Research In Biopolitics Recent Explora:

Biopolitics and Gender Meredith W Watts Jr, 2012-12-06 Here is an important book for social scientists interested in the influence of gender on certain types of behavior Several perspectives are presented on the general topic of biopolitics and gender including the points of view of brain science endocrinology ethology psychophysiology and such conventional interests as political attitudes socialization participation social structure and political hierarchy The varied and provocative ideas explored in this volume will broaden discussions of gender beyond an exclusive focus on sex links to oppression and discrimination *Body Odor and Biopolitics* Nat Lazakis, 2021-03-08 Originally rooted in stereotypes about race and class the modern norm of bodily odorlessness emerged amid 19th and early 20 century developments in urban sanitation labor relations and product marketing Today discrimination against strong smelling people includes spatial segregation and termination from employment yet goes unchallenged by social justice movements This book examines how neoliberal rhetoric legitimizes treating strong smelling people as defective individuals rather than a marginalized group elevates authority figures into arbiters of odor and drives sales of hygiene products for making bodies acceptable Biopolitics and the 'Obesity Epidemic' Jan Wright, Valerie Harwood, 2012-03-22 Biopolitics and the Obesity Epidemic is the first edited collection of critical perspectives on the obesity epidemic The volume provides a comprehensive discussion of current issues in the critical analysis of health obesity and society and the impact of obesity discourses on different individuals social groups and institutions Contributors from the UK Canada New Zealand and Australia provide original accessible and engaging chapters on issues such as the effects on individuals families youths and schools The timely contributions offered by Biopolitics and the Obesity Epidemic to this highly topical area will be of interest to a wide range of readers including teachers education professionals community health and allied professionals and academics in areas such as education health youth studies social work and psychology **The Postcolonial World** Jyotsna G. Singh, David D. Kim, 2016-10-04 The Postcolonial World presents an overview of the field and extends critical debate in exciting new directions It provides an important and timely reappraisal of postcolonialism as an aesthetic political and historical movement and of postcolonial studies as a multidisciplinary transcultural field Essays map the terrain of the postcolonial as a global phenomenon at the intersection of several disciplinary inquiries Framed by an introductory chapter and a concluding essay the eight sections examine Affective Postcolonial Histories Postcolonial Desires Religious Imaginings Postcolonial Geographies and Spatial Practices Human Rights and Postcolonial Conflicts Postcolonial Cultures and Digital Humanities Ecocritical Inquiries in Postcolonial Studies Postcolonialism versus Neoliberalism The Postcolonial World looks afresh at re emerging conditions of postcoloniality in the twenty first century and draws on a wide range of representational strategies cultural practices material forms and affective affiliations The volume is an essential reading for scholars and students of postcolonialism Fremdenfeindlichkeit, 2013-03-13 Entgegen allen Erwartungen zeigte sich nach dem Ende des Ost West Gegensatzes eine kr ftege Wiederbelebung

von Ethnozentrismus Ethnische Konflikte zählen zu den bedrückendsten Problemen unserer Zeit aber die Ursachen von Ethnozentrismus weiß die Wissenschaft aber noch wenig Aus der Perspektive Politischer Anthropologie leistet dieses Buch einen beachtlichen Beitrag zur Grundlagenforschung Im Vordergrund steht dabei die Frage nach den natürlichen Wurzeln der ethnozentrischen Verhaltensneigung Diese wird in ihrem Kern als Ausweitung von Nepotismus bestimmt der selbst wiederum Ausdruck des Strebens nach Gesamtfitness ist Somit zeigt sich da Ethnozentrismus zu den natürlichen Dispositionen des Menschen gehört Es ist als eine latente Bereitschaft zu verstehen die unter bestimmten gesellschaftlichen Bedingungen das soziale Handeln prägt

Interdisciplinary Perspectives on Shame Cecilea Mun, 2019-10-09 Shame is one of the most stigmatized and stigmatizing of emotions Often characterized as an emotion in which the subject holds a global negative self assessment shame is typically understood to mark the subject as being inadequate in some way and a sizable amount of work on shame focuses on its problematic or unhealthy aspects effects or consequences Interdisciplinary Perspectives on Shame reorients readers to a more balanced understanding of what shame is as well as its value and social function The contributors recognize shame as a complex richly layered conscious or unconscious phenomenon and the collection offers an understanding of how theories of shame can help or hinder us in understanding ourselves others and the world around us It also highlights how a diverse range of perspectives on shame can enlighten our understanding of both the positive and negative aspects of this powerful emotion Edited by Cecilea Mun these chapters by an international group of scholars reflect a broad range of methods disciplinary perspectives and both theoretical and practical concerns regarding shame

Social Theory, The State And Modern Society Marinetto, Michael, 2007-09-01 In recent years there has been a proliferation of approaches which have redefined our understanding of political power and the state These contemporary state theories have philosophical and theoretical antecedents that can be traced to post classical social and political thought their influences can be traced to feminism structuralism and poststructuralism cultural theory network analysis and globalisation theory The classical theories of Marx Weber and Durkheim are altogether less important in contemporary state theory In *Social Theory the State and Modern Society* Mike Marinetto considers the philosophical and theoretical heritage of modern state theory and then critiques the theories that have evolved from this legacy Topics covered include The poststructural state Governance and the decentred state The gendered state The cultural turn in state theory The state in a global context The past present and future of state theory *Social Theory the State and Modern Society* is key reading for students of Sociology Politics and Public Policy It is also of interest to researchers and academics with an interest in state theory

Militarizing Outer Space Alexander C.T. Geppert, Daniel Brandau, Tilmann Siebeneichner, 2020-12-02 *Militarizing Outer Space* explores the dystopian and destructive dimensions of the Space Age and challenges conventional narratives of a bipolar Cold War rivalry Concentrating on weapons warfare and violence this provocative volume examines real and imagined endeavors of arming the skies and conquering the heavens The third and final volume in the groundbreaking European Astroculture trilogy *Militarizing Outer Space* zooms in on the interplay between security technopolitics and knowledge from the 1920s through the 1980s Often hailed as the site of heavenly utopias and otherworldly salvation outer space transformed from a promised sanctuary to a present threat where the battles of the future were to be waged *Astroculture* proved instrumental in fathoming forms and functions of warfare's futures past both on earth and in space The allure of dominating outer space the book shows was neither limited to the early twenty first century nor to current American space force rhetorics

Handbook on Forced Migration Karen Jacobsen, Nassim Majidi, 2023-10-06 Forced migration in the 21st century is inextricably linked to three global developments climate change rapid urbanization and the lack of solutions faced by millions of forcibly displaced people By adding a focus on the disciplines of history and philosophy this erudite *Handbook* challenges narratives on forced migration and explains these contemporary challenges in a unique light

Everything Must Move Luke Bulman, Jessica Young, Thumb (Firm), 2009 Includes a list of graduates faculty and staff

with list of their awards publications and thesis titles 1994 2009 Age as Disease David-Jack Fletcher,2021-03-21 Age as Disease explores the foundations of gerontology as a discipline to examine the ways contemporary society constructs old age as a disease state Framed throughout as gerontological hygiene this book examines contemporary regimes strategies and treatment protocols deployed throughout Australia the United States and the United Kingdom The book deploys critical cultural theories such as biopolitics somatechnics ethics and governmentality to examine how anti aging technologies operate to problematise the aging body as always already diseased and how these come to constitute a movement of abolition named here as gerontological hygiene *Aesthetic Theology and Its Enemies* David Nirenberg,2015-06-22 Through most of Western European history Jews have been a numerically tiny or entirely absent minority but across that history Europeans have nonetheless worried a great deal about Judaism Why should that be so This short but powerfully argued book suggests that Christian anxieties about their own transcendent ideals made Judaism an important tool for Christianity as an apocalyptic religion characterized by prizing soul over flesh the spiritual over the literal the heavenly over the physical world came to terms with the inescapable importance of body language and material things in this world Nirenberg shows how turning the Jew into a personification of worldly over spiritual concerns surface over inner meaning allowed cultures inclined toward transcendence to understand even their most materialistic practices as spiritual Focusing on art poetry and politics three activities especially condemned as worldly in early Christian culture he reveals how over the past two thousand years these activities nevertheless expanded the potential for their own existence within Christian culture because they were used to represent Judaism Nirenberg draws on an astonishingly diverse collection of poets painters preachers philosophers and politicians to reconstruct the roles played by representations of Jewish enemies in the creation of Western art culture and politics from the ancient world to the present day This erudite and tightly argued survey of the ways in which Christian cultures have created themselves by thinking about Judaism will appeal to the broadest range of scholars of religion art literature political theory media theory and the history of Western civilization more generally **For Creative Geographies** Harriet Hawkins,2013-10-08 This book provides the first sustained critical exploration and celebration of the relationship between Geography and the contemporary Visual Arts With the growth of research in the Geohumanities and the Spatial Humanities there is an imperative to extend and deepen considerations of the form and import of geography art relations Such reflections are increasingly important as geography art intersections come to encompass not only relationships built through interpretation but also those built through shared practices wherein geographers work as and with artists curators and other creative practitioners For Creative Geographies features seven diverse case studies of artists works and exhibitions made towards the end of the twentieth and the beginning of the twentieth first century Organized into three analytic sections the volume explores the role of art in the making of geographical knowledge the growth of geographical perspectives as art world analytics and shared explorations of the territory of the body In doing so Hawkins proposes an

analytic framework for exploring questions of the geographical work art does the value of geographical analytics in exploring the production and consumption of art and the different forms of encounter that artworks develop whether this be with their audiences or their makers

No Place for the State Christopher Dummitt, Christabelle Sethna, 2020-04-15 There's no place for the state in the bedrooms of the nation Pierre Elliott Trudeau told reporters He was making the case for the most controversial of his proposed reforms to the Criminal Code those concerning homosexuality birth control and abortion In No Place for the State contributors offer complex and often contrasting perspectives as they assess how the 1969 Omnibus Bill helped shape sexual and moral politics in Canada by examining the bill's origins social implications and repercussions The new legal regime had significant consequences for matters like adoption divorce and suicide After the bill passed a great many Canadians continued to challenge how sexual behaviour was governed demanding much more exhaustive changes to the law Fifty years later the origins and legacies of the bill are equivocal and the state still seems interested in the bedrooms of the nation This incisive study explains why that matters

Class, Culture, and the Media in Greece, Volume 1 Yiannis Mylonas, Elena Psyllakou, 2024-10-27 This two volume work brings together studies focusing on the Greek realities of class as they appear in and through the Greek media realm Critically engaging with traditions of class analysis it brings to light various class perspectives and their explanatory power for the Greek context In doing so it embraces intersectional approaches that study class structures in their co constructions co articulations with other forms of social organization and identification such as race ethnicity gender religion geography and labor Instead of providing clear cut definitions the chapters reveal the complexities and relationalities of class cultures and classed selves in their making Volume one brings forth studies concerned with intersectional questions of class notions of otherness and forms of exclusion as they appear in popular media genres over a variety of social issues Further the volume also deals with class related issues connected to the study of reactionary far right and racist content advancing in Greek public spheres
