Bass, 2019-03-01 Embrace time as a gift not an obstacle Receiving the Day invites us to open the gift of time to dwell in the freedom to rest and worship that God intends for us and for all creatures In this book Dorothy C Bass shows how Christian practices for rest and worship continually welcome us into a way of life attuned to the love of God neighbor earth and self Bass does not aim to provide clear instructions for creating a schedule that solves all our puzzles about how to live in time Rather convinced that Christian faith bears great wisdom about time Bass offers an account of the weekly practice of keeping sabbath along with other practices by which Christians have sought to live faithfully in time These practices have been lived by diverse communities of faith across centuries and cultures Through them we can learn to dwell more graciously attentively and faithfully within the hours and days we have We can also learn to share the gift of time gladly and gratefully with others in and for this world God loves

Receiving the Day Dorothy C. Bass, Lani Wright, Don C. Richter, 2001 **Receiving the Day** Dorothy C. The Church and Work Joshua Sweeden, 2014-01-31 Work is one of the most dominant and unavoidable realities of life Though experiences of work vary tremendously many Christians share a common struggle of having to live in seemingly bifurcated spheres of work and faith Beginning with the conviction that Christian faith permeates

all aspects of life Joshua Sweeden explores Christian understandings of good work in relationship to ethics community practice and ecclesial witness In *The Church and Work* Sweeden provides a substantial contribution to the theological conversation about work by proposing an ecclesiological grounding for good work He argues that many of the prominent theological proposals for good work are too abstract from context and demonstrates how the church can be understood as generative for both the theology and practice of good work This needed ecclesiological development takes seriously the role of context in the ongoing discernment of good work and specifically explores how ecclesial life and practice shape and inform good work Christian understandings of good work are inconceivable without the church Accordingly the church is not simply the recipient and a dispenser of a theology of work but the locus of its development **Clinician's Guide to Self-Renewal**

Barnes,C. Sara Lawrence Minard,2025-03-28 People everywhere are feeling the stress of modern life in ways not seen for generations Emerging from the fog of the first pandemic in one hundred years they face economic uncertainty political acrimony war and the threat of war environmental degradation and technological advances that amaze and frighten in equal measure Time and space condense as unrelenting connectedness blurs the lines between work and play fact and fiction need and desire The devices meant to improve lives dominate them in what theologian Walter Brueggemann calls the tyranny of now People are looking for accessible solutions to complex problems People need resilience but are ill equipped to find it In this book the Fellows of the Mockler Center at Gordon Conwell Theological Seminary offer a solution not from the well trodden psychological disciplines or the lure of New Age mysticism but in a concept as old as the Scriptures themselves the divine gift of Sabbath The authors explore in detail Jesus words Sabbath was made for humanity not humanity for the Sabbath proposing five areas values time space people and faith where a more comprehensive understanding of Sabbath can build resilience by reshaping personal and professional identities in accord with God s will and purpose **Living Hope** Paul W. Miller-McLemore, 2019-03-01 How the daily practices of life with children can shape our faith In the Midst of Chaos explores parenting as spiritual practice building on Bonnie J Miller McLemore's fresh conceptions of children from her book Let the Children Come She questions conventional perceptions that spiritual practices require silence solitude and uninterrupted prayer and that assume a life unburdened by care of others She is both honest about the difficulties and attentive to the blessings present in everyday life and demonstrates that the life of faith encompasses children and the adults who care for them Miller McLemore explores how parents might use seven daily practices such as play reading chores and saying goodbye or goodnight as rich opportunities to shape both parent and child morally and spiritually Through these experiences she shows how the very care of children forms and reforms the faith of adults themselves contrary to the belief that adults must form children In the Midst of Chaos also goes beyond the typical focus on individual self fulfillment by tackling difficult questions of social justice and mutuality in the ways families live together Readers will find in this book an invitation to love those around them in the midst of life's craziness and to live more deeply in grace *Baptism and Christian Identity* Gordon S.
