*Repenting of Religion* Gregory A. Boyd, 2004-07-01 We human beings are burdened by our tendencies to harshly judge others and ourselves Unfortunately for believers this bent is as prevalent in the church as in the world Pastor and author Gregory A Boyd calls readers to a higher standard through understanding the true manner in which God views humanity as infinitely worthwhile and lovable Only an attitude shift in how we perceive ourselves in light of God s love can impact how we relate to people and transform our judgmental nature Believers wrestling with the reality of God s love and Christians struggling with judging in the local church will appreciate this examination of how we move from a self centered to a Christ centered life

**Courageous Grace** Gayle Haggard, 2013-04-19 As a Bible teacher Gayle had taught for decades about the amazing power of grace in a person s life Yet it took a crisis in her husband s life and the crumbling of her own life around her for her to have an epiphany about the true nature of grace In *Courageous Grace* Gayle chronicles and explains her newfound insights Despite common misperceptions grace is not safe It s not easy Frankly it takes courage to show grace to those who deserve less Oftentimes the person showing God s grace gets counted among the sinners just as Jesus experienced centuries ago Gayle explores the story of Jesus forgiving the adulterous woman to reveal the courageous side of showing grace We live in a society that vacillates between glorifying sin and crucifying those who fall Gayle encourages us to take the road less traveled daring to do the hard work of showing God s grace to the sinners among us It s what followers of Christ are called to do

**The Myth of a Christian Nation** Gregory A. Boyd, 2009-05-18 The church was established to serve the world with Christ like love not to rule the world It is called to look like a corporate Jesus dying on the cross for those who crucified him not a religious version of Caesar It is called to manifest the kingdom of the cross in contrast to the kingdom of the sword Whenever the church has succeeded in gaining what most American evangelicals are now trying to get political power it has been disastrous both for the church and the culture Whenever the church picks up the sword it lays down the cross The present activity of the religious right is destroying the heart and soul of the evangelical church and destroying its unique witness to the world The church is to have a political voice but we are to have it the way Jesus had it by manifesting an alternative to the political power over way of doing life We are to transform the world by being willing to suffer for others exercising power under not by getting our way in society exercising power over

**Living a Mostly Ordinary Life** Rodger Minatra, 2025-06-25 The world has been turned upside down by a culture that doesn t know the meaning of normal or ordinary anymore They are determined to change the natural order and replace it with chaos and confusion The 2024 election however has shown that many crave a return to normalcy They refuse to allow others to tell them who they are what is important and what they should believe *Living a Mostly Ordinary Life* is a collection of stories personal history events and ideas that have shaped Rodger Minatra s life He highlights current issues including education religion and politics and also shares stories of childhood school being single falling in love marriage fatherhood work church and grandparenting The
