Man's Best Friends - True Stories of the World's Most Heroic Dogs John McShane, 2012-07-27 For thousands of years men and women have known who to turn to in times of trouble: a dog. All over the world dogs have risked and often lost their lives to look after the human beings they care for. Their intelligence, devotion and astonishing courage to help humans in distress on countless occasions almost defies belief. Their stories range from Roselle the Labrador who led her blind owner to safety from the carnage of the World Trade Centre to the legends of Balto and Togo, two of the huskies who traversed over 1,000 kilometres of snow and ice to bring life-saving medicine to an isolated town, and Swansea Jack the black Labrador who rescued almost 30 people from drowning and who had a statue erected in his honour. Many of the dogs featured in this book have been specially trained to help humans, a task they eagerly set about regardless of the physical risk they face as a result. Then there are the family pets who when danger threatens react with total disregard for their own wellbeing, caring only about one thing: protecting the humans they love.

NIV, Great Rescue: Discover Your Part in God's Plan Zondervan, 2012-07-24 Be drawn into the epic adventure of experiencing God's plan. This isn't your typical sex, alcohol, drugs and obey your parents devotional Bible. Instead, it takes an honest look at the messiness of living in a broken world and walking with God through it. Daily readings and book introductions for every book of the Bible paint a picture of the reality that the Bible teaches: that there is more going on in the world than meets the eye. As you explore what it means to have God himself living inside of you, you will learn how to hear his voice, follow his lead and recognize him in the good, true and beautiful in the world. The Great Rescue focuses on intimacy with God and a relationship with him in every area of life. The Bible tells us that God had a plan from the beginning of time and that we were created for a purpose to fulfill a unique role in his kingdom. It also tells us that there is a very real conflict going on in our broken world between God and his arch-enemy. God wants us to be a part of his grand story. He wants us to walk so closely with him that we begin to understand his way of life and to participate in the narrative that is God's story. It's much more than a new way to act. It's a new way to see.
