Rebellion In Kildare 1790-1803:

Rebellion in Kildare, 1790-1803 Liam Chambers, 1998 The period from 1790 to 1803 one of upheaval and turbulence has witnessed a surge in historical interest in the past two decades This study examines the politicisation and rebellion in County Kildare During the 1790s a vocal liberal establishment centered on the Duke of Leinster Catholic and reformist politics militant Defenderism and a large United Irish society involving prominent liberals all of which contributed to the politicisation of the Kildare populace Against this background a faction loyal to the Dublin government attempted to stabilize and secure the county with the increasing support of the administration The 1798 rebellion engulfed Kildare lasting two months and involving thousands of rebels After initial success it evolved into a fugitive war centered on the Bog of Allen where rebels held government forces at bay for weeks During the post rebellion period radicalism persisted at a local level and thousands of Kildare men were prepared to participate in Emmet's rebellion in 1803 In examining Kildare in this period the study seeks to contribute to the wider debate on the forces of radicalism and reaction which polarized Irish society in the 1790s Publisher description *A Global History of Execution and the Criminal Corpse* Richard Ward, 2015-09-27 Through studies of beheaded Irish traitors smugglers hung in chains on the English coast suicides subjected to the surgeon's knife in Dresden and the burial of executed Nazi war criminals this volume provides a fresh perspective on the history of capital punishment The chapters Introduction A Global History of Execution and the Criminal Corpse and The Gibbet in the Landscape Locating the Criminal Corpse in Mid Eighteenth Century England are open access under a CC BY 4.0 license

The Emmet Rising in Kildare Seamus Cullen, 2004 *Unrespectable Radicals?* Paul A. Pickering, 2016-02-24 In 1988 Iain McCalman's seminal work *Radical Underworld* unravelled the complex and clandestine revolutionary networks of democrats that operated in London between 1790 and the beginnings of Chartism to reveal an urban underworld of prophets infidels pornographers and rogue preachers where powerful satirical and subversive subcultures were developed This present volume reflects and builds upon the diversity of McCalman's discoveries to present fresh insights into the culture and operation of popular politics in the age of reform It is a coherent and integrated treatment of the subject that offers a window into this unrespectable underworld and questions whether it was a blackguard subculture or a more complex and rich counter culture with powerful literary legal and political implications This book brings together an international team of experienced scholars to explore the concepts and subjects pioneered by McCalman The volume presents a focused and coherent review of popular politics from the meeting rooms of a reform society and the theatre stage to the forum of the courtroom and the depths of prison **Rebellion in Wicklow** Joseph Holt, 1998 Published for the first time this is the account in his own words of one of the most active of all the United Irish military leaders Joseph Holt was about 40 years old at the time of the 1798 rebellion A comfortably off tenant farmer he threw in his lot with the rebels more out of a sense of grievance than for idealistic reasons He came to the fore after the main Wexford battles as captain colonel and general and

successfully operated as a guerrilla leader from the shelter of the Wicklow mountains He held out long after the main rebellion had ended before surrendering to the authorities in November 1798 He was deported but eventually returned to Ireland A sanitised version of his memoirs was published in 1838 This new edition is the first full and accurate transcript of the Irish part of his memoirs Publisher description Autobiographic Sketches 1790-1803 Thomas De Quincey,1863 *In the Wake of the Great Rebellion* James G. Patterson,2008-12-15 On Monday 19 September 1803 the most significant trial in the history of Ireland took place in Dublin At the dock stood a twenty five year old former Trinity College student and doctor s son His name was Robert Emmet and he was standing trial for heading a rebellion on 23 July 1803 The iconic power of Robert Emmet in Irish history cannot be overstated Emmet looms large in narratives of the past yet the rebellion which he led remains to be fully contextualized Patterson s book repairs this omission and explains the complex of politicization and revolutionary activity extending into the 1800 s He details the radicalization of the grass roots their para militarism and engagement in secret societies Drawing on an intriguing range of sources Patterson offers a comprehensive insight into a relatively neglected period of history This work is of particular significance to undergraduate and graduate students and lecturers of Irish history **Kildare** William Nolan,Thomas McGrath,2006 **Eighteenth-century Ireland** ,2003 De Quincey's Works: Autobiographic sketches, 1790-1803 Thomas De Quincey,1862 **Sources for the Study of Crime in Ireland, 1801-1921** Brian Griffin,2005 This book provides a summary of the contents of the documentary and published sources for the study of crime held in Irish and British repositories offers suggestions on how to utilize these materials and also discusses some of the practical problems and limitations in their use The main focus is on material in Chief Secretary s Office Registered Papers Outrage Reports State of the Country Papers Crown Files at Assizes Chief Crown Solicitor s Papers Crime Branch Special Papers and British Parliamentary Papers **Fugitive Warfare** ,1998 **A History of County Kildare** Padraic O'Farrell,2003 Very flat Kildare It is the flatness of this great limestone plain with its rich pastures and its proximity to Dublin that has made Kildare a place of importance since the dawn of history Early Christian settlements prospered here of which the Convent of St Brigid was the most famous The Normans with their infallible eye for good land quickly made it their own and built a series of great tower houses and castles to defend the Pale from the Gaels of Wicklow and the south midlands The county was the home of the Geraldines the Leinster branch of the FitzGerald family which completely dominated political life in late medieval Ireland and later went on to be the only ducal family in Ireland

Diaspora Identities Susanne Lachenicht,Kirsten Heinsohn,2009-10-05 Historical work on the late nineteenth and early twentieth centuries suggests that as nation states were solidifying throughout Western Europe exiled groups tended to develop rival national identities an occurrence that had been fairly uncommon in the two preceding centuries Diaspora Identities draws on eight case studies ranging from the early modern period through the twentieth century to explore the interconnectedness of exile nationalism and cosmopolitanism as concepts ideals attitudes and strategies among diasporic

groups Die hier versammelten Studien eröffnen neue Perspektiven auf Nationalismus und Kosmopolitismus Sie machen deutlich dass schon vor dem nationalen 19 Jahrhundert im Kontext von Diaspora Exil und Migration Identitäten und Verhaltensweisen entstanden die zugleich kosmopolitisch und nationalistisch waren *The Land and People of County Meath, 1750-1850* Peter Connell, 2004 The 1750s marked the beginning of a period of dramatic growth in the Irish population when the Irish economy became increasingly shaped by the demands of the Industrial Revolution in Britain This monograph traces how these great changes were played out on the rolling plains of Co Meath Long characterized as a rich county dominated by strong farmers involved in the fattening of beef cattle the picture that emerges is a much more complex one Making use of a wide range of sources including estate records and the surviving manuscript census of 1821 for the Navan baronies this book explores the relative position of the different classes in rural society over the period It suggests that by the 1840s a large proportion of the population had been marginalized by changes in the economy by the decline in the domestic linen industry and by the growing demand for land The Great Famine is set in this context and portrayed as the denouement of Meath's landless labourers and cottiers The geography of the thousands of mud cabins that disappeared from the landscape in these years is explored as a lost and largely forgotten generation that succumbed to the workhouse death and emigration **The Celts** Bernhard Maier, 2003 This history of the Celts draws on archaeological historical literary and linguistic evidence It covers the continental Celts in prehistory and antiquity follows the Celts from the departure of the Romans to the Middle Ages and covers Celtic assimilation within the national cultures of Britain *The Medieval World and the Modern Mind* Michael Brown, Stephen H.
