Rebellion In Rio Arriba 1837:

Rebellion in Río Arriba, 1837 Janet Lecompte, 1985 *Hispano Bastion* Michael J. Alarid, 2024-05-01 In this groundbreaking study historian Michael J Alarid examines New Mexico's transition from Spanish to Mexican to US control during the nineteenth century and illuminates how emerging class differences played a crucial role in the regime change. After Mexico won independence from Spain in 1821 trade between Mexico and the United States attracted wealthy Hispanos into a new market economy and increased trade along El Camino Real turning it into a burgeoning exchange route. As landowning Hispanos benefited from the Santa Fe trade traditional relationships between wealthy and poor Nuevomexicanos whom Alarid calls *patr nes* and *vecinos* started to shift. Far from being displaced by US colonialism wealthy Nuevomexicanos often worked in concert with new American officials after US troops marched into New Mexico in 1846 and in the process Alarid argues the *patr nes* abandoned their customary obligations to *vecinos* who were now evolving into a working class. Ultimately wealthy Nuevomexicanos the book argues succeeded in preserving New Mexico as a Hispano bastion but they did so at the expense of poor *vecinos*. **These People Have Always Been a Republic** Maurice S. Crandall, 2019-09-06 Spanning three hundred years and the colonial regimes of Spain Mexico and the United States Maurice S Crandall's sweeping history of Native American political rights in what is now New Mexico Arizona and Sonora demonstrates how Indigenous communities implemented subverted rejected and indigenized colonial ideologies of democracy both to accommodate and to oppose colonial power. Focusing on four groups Pueblos in New Mexico Hopis in northern Arizona and Tohono O odhams and Yaquis in Arizona Sonora Crandall reveals the ways Indigenous peoples absorbed and adapted colonially imposed forms of politics to exercise sovereignty based on localized political economic and social needs. Using sources that include oral histories and multinational archives this book allows us to compare Spanish Mexican and American conceptions of Indian citizenship and adds to our understanding of the centuries long struggle of Indigenous groups to assert their sovereignty in the face of settler colonial rule. Proceedings of the First Annual Palo Alto Conference Aaron P. Mahr Yáñez, 1994 **The Spanish Redemption** Charles Montgomery, 2002-03-20 Charles Montgomery's compelling narrative traces the history of the upper Rio Grande's modern Spanish heritage showing how Anglos and Hispanos sought to redefine the region's social character by glorifying its Spanish colonial past. This readable book demonstrates that northern New Mexico's twentieth century Spanish heritage owes as much to the coming of the Santa Fe Railroad in 1880 as to the first Spanish colonial campaign of 1598. As the railroad brought capital and migrants into the region Anglos posed an unprecedented challenge to Hispano wealth and political power. Yet unlike their counterparts in California and Texas the Anglo newcomers could not wholly displace their Spanish speaking rivals. Nor could they segregate themselves or the upper Rio Grande from the image well known throughout the Southwest of the disreputable Mexican. Instead prominent Anglos and Hispanos found common cause in transcending the region's Mexican character. Turning to colonial symbols of the

conquistador the Franciscan missionary and the humble Spanish settler they recast northern New Mexico and its people

The Lore of New Mexico Marta Weigle, Peter White, 2003 This award winning text on New Mexico folklore traditions is now available in a shorter edition *Coast-to-Coast Empire* William S. Kiser, 2018-08-09 Following Zebulon Pike's expeditions in the early nineteenth century U S expansionists focused their gaze on the Southwest Explorers traders settlers boundary adjudicators railway surveyors and the U S Army crossed into and through New Mexico transforming it into a battleground for competing influences determined to control the region Previous histories have treated the Santa Fe trade the American occupation under Colonel Stephen W Kearny the antebellum Indian Wars debates over slavery the Pacific Railway and the Confederate invasion during the Civil War as separate events in New Mexico In *Coast to Coast Empire* William S Kiser demonstrates instead that these developments were interconnected parts of a process by which the United States effected the political economic and ideological transformation of the region New Mexico was an early proving ground for Manifest Destiny the belief that U S possession of the entire North American continent was inevitable Kiser shows that the federal government's military commitment to the territory stemmed from its importance to U S expansion Americans wanted California but in order to retain possession of it and realize its full economic and geopolitical potential they needed New Mexico as a connecting thoroughfare in their nation building project The use of armed force to realize this claim fundamentally altered New Mexico and the Southwest Soldiers marched into the territory at the onset of the Mexican American War and occupied it continuously through the 1890s leaving an indelible imprint on the region's social cultural political judicial and economic systems By focusing on the activities of a standing army in a civilian setting Kiser reshapes the history of the Southwest underlining the role of the military not just in obtaining territory but in retaining it [The Mexican War Correspondence of Richard Smith Elliott](#) Richard Smith Elliott, 1997 An entertaining and educated observer Elliott provided readers back home with an account of the grueling march over the famous Santa Fe Trail the triumphant entry of the army into Santa Fe the U S occupation of New Mexico and the volunteers eventual return to St Louis **American Studies** Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology *Proceedings of the ... Annual Palo Alto Conference* , 1994 [Donaciano Vigil](#) Maurilio E. Vigil, Helene Boudreau, 2022-04 Born in Santa Fe in 1802 Donaciano Vigil was an active participant in many of the critical events in New Mexico's history in the nineteenth century Vigil was witness to New Mexico's transition from a Spanish province 1802 1821 to a Mexican department 1821 1846 and eventually to an American territory 1846 1877 and he was a key player in most of the events of that era As a Hispano soldier and officer in the New Mexico Militia he was instrumental in the Navajo Wars the Rio Arriba insurrection of 1837 the Texas

invasion of 1841 and the American invasion of 1846 As a Mexican statesman in New Mexico he was one of the most active assemblymen Following the American occupation he joined the civil government first as secretary then as governor It was in these roles that Donaciano left an enduring impact and legacy on the territory In this gripping biography of a remarkable man Maurilio E Vigil and Helene Boudreau fill the gap within the scholarship on Hispanics in nineteenth century New Mexico

Postcolonial Indigenous Performances Bernardo Gallegos, 2017-06-09 The essays in this volume contain a symphony of carefully orchestrated narratives that engage a wide ranging assemblage of topics including immigration indigenous identity Gen zaro's hybridity education religious syncretism and United States and Spanish imperialism Utilizing excavated memory archival history and employing the work of performance and postcolonial theorists the author examines Native American slavery and captivity in the Spanish Colonial Southwest with emphasis on Coyotes indigenous mixed bloods of Pueblo Spanish ancestry as well as descendants of Indigenous servants The essays engage the cultural politics of education within the context of hybrid religious practices such as pilgrimages to el Cerro de Tepeyac the site of veneration of the pre Columbian Goddess Tonantzín and her contemporary la Se ora de Guadalupe el Santuario de Chimayo the pre Hispanic Tewa religious site that continues to serve as the destination for pilgrims albeit now draped in Catholic ritual and the Comanche dance ceremony of the Saracino sisters of Atrisco The essays emerge in part from the author's childhood in the Baretas and Atrisco neighborhoods of Albuquerque two of several mixed blood indigenous communities of New Mexico plagued by a devastating heroin epidemic in the 1950s and 60s Bernardo Gallegos has produced a stunning achievement Postcolonial Indigenous Performances Coyote Musings on Gen zaro's Hybridity Education and Slavery is an emotionally gripping beautifully written and intellectually captivating page turner that theorizes the Gen zaro story in a way that brings the genocidal underpinnings of the colonial agenda to light Angela Valenzuela College of Education University of Texas at Austin Postcolonial Indigenous Performances Coyote Musings on Gen zaro's Hybridity Education and Slavery is a brilliant expression of complexities contours and nuances of indigenous lived experience It is told through the eyes and the being of Bernardo Gallegos who lived inside that experience knowing the ghosts of its distant past and relationships of its recent present William H Schubert Professor Emeritus of Curriculum and Instruction and former University Scholar University of Illinois at Chicago This beautifully written book shows how the past horrors of Native American subjugation and enslavement can haunt the lives of their descendants Bernardo Gallegos superb research and personal narrative tells the story of colonial New Mexico and the resulting psychological damage on future generations I'm still haunted by the effect on me of the Choctaw march on the Trail of Tears Joel Spring City University of New York [All Aboard for Santa Fe](#) Victoria E. Dye, 2016-04-25 By the late 1800s the major mode of transportation for travelers to the Southwest was by rail In 1878 the Atchison Topeka and Santa Fe Railway Company AT SF became the first railroad to enter New Mexico and by the late 1890s it controlled more than half of the track miles in the Territory The company wielded tremendous power in New Mexico and soon made

tourism an important facet of its financial enterprise All Aboard for Santa Fe focuses on the AT SF s marketing efforts to highlight Santa Fe as an ideal tourism destination The company marketed the healthful benefits of the area s dry desert air a strong selling point for eastern city dwelling tuberculosis sufferers AT SF also joined forces with the Fred Harvey Company owner of numerous hotels and restaurants along the rail line to promote Santa Fe Together they developed materials emphasizing Santa Fe s Indian and Hispanic cultures promoting artists from the area s art colonies and created the Indian Detours sightseeing tours All Aboard for Santa Fe is a comprehensive study of AT SF s early involvement in the establishment of western tourism and the mystique of Santa Fe *Empires, Nations, and Families* Anne Farrar Hyde,2011-07-01 To most people living in the West the Louisiana Purchase made little difference the United States was just another imperial overlord to be assessed and manipulated This was not as *Empires Nations and Families* makes clear virgin wilderness discovered by virtuous Anglo entrepreneurs Rather the United States was a newcomer in a place already complicated by vying empires This book documents the broad family associations that crossed national and ethnic lines and that along with the river systems of the trans Mississippi West formed the basis for a global trade in furs that had operated for hundreds of years before the land became part of the United States *Empires Nations and Families* shows how the world of river and maritime trade effectively shifted political power away from military and diplomatic circles into the hands of local people Tracing family stories from the Canadian North to the Spanish and Mexican borderlands and from the Pacific Coast to the Missouri and Mississippi rivers Anne F Hyde s narrative moves from the earliest years of the Indian trade to the Mexican War and the gold rush era Her work reveals how in the 1850s immigrants to these newest regions of the United States violently wrested control from Native and other powers and how conquest and competing demands for land and resources brought about a volatile frontier culture not at all the peace and prosperity that the new power had promised **Santa Fe** Elizabeth West,2012 This question and answer book contains 400 reminders of what is known and what is sometimes forgotten or misunderstood about a city that was founded more than 400 years ago Not a traditional history book this group of questions is presented in an apparently random order and the answers occasionally meander off topic as if part of a casual conversation [Santa Fe's Fonda](#) Allen R. Steele,2022-02-07 For the first two centuries of Santa Fe s history weary wayfarers were out of luck Not only did the Spanish authorities enforce a strict travel ban on foreign visitors but there was also no place to stay in the territorial capital That all changed in the 1820s When Mexico gained independence a flood of traffic cascaded down the Santa Fe Trail and the Plaza became a hub of hospitality and trade From the Exchange Hotel to La Fonda the inn on the corner of San Francisco Street represented one of the most welcome landmarks in the West Author Allen Steele recounts stories of trailblazing pioneers and the lodging on which their daring depended *Refusing the Favor* Deena J. Gonzalez,2001-05-03 *Refusing the Favor* tells the little known story of the Spanish Mexican women who saw their homeland become part of New Mexico A corrective to traditional narratives of the period it carefully and lucidly documents the effects of colonization

looking closely at how the women lived both before and after the United States took control of the region Focusing on Santa Fe which was long one of the largest cities west of the Mississippi Deena Gonz lez demonstrates that women s responses to the conquest were remarkably diverse and that their efforts to preserve their culture were complex and long lasting Drawing on a range of sources from newspapers to wills deeds and court records Gonz lez shows that the change to U S territorial status did little to enrich or empower the Spanish Mexican inhabitants The vast majority in fact found themselves quickly impoverished and this trend toward low paid labor particularly for women continues even today Gonz lez both examines the long term consequences of colonization and draws illuminating parallels with the experiences of other minorities Refusing the Favor also describes how and why Spanish Mexican women have remained invisible in the histories of the region for so long It avoids casting the story as simply bad Euro American migrants and good local people by emphasizing the concrete details of how women lived It covers every aspect of their experience from their roles as businesswomen to the effects of intermarriage and it provides an essential key to the history of New Mexico Anyone with an interest in Western history gender studies Chicano a studies or the history of borderlands and colonization will find the book an invaluable resource and guide
