

REPUBLICAN ASCENDANCY

1921 ★ 1933

BY JOHN D. HICKS

Republican Ascendancy 1921-1933

Andrew E. Busch

Republican Ascendancy 1921-1933:

Republican Ascendancy, 1921-1933 John D. Hicks, 1960 Professor Hicks has spread before us the whole social and economic scene and his luminous pages reflect to us the importance of such institutions as the automobile the movies and the radio

Forged Consensus David M. Hart, 1998 This is a subtly argued work well versed in the existing literature and deeply immersed in the historical sources The author's balance between theory and narrative will be attractive both to political scientists and to historians and the book does a fine job of using history to inform current policy Kenneth Lipertuo University of Houston Book Jacket

No Votes for Women Susan Goodier, 2012-03-15 No Votes for Women explores the complicated history of the suffrage movement in New York State by delving into the stories of women who opposed the expansion of voting rights to women Susan Goodier finds that conservative women who fought against suffrage encouraged women to retain their distinctive feminine identities as protectors of their homes and families a role they felt was threatened by the imposition of masculine political responsibilities She details the victories and defeats on both sides of the movement from its start in the 1890s to its end in the 1930s acknowledging the powerful activism of this often overlooked and misunderstood political force in the history of women's equality

Encyclopedia of the Jazz Age: From the End of World War I to the Great Crash James Ciment, 2015-04-08 This illustrated encyclopedia offers in depth coverage of one of the most fascinating and widely studied periods in American history Extending from the end of World War I in 1918 to the great Wall Street crash in 1929 the Jazz age was a time of frenetic energy and unprecedented historical developments ranging from the League of Nations woman suffrage Prohibition the Red Scare the Ku Klux Klan the Lindberg flight and the Scopes trial to the rise of organized crime motion pictures and celebrity culture Encyclopedia of the Jazz Age provides information on the politics economics society and culture of the era in rich detail The entries cover themes personalities institutions ideas events trends and more and special features such as sidebars and photos help bring the era vividly to life

Dynamics of American Political Parties Mark D. Brewer, Jeffrey M. Stonecash, 2009-07-27 Dynamics of American Political Parties examines the process of gradual change that inexorably shapes and reshapes American politics Parties and the politicians that comprise them seek control of government in order to implement their visions of proper public policy To gain control parties need to win elections and winning elections requires assembling an electoral coalition that is larger than that crafted by the opposition Uncertainty rules and intra party conflict rages as different factions and groups within the parties debate the proper course of action and battle it out for control of the party Parties can never be sure how their strategic maneuvers will play out and even when it appears that a certain strategy has been successful party leaders are unclear about how long apparent success will last Change unfolds slowly in fits and starts

Horses In Midstream Andrew E. Busch, 1999-08-15 Horses in Midstream breaks the mold of midterm election literature by focusing on the consequences of midterm elections rather than on the causes of the anti administration pattern of those elections The book concludes that the midterm pattern

has two primary consequences it stymies the President and provides an opportunity for the revitalization of the opposition party and that numerical losses by the President's party is really only a small part of the equation. Consequently, midterm elections can be considered an additional check in the U.S. political system acting as a mechanism that helps to assure rough two-party balance. In examining the historical results from midterm elections dating back to 1894 and extending to the surprising result of 1994 and 1998, Busch has uncovered seven consistent ways in which the president and his party are harmed by midterm elections. These elections unfavorably alter the composition of Congress both between the parties and within the President's own party; they deprive the President of the plebiscitary power derived from his original electoral mandate; they give an intangible sense of momentum to the opposition party leading to renewed opportunities for the opposition to put forward new leaders and to develop winning issues; they exacerbate splits within the President's own party; and they provide the opposition party with expanded party-building opportunities at the state level. Busch also places the midterm elections into four categories: preparatory midterms which contribute to a subsequent change in party control of the Presidency; calibrating midterms in which voters slow but do not reverse extraordinary periods of Presidentially driven change; normal midterms when midterm elections stymie the President without contributing to a White House takeover; and the rare creative exceptions when an administration escapes the midterm curse at the polls and finds themselves invigorated rather than weakened. Busch's new approach to midterm elections, his well-supported conclusions, and his clear, consistent style will certainly be of interest to political scientists and will translate well to the classroom.

Balanced Budgets and American Politics James Savage, 2019-05-15. A topical issue but hardly a new one, the concern for balancing the federal budget has been a perennial source of conflict in American political life. In *Balanced Budgets and American Politics*, James Savage explores the causes and development of the nation's preoccupation with this issue. Savage argues that the American fascination with the idea of balancing the federal budget is deeply rooted and reflects more than a contemporary concern about interest rates, inflation, or even the outcome of recent budget battles. His analysis demonstrates the considerable influence that the principle of budget balancing has had on politics and public policy from 1690 through Ronald Reagan's first term as president.

Safeguarding Democratic Capitalism Melvyn P. Leffler, 2017-08-02. *Safeguarding Democratic Capitalism* gathers together decades of writing by Melvyn Leffler, one of the most respected historians of American foreign policy, to address important questions about U.S. national security policy from the end of World War I to the global war on terror. Why did the United States withdraw strategically from Europe after World War I and not after World War II? How did World War II reshape Americans' understanding of their vital interests? What caused the United States to achieve victory in the long Cold War? To what extent did 9/11 transform U.S. national security policy? Is budgetary austerity a fundamental threat to U.S. national interests? Leffler's wide-ranging essays explain how foreign policy evolved into national security policy. He stresses the competing priorities that forced policymakers to make agonizing trade-offs and illuminates the travails of the

policymaking process itself While assessing the course of U S national security policy he also interrogates the evolution of his own scholarship Over time slowly and almost unconsciously Leffler s work has married elements of revisionism with realism to form a unique synthesis that uses threat perception as a lens to understand how and why policymakers reconcile the pressures emanating from external dangers and internal priorities An account of the development of U S national security policy by one of its most influential thinkers Safeguarding Democratic Capitalism includes a substantial new introduction from the author *Hugo Black* Virginia Van der Veer Hamilton,1982-09-07 This is a biography about Hugo Black *The History of Wisconsin, Volume V* Paul W. Glad,2013-03-05 The fifth volume in The History of Wisconsin series covers the years from the outbreak of World War I to the eve of American entry into World War II In between the rise of the woman s movement the advent of universal suffrage and the great experiment of Prohibition are explored along with the contest between newly emergent labor unions and powerful business and industrial corporations Author Paul W Glad also investigates the Great Depression in Wisconsin and its impact on rural and urban families in the state Photographs and maps further illustrate this volume which tells the story of one of the most exciting and stressful eras in the history of the state

Joe T Robinson: Always a Loyal Democrat (p) ,1998 *The Great Interwar Crisis and the Collapse of Globalization* R. Boyce,2009-10-21 Challenging the standard narrative of Interwar International History this account establishes the causal relationship between the global political and economic crises of the period and offers a radically new look at the role of ideology racism and the leading liberal powers in the events between the First and Second World Wars Imagined Histories Anthony Molho,Gordon S. Wood,2018-06-05 This collection of essays by twenty one distinguished American historians reflects on a peculiarly American way of imagining the past At a time when history writing has changed dramatically the authors discuss the birth and evolution of historiography in this country from its origins in the late nineteenth century through its present more cosmopolitan character In the book s first part concerning recent historiography are chapters on exceptionalism gender economic history social theory race and immigration and multiculturalism Authors are Daniel Rodgers Linda Kerber Naomi Lamoreaux Dorothy Ross Thomas Holt and Philip Gleason The three American centuries are discussed in the second part with chapters by Gordon Wood George Fredrickson and James Patterson The third part is a chronological survey of non American histories including that of Western civilization ancient history the middle ages early modern and modern Europe Russia and Asia Contributors are Eugen Weber Richard Saller Gabrielle Spiegel Anthony Molho Philip Benedict Richard Kagan Keith Baker Joseph Zizak Volker Berghahn Charles Maier Martin Malia and Carol Gluck Together these scholars reveal the unique perspective American historians have brought to the past of their own nation as well as that of the world Formerly writing from a conviction that America had a singular destiny American historians have gradually come to share viewpoints of historians in other countries about which they write The result is the virtual disappearance of what was a distinctive American voice That voice is the subject of this book **Buying the Vote** Robert E.

Mutch,2014-07-01 Are corporations citizens Is political inequality a necessary aspect of a democracy or something that must be stamped out These are the questions that have been at the heart of the debate surrounding campaign finance reform for nearly half a century But as Robert E Mutch demonstrates in this fascinating book these were not always controversial matters The tenets that corporations do not count as citizens and that self government functions best by reducing political inequality were commonly held up until the early years of the twentieth century when Congress recognized the strength of these principles by prohibiting corporations from making campaign contributions passing a disclosure law and setting limits on campaign expenditures But conservative opposition began to appear in the 1970s Well represented on the Supreme Court opponents of campaign finance reform won decisions granting First Amendment rights to corporations and declaring the goal of reducing political inequality to be unconstitutional Buying the Vote analyzes the rise and decline of campaign finance reform by tracking the evolution of both the ways in which presidential campaigns have been funded since the late nineteenth century Through close examinations of major Supreme Court decisions Mutch shows how the Court has fashioned a new and profoundly inegalitarian definition of American democracy Drawing on rarely studied archival materials on presidential campaign finance funds Buying the Vote is an illuminating look at politics money and power in America

Dead Last Phillip G. Payne,2009 2009 CHOICE Outstanding Academic Title If George Washington and Abraham Lincoln are the saints in America s civil religion then the twenty ninth president Warren G Harding is our sinner Prior to the Nixon administration the Harding scandals were the most infamous of the twentieth century Harding is consistently judged a failure ranking dead last among his peers By examining the public memory of Harding Phillip G Payne offers the first significant reinterpretation of his presidency in a generation Rather than repeating the old stories Payne examines the contexts and continued meaning of the Harding scandals for various constituencies Payne explores such topics as Harding s importance as a midwestern small town booster his rumored black ancestry the role of various biographers in shaping his early image the tension between public memory and academic history and finally his status as an icon of presidential failure in contemporary political debates Harding was a popular president and was widely mourned when he died in office in 1923 but with his death began the construction of his public memory and his fall from political grace In Dead Last Payne explores how Harding s name became synonymous with corruption cronyism and incompetence and how it is used to this day as an example of what a president should not be

A Companion to Franklin D. Roosevelt William D. Pederson,2011-03-21 A Companion to Franklin D Roosevelt presents a collection of historiographical essays by leading scholars that provides a comprehensive review of the scholarship on the president who led the United States through the tumultuous period from the Great Depression to the waning days of World War II Represents a state of the art assessment of current scholarship on FDR the only president elected to four terms of office and the central figure in key events of the first half of the 20th century Covers all aspects of FDR s life and times from his health relationships and Supreme Court packing to New Deal policies institutional issues and

international relations Features 35 essays by leading FDR scholars *Counting Women's Ballots* J. Kevin Corder, Christina Wolbrecht, 2016-05-25 How did the first female voters cast their ballots For almost 100 years answers to this question have eluded scholars *Counting Women's Ballots* employs new data and novel methods to provide insights into whether how and with what consequences women voted in the elections after suffrage The analysis covers a larger and more diverse set of places over a longer period of time than has previously been possible J Kevin Corder and Christina Wolbrecht find that the extent to which women voted and which parties they supported varied considerably across time and place challenging attempts to describe female voters in terms of simple generalizations Many women adapted quickly to their new right others did not In some cases women reinforced existing partisan advantages in others they contributed to dramatic political realignment *Counting Women's Ballots* improves our understanding of the largest expansion of the American electorate during a transformative period of American history **Herbert Hoover and the Commodification of Middle-Class**

America Edward Gale Agran, 2016-08-15 Herbert Hoover rose from a rudimentary background to establish himself as a self made millionaire and leading progressive reformer Until the disaster that hit the nation in 1929 Hoover was known globally as the Great Humanitarian who had saved the lives of scores of millions of Europeans and Asians during and following WWI As Secretary of Commerce through the twenties the Great Engineer constructed tooled and fine tuned the most powerful economy in the world Hoover was celebrated as a representative product of America's rise to global domination and a formidable voice for progressivism who could finish the job in the White House The Depression was Hoover's undoing but historians recognize they must take account of his considerable contributions to the creation of twentieth century America As we learn more of that America Hoover makes more sense With due consideration of Hoover's accomplishments one can further understand the construction of the American industrial and corporate economy progressivism and the New Deal and political posturing throughout the century Equally significant one can comprehend twentieth century cash box culture and Hoover's formidable contributions as a public servant to the commodification of American life He endeavored to establish that all could fulfill a secure middle class life in essence achieve the American Dream This concept in part was created by Hoover who also was considered one of the nation's public relations geniuses The political establishment continues to build upon the social and cultural foundation he laid That foundation while under stress remains fundamentally sound as the nation enters the twenty first century The criticisms rained down upon American materialism echo dangers Hoover warned against He subscribed to the maxim that a genuinely good society is not one premised upon material values it is established upon a widely distributed sense of well being grounded in service and compassion Hoover never lost sight of the imperative of selflessness for the good of others the nation and oneself within an individualistically driven society rich in comforts and security He sedulously worked to create a middle class identity which spoke to material well being and fundamental decency A true believer Herbert Clark Hoover energetically embraced the American Promise Republican Foreign Policy.

1921-1933 Lewis Ethan Ellis,1968 **The Wealth of a Nation** C. Donald Johnson,2018-04-02 The United States is entering a period of profound uncertainty in the world political economy an uncertainty which is threatening the liberal economic order that its own statesmen created at the end of the Second World War The storm surrounding this threat has been ignited by an issue that has divided Americans since the nation s founding international trade Is America better off under a liberal trade regime or would protectionism be more beneficial The issue divided Alexander Hamilton from Thomas Jefferson the agrarian south from the industrializing north and progressives from robber barons in the Gilded Age In our own times it has pitted anti globalization activists and manufacturing workers against both multinational firms and the bulk of the economics profession Ambassador C Donald Johnson s The Wealth of a Nation is an authoritative history of the politics of trade in America from the Revolution to the Trump era Johnson begins by charting the rise and fall of the U S protectionist system from the time of Alexander Hamilton to the Smoot Hawley Tariff of 1930 Challenges to protectionist dominance were frequent and often serious but the protectionist regime only faded in the wake of the Great Depression After World War II America was the primary architect of the liberal rules based economic order that has dominated the globe for over half a century Recent years however have seen a swelling anti free trade movement that casts the postwar liberal regime as anti worker pro capital and in Donald Trump s view even anti American In this riveting history Johnson emphasizes the benefits of the postwar free trade regime but focuses in particular on how it has attempted to advance workers rights This analysis of the evolution of American trade policy stresses the critical importance of the multilateral trading system s survival and defines the central political struggle between business and labor in measuring the wealth of a nation

Republican Ascendancy 19211933 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Republican Ascendancy 19211933 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Republican Ascendancy 19211933 has opened up a world of possibilities. Downloading Republican Ascendancy 19211933 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Republican Ascendancy 19211933 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Republican Ascendancy 19211933. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Republican Ascendancy 19211933. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Republican Ascendancy 19211933, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Republican Ascendancy 19211933 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Republican Ascendancy 19211933 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Republican Ascendancy 19211933 is one of the best book in our library for free trial. We provide copy of Republican Ascendancy 19211933 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Republican Ascendancy 19211933. Where to download Republican Ascendancy 19211933 online for free? Are you looking for Republican Ascendancy 19211933 PDF? This is definitely going to save you time and cash in something you should think about.
