on understanding how political concepts practices and instruments translate across scales
and contribute to the emergence of a self aware community of scholars and practitioners focusing explicitly on modelling the
dynamics of local regional global interactions
