Receptins De Vatican Ii

Stephen Bevans, Robin Ryan

Receptins De Vatican II:

Vatican II Massimo Faggioli, 2012 The death of John Paul II and the election of Benedict XVI constituted two important elements in the broad theological and cultural landscape of Catholicism This change of pontificate has also nourished the journalistic and political dispute about Vatican II its history and its legacy and not only the historiographical and theological debate But the research on Vatican II is already proceeding forward and beyond the state of knowledge about the Council reached at the end of the 90s For 21st century Catholics and theologians interested in understanding contemporary Catholicism in the light of Vatican II the intellectual undertaking is far from accomplished yet The book offers comprehensive presentation of the theological and historiographical debate about Council Vatican II The attempt to go beyond the clash of interpretations Vatican II as a rupture in the history of Catholicism on one side the need to read Vatican II in continuity with the tradition on the other is necessary indeed because the ongoing debate about Vatican II is largely misrepresented by the use of clashing interpretations as a tool for understanding the role of the council in present day Catholicism *Amoris Laetitia and the spirit of Vatican II* Mariusz Biliniewicz, 2018-05-20 *Amoris Laetitia* Pope Francis post synodal exhortation on love in the family turned out to be one of the most controversial documents of the Magisterium of the Catholic Church in recent decades It was published in April 2016 following the two Synods of Bishops on the Family held in 2014 and 2015 The document brought division amongst the Catholic hierarchy theologians and pastors and nearly two years after its publication the exact meaning of the document and its implications for the Church are still a matter of dispute A number of prelates present at the Synods indicated that these gatherings were animated by the spirit of Vatican II This work links the notion of the spirit of Vatican II with *Amoris Laetitia* and it argues that a hermeneutics of interpretation of the Second Vatican Council which focuses on following the spirit of the Council is the hermeneutics which can be and in the future most likely will be the predominant way of interpreting and implementing *Amoris Laetitia* This book aims to provide a contribution to this hotly debated topic in the field of Catholic theology

THE ECUMENICAL IMPERATIVE AND FORMATION OF ECUMENICAL CONSCIOUSNESS AMONG PASTORAL WORKERS SEBASTIAN CHUKWUMA ANOKWULU, 2013-09 The idea of the Church as the instrument of unity had existed before Second Vatican Council but the Council made the search for unity explicitly an imperative From the Second Vatican Council emerged a more emphatic vision of the mission of the Church to the world in which ecumenism is no longer an option but an imperative From the time of the Council onward every Christian should positively respond to God's question to Cain Where is your brother Gen 4 9 The ecumenical imperative is primarily the responsibility of pastoral workers The book surveys in epochs the historical changes that has occurred in the Church up to Vatican II reviews reception along the ages of the Church pointing to the uniqueness of Vatican II and gives through biblical exegesis of conversion a fresh understanding that will help pastoral workers to be ever conscious and ready to serve as Church's instrument of unity wherever they are This book re awakens the spirit of the Decree on Ecumenism

Unitatis Redintegratio offering it to be properly received by all who pray with Christ for unity Jn 17 21 It proposes pastoral suggestions on the practice of Ecumenism

Catholicism and Citizenship Massimo Faggioli, 2017-03-29 The beginning of the twenty first century has provided abundant evidence of the necessity to reexamine the relationship between Catholicism and the modern global world This book tries to proceed on this path with a focus on the meaning legacy and reception in today s world of the ecclesiology of Vatican II starting with Gaudium et Spes This council exhorts Christians as citizens of two cities to strive to discharge their earthly duties conscientiously and in response to the Gospel spirit Catholicism and Citizenship is a call for a rediscovery of the moral and political imagination of Vatican II for the Church and the world of our time

The Forgotten Jesuit of Catholic Modernism Anthony M. Maher, 2017-12-01 This book illustrates how George Tyrrell s theological challenge to those who would take the church out of history was never effectively refuted either at the time or since and that the issues Tyrrell raised are still relevant and alive in the church today In highlighting Tyrrell s liberation of theology from dogmatism the current work describes why he was vilified by the Roman hierarchy expelled from the Jesuits and eventually excommunicated Tyrrell s Ignatian inspired hope filled theology should not be forgotten not least because it sheds further light on another courageous and prophetic Jesuit Pope Francis In revisiting Tyrrell s Ignatian theology this book celebrates the promise that Vatican II presents to the future church namely a universal call to holiness as embraced by Pope Francis

Priesthood in Religious Life Stephen Bevans, Robin Ryan, 2018-09-27 This is the first book in English on priesthood in religious life to be published in twenty years Its fourteen contributors search for new ways forward in the understanding of the distinct identity and ministry of religious men committed to community the prophetic lifestyle of vows or promises and the particular charisms of their congregations who have also answered the call to priesthood Essays in this collection include reflections from a bishop from the perspective of a lay theologian from an expert in the social sciences and on Pope Francis s teachings on priesthood Included as well are essays that are rooted in particular cultural traditions in spirituality and in canon law

Ecumenical Reception William G. Rusch, 2007-07-16 In 1988 William Rusch wrote a book tracing the development of the idea of reception up to that time During the intervening years both reflection on reception and the experience of attempting to engage in it have progressed considerably Rusch begins with a bird s eye view of the term reception across several disciplines law philosophy literary criticism before homing in on its theological import He traces its use as a term and as a practice from the New Testament up to the twentieth century painting a picture of a dynamic process that fosters unity and diversity among churches and spiritual communities Finally he examines the new chapter in the history of reception due to the establishment of the ecumenical movement and considers what will be necessary for it to continue to move the church forward

The Church Frederick J. Cwiekowski, 2018-04-23 The historical context in which theological understandings have developed play an important role in our understanding of the modern church In this book Sulpician priest and scholar Frederick J Cwiekowski traces the theology of the church beginning

with the community of disciples during Jesus ministry and the New Testament era He continues through the various periods of history highlighting events from both the East and West including the remarkable developments surrounding the Second Vatican Council the post conciliar period and today's pontificate of Pope Francis With this book intended for general readers and students of theology Cwiekowski hopes to promote an appreciation of the mystery that is the church Liturgy as Revelation Philip Caldwell, 2014 This volume argues that in the twentieth century Catholic theology increasingly recognized the centrality of Christology particularly the person of Christ as the locus of revelation and drew out the crucial implications for that which occurs within the space of liturgy and the sacraments Examining the specific contributions of Ren Latourelle Avery Dulles Salvatore Marsilli and Gustave Martelet against a background of pre conciliar ressourcement theology this volume provides a comprehensive account of why a Trinitarian and Christological construal of liturgy and sacraments as revelation is key to the vision that informed Vatican II and offers constructive theological and ecclesial possibilities for the future A Realist's Church Christopher Denny, Patrick Hayes, Nicholas Rademacher, 2015-10-15

The Church, The Gospel and Culture John Thornhill, 2024-10-31 John Thornhill 1929-2019 born in Brisbane Australia was educated at Marist Brothers Ashgrove and St John's College Woodlawn NSW After entering the Society of Mary Marist Fathers he was chosen for doctoral studies and ordained in Rome in 1955 John's life was mainly in theological ministry in teaching and guiding seminary students as an author theological consultant and in Adult Faith Education He was in turn Superior of the Marist Seminary Director of Sydney's Aquinas Academy a member of the Provincial Council He published books and many articles He had a special interest in the Church Christology the faith culture relationship all within an overall pastoral framework This collection of articles captures the scope and development of his theological concerns over many years Especially valuable and illuminating is the opening chapter in which we are invited to share with John as he reflects on his theological journey John Thornhill SM was one of Australia's most distinguished and respected theologians known and loved for his dedication to the Catholic community his gentleness and kindness and his zeal for the Gospel Apart from his several books including *Sign and Promise A Theology of the Church for a Changing World* 1988 and *Making Australia Exploring Our National Conversation* 1992 John contributed many articles to theological debate and Thomas Ryan SM and ATF Press have done us and John's legacy a fine service in gathering together some of these articles in this volume The essays collected here bear witness to key concerns of John's theological and pastoral work the centrality of Jesus and his Gospel the proclamation of the good news to Christian faith ecumenism including a grateful recognition of Protestantism's emphasis on the Gospel of salvation awareness of cultural and historical circumstances and the imperative for the Church to understand and creatively respond to the concrete contexts that its members inhabit the centrality of Scripture to Christian faith and the importance of a theology of Scripture in the life of the Church a theology that engages at the highest intellectual level with key currents of thought and as an open orthodoxy is receptive to whatever is true and life giving in them This collection reveals the heart of

John's theological vocation to bring thought and scholarship to the service of believers to enable the Gospel to come alive in their midst John's Marist charism emphasises a quiet receptive presence to God in these articles we are given some of the fruits of his own attentive presence for the sake of serving and accompanying the pilgrim Church

The Political Theology of Pope Francis Ole Jakob Løland, 2022-12-30 This book explores the political dimension of Pope Francis theology from a variety of perspectives and makes a unique contribution to the ongoing historiography of his pontificate It defines the concept of political theology when applied to Pope Francis discourse and reflects on the portrayal of him as the voice of Latin America a great reformer and a revolutionary The chapters offer a thorough investigation of core texts and key moments in Pope Francis papacy 2013 focusing in particular on their relation to canon theory liberation theology the rise of populism and gender issues As well as documenting some of the continuities between the ideas of Pope Francis and his predecessor Benedict XVI the author asks what the Argentinian pontiff has brought from Latin America and considers the Latin American dimension to what has become known as the Francis effect Overall the book demonstrates how the Pope's words and actions constitute a powerful political theology disseminated from a unique religious and institutional position It will be of interest to scholars of theology religion and politics particularly those with a focus on world Catholicism political theology and church history

T&T Clark Companion to Henri de Lubac Jordan Hillebert, 2017-06-29 The T T Clark Companion to Henri de Lubac introduces the life and writings of one of the most influential theologians of the 20th century A highly controversial figure throughout the 1940s and 50s Henri de Lubac 1896-1991 played a prominent role during the Second Vatican Council and was appointed cardinal by Pope John Paul II in 1983 His work which covers an impressive range of theological philosophical and historical inquiries has left an indelible mark on modern Christian thought This volume including contributions from leading Catholic Protestant and Anglican scholars of de Lubac's work introduces readers to the key features of his theology By placing de Lubac's writings in both their immediate context and in conversation with contemporary theological debates these essays shed light on the theological ingenuity and continuing relevance of this important thinker

When the Magisterium Intervenes Richard R. Gaillardetz, 2012-05-01 Catholicism has always recognized the need for a normative doctrinal teaching authority Yet the character scope and exercise of that authority what has come to be called the magisterium has changed significantly over two millennia This book gathers contributions from leading Catholic scholars in considering new factors that must be taken into account as we consider the church's official teaching authority in today's postmodern context Noted experts in their fields cover many intriguing topics here including the investigation of theologians that has occurred in recent years canonical perspectives on such investigations the role that women religious have played in these issues the place of the media when problems arise and possible future ways forward The book concludes with The Elizabeth Johnson Dossier a selection of documents essential to understanding the case of Elizabeth Johnson CSJ whose work was recently the subject of severe criticism by the United States Conference of Catholic

Bishops Contributors include Bradford Hinze James Coriden Colleen Mallon Ormond Rush Gerard Mannion Anthony Godzieba Vincent Miller Richard Gaillardetz and Elizabeth Johnson *Being Human* David G. Kirchhoffer, Robyn Horner, Patrick McArdle, 2013-08-09 What does it mean to be human The traditional answers from the past remain only theoretical possibilities unless they come to mean something to today's generation Moreover in light of new knowledge and circumstances a new generation may call these old answers into question and seek to reinterpret or indeed provide alternatives to them In the 1960s the Catholic Church's Second Vatican Council attempted such a reinterpretation an *aggiornamento* for the post war generation of the mid twentieth century by proposing in *Gaudium et Spes* a theological anthropology founded upon the ideas of human dignity and the common good Fifty years later is an appropriate time to revisit those answers and **Aggiornamento?** Karim Schelkens, John A. Dick, Jürgen Mettepenningen, 2013-06-14 Today many books appear regarding Vatican II Yet only very few of them manage to locate this crucial event in the life of the twentieth century Roman Catholic Church against the broad horizon of both its prehistory and its aftermath This book does just that In seven chapters this volume offers a survey of the evolution of Post Enlightenment Catholicism in the period spanning from ca 1830 to the present tying together the renewals proposed by the first and the Second Vatican Councils Each phase in this evolution is discussed from a double angle on the one hand from the viewpoint of theological developments and milieu's and on the other hand from an institutional and Church historical perspective thus binding together these two perspectives and tracing the evolutions within Catholicism in all their pluriformity *Serving the Body of Christ* Irwin, Kevin W., 2021 A careful collection summary and commentary of the church's official teaching on the Eucharist and ordained priesthood from Trent through Pope Benedict XVI with avenues for theological exploration based on it Updated with analyses of documents from Pope Francis **Reconciling Theology** Paul Avis, 2022-03-31 In *Reconciling Theology* leading thinker on Anglicanism and ecumenism Paul Avis focuses on the perennial Christian issues of argument debate polemic and conflict on the one hand and dialogue search for common ground working for agreement and harmony on the other Exploring the tension and interaction between them in a range of contexts in modern theology and the Church Avis offers a rigorous but accessible vision of church which moves beyond the usual dichotomy of liberal or orthodox *The Oxford Handbook of the Reception of Aquinas* Matthew Levering, Marcus Plested, 2021-01-14 The *Oxford Handbook of the Reception of Aquinas* provides a comprehensive survey of Catholic Orthodox and Protestant philosophical and theological reception of Thomas Aquinas over the past 750 years This Handbook will serve as a necessary primer for everyone who wishes to study Aquinas's thought and or the history of theology and philosophy since Aquinas's day Part I considers the late medieval receptions of Aquinas among Catholics and Orthodox Part II examines sixteenth century Western receptions of Aquinas Protestant and Catholic followed by a chapter on sixteenth and seventeenth century Orthodox reception Part III discusses seventeenth century Protestant and Catholic receptions and Part IV surveys eighteenth and nineteenth century receptions Protestant

Orthodox and Catholic Part V focuses on the twentieth century and takes into account the diversity of theological movements in the past century as well as extensive philosophical treatment. The final section unpicks contemporary systematic approaches to Aquinas covering the main philosophical and theological themes for which he is best known. With chapters written by a wide range of experts in their respective fields, this volume provides a valuable touchstone regarding the developments that have marked the past seven centuries of Christian theology.

A Holy Yet Sinful Church Jeanmarie Gribaud, 2015. This text examines three key moments in the developing theology of the church's holiness and sinfulness in the twentieth century: the ressourcement movement of the 1930s to the 1950s, the Second Vatican Council (1962-65) and the pontificate of John Paul II (1978-2005). The aim of this text is to make accessible the works of Emile Mersch, Henri de Lubac, Hans Urs von Balthasar, Yves Congar, Karl Rahner and Charles Journet that discuss the holiness and sinfulness of the church and to demonstrate how these works were influential in composing the Dogmatic Constitution on the Church, *Lumen Gentium*. The author then considers how this developing theology is put into practice in Pope John Paul II's millennial program, which centers on admitting that the Church in its members has sinned and needs to seek forgiveness.
