Romney, 1994 The Economic Development Section of the President's National Capital Revitalization and Self-Government Improvement Plan United States. Congress. House. Committee on Government Reform and Oversight. Subcommittee on the District of Columbia, 1997 **Empowering Workers to Rebuild America's Economy and Longer-term Competitiveness** United States. Congress. Senate. Committee on Health, Education, Labor, and Pensions, 2011 *Rebuild America's Community Partnership Handbook* DIANE Publishing Company, 1996-12 Guides you and your local community or regional group through the process of becoming a partner in the Rebuild America program Helps you plan and implement the energy retrofit of your local building stock Covers how to form your partnership how to collect and examine your data how to conduct an initial screening how to finance your retrofit program how to develop an action plan how to evaluate individual buildings how to implement your program and how to verify and report results Appendices unit conversions monitoring list of acronyms and units *Protecting and Restoring America's Great Waters* United States. Congress. House. Committee on Transportation and Infrastructure. Subcommittee on Water Resources and Environment, 2008 Restoring the American Dream Thomas A. Kochan, 2006-09-08 How to give working families the tools and opportunities to prosper in the new economy a call to action for families business labor and government Many American families have not prospered in the new knowledge economy The layoffs restructurings and wage and benefit cuts that have followed the short lived boom of the 1990s threaten our deeply held values of justice fairness family and work These values and not those superficial ones political pollsters ask about are the foundation of the American dream of good jobs fair pay and opportunities for all In this call to action for families business labor and government Thomas Kochan outlines ways in which we can empower working families to earn a good living by doing satisfying work while still having time for family and community life We cannot make the transition to a knowledge economy writes Kochan with a workforce that is stressed frustrated and insecure Businesses need to rebuild relationships with their employees based on trust And working families need to take control of their own destinies First we can take action that goes beyond the workplace buzzwords flexible and family friendly to design systems that support productive work and healthy family life We can invest in better basic education and life long learning and we can work toward strategies for creating and sustaining good jobs with portable benefits We need organizations that value investors of human capital their employees as highly as they do investors of financial capital and we need a renewed labor movement to give workers a stronger voice Kochan lays out an agenda for working families in the twenty first century that calls for business labor government and workers to come together to make the changes that will allow us all to benefit from the new economy The solution to our problems he points out is too important to be left to the market **Critical Elements in the Development of a New Family-school-community Partnership Initiative** Bonita Jean Kirkpatrick, 1997 *Ponderosa Pine Ecosystems*
