Report On The Dominion Government Expedi:

The Cuban Tourism Industry Paolo Spadoni, José Luis Perelló Cabrera, 2025-09-18 This book by Paolo Spadoni and José Luis Perelló Cabrera examines the history of tourism in Cuba and the expansion and struggles of international tourism in Cuba in the post Cold War era. The Cuban Tourism Industry: Evolution, Challenges and Prospects begins with a historical review of the development of tourism as an important industry in pre-1959 Cuba and the subsequent decline in the first fifteen years of the revolution, before a modest recovery in the second half of the 1970s and during the 1980s. Spadoni and Cabrera continue with a thorough analysis of the remarkable expansion of international tourism in Cuba in the post Cold War era and in the era of improved relations with the United States that officially began in 2014, along with an assessment of the sector's economic impact and its main challenges. A critical assessment of the damaging effects on the Cuban tourism sector of stiffened U.S. sanctions imposed by the Trump administration and largely maintained by the Biden administration is also provided. This book examines tourism trends in Cuba and the Caribbean in the post-pandemic era and sheds additional light on Cuba's recent tourism performance to underscore key flaws of the Cuban tourism industry and suggest potential adjustments.
