Born to Protect Virginia Kantra,2011-03-21 Jack Dalton was out of the business of saving lives until his expertise was needed to safeguard Princess Christina Sebastiani of Montebello from dangerous kidnappers Holed up together day in and

day out in a Montana hideaway the brooding bodyguard and the scholarly virgin battled flaring tempers and smoldering passions Yet despite their friction Christina clearly ached for much more than Jack's fierce protection and she beckoned him irresistibly close whenever she gazed up at him with her trusting blue eyes Why if Jack didn't watch out the blushing princess just might penetrate the bulletproof armor around his world weary heart **A Hero to Hold** Linda Castillo,2011-02-21 She had no name no memory nothing but the knowledge that she was pregnant and someone wanted her dead Her only hope was John the rescue medic who'd saved her life the Good Samaritan who'd vowed to keep her safe the sexy stranger who was stealing her heart Her hero Saving lives was his job but John Maitland had learned long ago the cost of personal involvement Risking his life he could handle risking his emotions his heart was out of the question Until he rescued Hannah battered bruised and scared for her life off the side of a mountain Suddenly things got very very personal Renegade's Lady Bobbi Smith,1997 Sheridan St John is a successful writer who has no need for a man in her life as long as she has one between the pages of her dime novels But when her editor tells her sales are off Sheri sets out for the Wild West in search of the perfect hero for her new book **The Renegade's Heart** Claire Delacroix,2013-01-15 She would risk everything to save his soul Released from the captivity of the Fae Murdoch Seton wants nothing more than to forget his lost years Undertaking a quest to recover treasure stolen from his family seems the perfect solution but Murdoch is not counting upon a curious maiden who holds both the secret to the theft and his sole redemption Isabella is outraged to find her brother's keep besieged by a renegade knight especially one too handsome for his own good or hers After a single encounter she becomes convinced that his cause is just and decides to unveil the true thief never imagining that their single shared kiss has launched a battle for Murdoch's very soul As the treacherous Fae move to claim Murdoch forever Isabella seeks to heal the knight who has stolen her heart But will Murdoch allow her to take a risk and endanger herself Or will he sacrifice himself to ensure Isabella's future I've written many series set in my fictional medieval Scottish world of Ravensmuir Kinfairlie and Inverfyre This is the order in which the stories take place although you can start with any series I recommend you read each series in order There's a tab on my website for ALL books in this world <http://delacroix.net/ravensmuir/> I The Rogues of Ravensmuir This is the first series to take place in this world These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series 1 The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense Their relationship is a class war he's the laird and she's a village girl but there's an immediate attraction between them Can Merlyn trust in love at first sight Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help This is the first book featuring Ravensmuir and in it we learn the story of its sister holding Kinfairlie 2 The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love In this story Gawain meets his match the enticing Eglantine who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires This is cat and mouse story of action adventure and intrigue takes us from York to the highlands of Scotland
