Rescuing Christine:

Emotions, Genre, Justice in Film and Television Deidre Pribram, 2012-05-23 Popular film and television are ideally suited in understanding how emotions create culturally shared meanings Yet very little has been done in this area Emotion Genre and Justice in Film and Television explores textual representations of emotions from a cultural perspective rather than in biological or psychological terms It considers emotions as structures of feeling that are collectively shared and historically developed Through their cultural meanings and uses emotions enable social identities to be created and contested to become fixed or alter Popular narratives often take on emotional significance aiding groups of people in recognizing or expressing what they feel and who they are This book focuses on the justice genres the generic network of film and television programs that are concerned with crime law and social order to examine how fictional police detective and legal stories participate in collectively realized conceptions of emotion A range of films Crash Man on Fire and television series Cold Case Cagney and Lacey serve as case studies to explore contemporarily relevant representations of anger fear loss and consolation and compassion

Black Female Sexualities Trimiko Melancon, Joanne M. Braxton, 2015-01-26 Western culture has long regarded black female sexuality with a strange mix of fascination and condemnation associating it with everything from desirability hypersexuality and liberation to vulgarity recklessness and disease Yet even as their bodies and sexualities have been the subject of countless public discourses black women's voices have been largely marginalized in these discussions In this groundbreaking collection feminist scholars from across the academy come together to correct this omission illuminating black female sexual desires marked by agency and empowerment as well as pleasure and pain to reveal the ways black women regulate their sexual lives The twelve original essays in *Black Female Sexualities* reveal the diverse ways black women perceive experience and represent sexuality The contributors highlight the range of tactics that black women use to express their sexual desires and identities Yet they do not

shy away from exploring the complex ways in which black women negotiate the more traumatic aspects of sexuality and grapple with the legacy of negative stereotypes Black Female Sexualities takes not only an interdisciplinary approach drawing from critical race theory sociology and performance studies but also an intergenerational one in conversation with the foremothers of black feminist studies In addition it explores a diverse archive of representations covering everything from blues to hip hop from Crash to Precious from Sister Souljah to Edwidge Danticat Revealing that black female sexuality is anything but a black and white issue this collection demonstrates how to appreciate a whole spectrum of subjectivities experiences and desires *Edgar Rice Burroughs' Tarzan Omnibus Volume 1* Edgar Rice Burroughs, Various, 2015 This volume collects material previously published in the Dark Horse comic book series Tarzan 1 through 20 and the Dark Horse one shot Tarzan a tale of Mugambi Title page verso **In Love with the Chimera** Paul-Wesley Bailey Jr., 2021-03-03 Do you love the connection or the competition Christine Ferrari is a kindergarten teacher who resides in Chicago Illinois Terrell Bryant is a bartender who works late nights at a popular nightclub in Los Angeles California and Jason Jacobs is the pound for pound best fighter in the world of boxing while approaching the end of his storied career The three have separate lives but the one thing they have in common is that they are in a failing relationship Christine s due to abuse Terrell s due to curiosity and Jason s due to his ego and tragedy Three worlds collide after Jason s public divorce from reality star wife and his retirement from boxing In order to stay relevant in entertainment and continue to build upon his wealth he accepts an opportunity to host a reality dating show called In Love with the Chimera which twenty five women across the county will compete for his love in a series of challenges and daily activities Christine becomes a contestant against her own will but quickly discovers that she is at the top of the competition Terrell is offered the lucrative opportunity to work as part of the reality show but the opportunity becomes a nightmare when his past comes back to haunt him Meanwhile Jason Jacobs puts on a show for his girls and the cameras but hidden deep in the basement of his mansion away from the world of fame and media is an extension of all the pain he suffered from his tragic loss In Love with the Chimera is an experience full of love and hate which it will be discovered as to who in love who is lying who is the greatest of all time and who is the snake

Mozart's Ghosts Mark Everist, 2013-06-11 Mozart s Ghosts traces the many lives of this great composer that emerged following his early death in 1791 Crossing national boundaries and traversing two hundred years worth of interpretation and reception author Mark Everist investigates how Mozart s past status can be understood as part of today s veneration Everist forges new paths to reach the composer examining a number of ways in which Western culture has absorbed the idea of Mozart how various cultural agents have appropriated deployed and exploited Mozart toward both authoritarian and subversive ends and how the figure of Mozart and his impact illuminate the cultural history of the last two centuries in Europe England and America Modern reverence for the composer is conditioned by earlier responses to his music and Everist argues that such earlier responses are more complex than allowed by a simple reception studies model Closely

linking nine case studies in an innovative cultural and theoretical framework the book approaches the developing reputation of the composer from death to the present day along three paths *Phantoms of the Opera* deals with stage music *Holy Spirits* addresses the trope of the sacred and *Specters at the Feast* considers the impact of Mozart's music in literature and film *Mozart's Ghosts* adeptly moves the study of Mozart reception away from hagiography and closer to cultural and historical criticism and will be avidly read by Mozart scholars and students of eighteenth century music history as well as literary critics historians of philosophy and aesthetics and cultural historians in general *To the Rescue! Collection* National Geographic Kids,2015-01-06 Sometimes animals need help and sometimes they do the helping This title contains three exhilarating true stories of heroic animals and animal rescues **The Christmas Rescue** Laura Scott,2010-11-01 A military man takes a single mother targeted by a killer under his protection in this inspirational romantic suspense from a USA Today bestselling author Don't look When Kayla Wilson finds a body in Lake Michigan she shields her daughter's eyes and calls the police But not before spotting a stranger lurking in the woods watching her And when her bed and breakfast is broken into she knows the man is after her Coast Guard officer Rafe DeSilva is sure the attacks are related to his current case a crime ring operating in the Great Lakes He will do whatever is necessary to keep Kayla and her daughter Brianna safe while holding them at arm's length Until Brianna is kidnapped and Rafe puts everything on the line for a Christmas rescue *My Rescue Pet Rescued Me* Sharon Ward Keeble,2021-08-12 Meet the inspirational animals who went from rescued to rescuer in these incredible true stories You'll read all about the animal heroes who came to their owner's aid whether it was helping them to recover from mental illness relationship breakdown or bereavement Let these stories warm your heart and reveal how animals can help us heal
