**Sport, Community Regeneration, Governance and Development** Rory Shand,2017-06-26 Sporting mega events are playing an increasingly important role in the governance of community regeneration and development across the globe This book examines the ways in which sporting organisations engage with local communities through projects that target youth health or social issues and act as key partners in governance mechanisms Showcasing original research to suggest that sporting organisations mega events and legacies are now operating as governing instruments in renewal programmes it sheds new light on the role that sport plays in community regeneration and development on an international scale Drawing on the interpretivist approach to governance which bridges theory and practice the book considers how relationships between sporting mega events legacies and local communities are evolving to foster trust and encourage participation With international case studies from the UK Brazil and South Africa it reflects on best practice in relation to governance structure funding mechanisms and partnerships *Sport Community Regeneration Governance and Development A Comparative Global Perspective* is fascinating reading for all students and scholars with an interest in governance sport development sport policy sport management or the sociology of sport      Stories That Bind Madhavi Murty,2022-05-13 *Stories that Bind Political Economy and Culture in New India* examines the assertion of authoritarian nationalism and neoliberalism both backed by the authority of the state and argues that contemporary India should be understood as the intersection of the two More

importantly the book reveals through its focus on India and its complex media landscape that this intersection has a narrative form which author Madhavi Murty labels spectacular realism The book shows that the intersection of neoliberalism with authoritarian nationalism is strengthened by the circulation of stories about emergence renewal development and mobility of the nation and its people It studies stories told through film journalism and popular non fiction along with the stories narrated by political and corporate leaders to argue that Hindu nationalism and neoliberalism are conjoined in popular culture and that consent for this political economic project is crucially won in the domain of popular culture Moving between mediascapes to create an archive of popular culture Murty advances our understanding of political economy through material that is often seen as inconsequential namely the popular cultural story These stories stoke our desires e g for wealth scaffold our instincts e g for a strong leadership and shape our values

Antiquity Renewed Z. R. W. M. von Martels, Victor Michael Schmidt, 2003 This volume deals with similarities and correspondences between Late Antiquity c 300 600 AD and the Renaissance roughly after c 1350 In both periods the presence of two competing forces the ancient classical and the Christian traditions led to a constant dynamic of thought and creativity The ten essays in this volume present new views on these issues in the fields of political philosophy theology law literature art and architecture

**Whispers and Wonders A Collection of Short Stories** Gilbert Boakye, 2023-10-10 Dive into a captivating world of stories that ignite the imagination and touch the heart This collection of thought provoking tales explores the depths of human resilience the transformative power of leadership and the pursuit of knowledge in the face of adversity From the inspiring journey of a young entrepreneur breaking barriers to the heartwarming tale of a community uniting for a greater cause these stories are a testament to the strength of the human spirit and the potential for positive change With themes ranging from education to climate action each narrative invites readers to reflect on their own lives and aspirations Immerse yourself in these evocative stories that celebrate the beauty of the human experience and inspire us all to dream overcome and make a difference

Evangelism Renewed Henry H. Knight, 2025-04-08 Evangelism has entered a new day From the 1980s to the present a vast array of new forms of evangelism have emerged shaped and informed by theological reflection on the good news of Jesus Christ and the mission of God Rejecting the reduced and formulaic forms of evangelism typical of most of the twentieth century these newer approaches speak more of the reign and love of God relationship and community and both personal and social transformation They are very diverse but each has something to contribute to how we understand and practice evangelism This book is a doorway into these theologies of evangelism and their fresh and dynamic ways of sharing the good news

**Copyright Illuminated** David Nimmer, 2008-01-01 For several decades now David Nimmer has maintained a steady flow of insightful witty and deeply informed commentary on copyright in the law journals His well earned reputation as a major authority and theorist on copyright law is unassailable In this new volume and a companion to his very well received Copyright Sacred Text Technology and the DMCA published by Kluwer in 2003 and Nimmer once again tackles some of the thorniest issues that

arise in the practice of copyright law including the following and much more and the work for hire doctrine and repeat infringers and fair use determination and substantial similarity of computer programs Although the volume collects articles originally published between 1988 and 2006 mostly in the past few years Nimmer has scrupulously updated the texts and woven them together into a unified whole What the book offers as a result is a microscopic scrutiny of the U S Copyright Act of 1976 and all its amendments with an immeasurable abundance of interpretation grounded in the author's unmatched familiarity with the law and its application This is a work that no lawyer handling copyright cases and or indeed no student or scholar of any branch of intellectual property law will want to be without

**The 2012 Story** John Major Jenkins, 2010-10-14 From the pioneering author who helped introduce the question of 2012 into the global spiritual community comes an epic exploration of the authentic origins and meaning of this portentous date Drawing from his own groundbreaking research including his involvement in the modern reconstruction of Mayan 2012 cosmology John Major Jenkins has created the crucial guide to 2012 surveying its roots in Mayan cosmology modern astronomy ancient prophecy and metaphysical philosophy and exploring why it has become a focal point for millions today

**The Story of Wales** Jon Gower, 2012-02-09 The Story of Wales is a vibrant portrait of 30 000 years of power identity and politics Revisiting major turning points in Welsh history from its earliest settlements to the present day Jon Gower re-examines the myths and misconceptions about this glorious country revealing a people who have reacted with energy and invention to changing times and opportunities It's a story of political and industrial power economic and cultural renewal and a nation of seemingly limitless potential The Story of Wales is an epic account of Welsh history for a new generation

The Divided States Laura J. Beard, Riccia Anne Chansky, 2023-01-10 What is an American identity The tension between populism and pluralism between homogeneity and heterogeneity has marked the United States since its inception In The Divided States leading scholars and critics argue that the US is and has always been a site where multiple national identities intersect in productive and challenging ways Scrutinizing conflicting nationalisms and national identities the authors ask Whose stories get told and whose do not Who or what promotes the idea of a unified national identity in the United States How is the notion of a unified national identity disrupted What myths and stories bind the US together How representative are these stories What are the counternarratives And if the idea of national homogeneity is a fallacy what does tie us together as a nation Working across autobiography studies American studies and human geography all of which deal with the current interest in competing narratives alternative facts and accountability the essays engage in and contribute to critical conversations in classrooms scholarship and the public sphere The authors draw from a variety of fields including anthropology class analysis critical race theory diasporic refugee and immigration studies disability studies gender studies graphic and comic studies Indigenous studies linguistics literary studies sociology and visual culture And the genres under scrutiny include diary epistolary communication digital narratives graphic narratives literary narratives medical narratives memoir oral history and testimony

This fresh and theoretically engaged volume will be relevant to anyone interested in the multiplicity of voices that make up the US national narrative
