Requiem At The Refuge:

Requiem at the Refuge Carol Anne O'Marie, 2010-04-01 A San Francisco nun author O Marie evokes convent life in the 90s with simple reverence and gentle humor Publishers Weekly Sister Mary Helen is dismayed when after the unexpected death of Sister Cecilia the president of Mount St Francis College Sister Patricia is appointed the post Sister Mary Helen is not in the new president's best graces and feels she surely will be asked to retire But the chance to volunteer at a drop in center for abused women and serve on the board quite revives Sister Mary Helen's flagging spirits until a young woman who frequents the center is murdered

The Corporal Works of Murder Carol Anne O'Marie, 2025-06-25 Poor Inspector Gallagher his premonition was right Sister Mary Helen is once more in the middle of a homicide case Not that she wants to be No one would envy the poor nun who finds herself holding a dying young woman shot to death in the street almost directly outside the Refuge for homeless women where Mary Helen volunteers And even while she grieves over the loss of life Mary Helen spots something odd about the victim Although she is wearing near rags her skin is unblemished and healthy looking Her perfect teeth are white and unstained She doesn't look like a woman whose life has been spent in poverty in the streets Mary Helen's feeling is borne out when she discovers that the dead woman was a Vice Department officer trying to find the people responsible for a neighborhood prostitute ring And in spite of her own conscience warning her the old nun feels that since the murder happened in front of HER refuge it is her duty to find the officer's killer She justifies this by telling herself that her connections with the women who use the Refuge put her in a unique position to get some inside information about what is going on in their neighborhood After all isn't one of the Refuge's very own women Geraldine the aunt of Junior Johnson And isn't Junior just about the most powerful and knowledgeable man in the hood So Sister Mary Helen plunges in determined to find Sarah Spencer's killer Her invasion of the case enrages Inspector Gallagher but if she is to succeed his further fury will be well worth Mary Helen's triumph The police officers assigned to the crimes that turn out to be hers might make a case that someone Mary Helen's age is running a serious risk when she deals with criminals and their world But the delightful old nun has the weapons of her logical mind and her determination And just maybe Someone whom she serves is rooting for her In any case she is able to work out of perilous situations come up with commonsense answers and gather a huge circle of loving fans as she meddles in murder

Murder in Ordinary Time Carol Anne O'Marie, 2007-04-01 Just one bite of that irresistible Christmas cookie and Christina Kelly Channel 5's leading investigative reporter was on the air dead The odor of bitter almond told Sister May Helen the cause of the death cyanide Somewhere in the studio was the wily killer it was a person everyone knew Had Christina's investigations led her to her dead end Or was the fatal cookie meant for someone else the notorious womanizer the hard drinking floor manager with something to hide or perhaps Wicked Wendy who certainly fit her nickname Or was the intended victim the intrepid nun herself Heaven help her as Sister Mary Helen charges in where angels fear to tread to trap a killer before he strikes again

The Missing Madonna Carol Anne

O'Marie,2025-06-25 Sister Mary Helen is sinfully good at snooping through the San Francisco fog Now a fellow OWL Older Woman s League member has disappeared The police believe Erma Duran simply flew the coop but Sister feels a Higher Authority pushing her to investigate A gold medal entangled in Erma s bedsprings and a cryptic clue to a Byzantine madonna deepens the mystery By the time Police Inspector Kate Murphy joins the hunt Sister s good intentions have already paved her way straight to the Mission District and a hellish encounter with sudden death *Sequels* Janet G. introduction by Raymond Williams Roger Sales concentrates his analysis on two related themes The first the politics of pastoral analyses the use of this genre by both established writers and poets who were enormously popular in their time but who are now less well known The author argues that all literary treatments of rural society in this period make political statements particularly when they displace or disguise the economic facts of life His second theme the theatre of politics introduces the reader to some of the main political events of the period and demonstrates how their form and presentation can illuminate some of the literature of the period This book will be of interest to students and teachers of English literature

Bruce Montgomery/Edmund Crispin: A Life in Music and Books David Whittle,2017-07-05 Under his real name Bruce Montgomery 1921 1978 wrote concert music and the scores for almost 50 feature films including some of the most enduring British comedies of the twentieth century amongst them a number in the series started by Doctor in the House and the first six Carry On films Under the pseudonym of Edmund Crispin he enjoyed equal success as an author writing nine highly acclaimed detective novels and a number of short crime stories as well as compiling anthologies of science fiction which helped to increase the profile of the genre A close friend of both Philip Larkin and Kingsley Amis Montgomery did much to encourage their work In this first biography of Montgomery David Whittle draws on interviews with people who knew the writer and composer These interviews together with in depth research provide great insight into the development of Montgomery as a crime fiction writer and as a composer in the ever demanding world of films During the late 1950s and early 60s these demands were to prove too much for Montgomery Alcoholism combined with the onset of osteoporosis and a retreat into a semi reclusive lifestyle resulted in him writing and composing virtually nothing during the last 15 years of his life David Whittle examines the reasons for Montgomery s early and rapid decline in this thoroughly researched and engagingly written biography

The Most Typical Avant-Garde David James,2005-05-30 Los Angeles has nourished a dazzling array of independent cinemas avant garde and art cinema ethnic and industrial films pornography documentaries and many other far flung corners of film culture This glorious panoramic history of film production outside the commercial studio system reconfigures Los Angeles rather than New York as the true center of avant garde cinema in the United States As he brilliantly delineates the cultural perimeter of the film business from the earliest days of cinema to the contemporary scene David James argues that avant garde and minority filmmaking in Los Angeles has in fact been the prototypical attempt to create emancipatory and progressive culture Drawing from urban history and geography local news reporting and a wide range of film criticism James gives astute analyzes of scores of films many of which are to found only in archives He also looks at some of the most innovative moments in Hollywood revealing the full extent of the cross fertilization the occurred between the studio system and films created outside it Throughout he demonstrates that Los Angeles has been in the aesthetic and social vanguard in all cinematic periods from the Socialist cinemas of the early teens and 1930s to the personal cinemas of psychic self investigation in the 1940s to attempts in the 1960s to revitalize the industry with the counterculture s

utopian visions and to the 1970s when African Americans Asian Americans Latinos women gays and lesbians worked to create cinemas of their own James takes us up to the 1990s and beyond to explore new forms of art cinema that are now transforming the representation of Southern California s geography The Cambridge Companion to Literature and the Environment Louise Westling,2014 This authoritative collection of rigorous but accessible essays investigates the exciting new interdisciplinary field of environmental literary criticism A Supplement to Granger's Index (1919-1928). Great War Modernism Nanette Norris,2015-12-16 New Modernist Studies while reviving and revitalizing modernist studies through lively scholarly debate about historicity aesthetics politics and genres is struggling with important questions concerning the delineation that makes discussion fruitful and possible This volume aims to explore and clarify the position of the so called core of literary modernism in its seminal engagement with the Great War In studying the years of the Great War we find ourselves once more studying the giants about whom there is so much more to say as well as adding hitherto marginalized writers and a few visual artists to the canon The contention here is that these war years were seminal to the development of a distinguishable literary practice which is called modernism but perhaps could be further delineated as Great War modernism a practice whose aesthetic merits can be addressed through formal analysis This collection of essays offers new insight into canonical British American European modernism of the Great War period using the critical tools of contemporary expansionist modernist studies By focusing on war and on the experience of the soldier and of those dealing with issues of war and survival these studies link the unique forms of expression found in modernism with the fragmented violent and traumatic experience of the time **Wanderers** William Winter,1892 **Augustino and the Choir of**
