Generalist Social Work Practice John Poulin, Selina Matis, Heather Witt, 2025-03-13 A competency based approach to generalist social work practice that integrates an anti oppressive perspective and foundational practice principles Generalist

Social Work Practice A Competency Based Approach aligns with the nine professional social work competencies defined by the Council on Social Work Education's CSWE 2022 Educational Policy and Accreditation Standards EPAS and is fully revised to incorporate the latest updates. This textbook offers a comprehensive chapter by chapter exploration of each competency and covers all areas of social work practice including theory, ethics, human rights, social justice, and interventions at micro and mezzo levels. Generalist Social Work Practice integrates the critical themes of anti-racism, diversity, equity, and inclusion (ADEI) to ensure future social workers engage thoughtfully and competently in diverse settings. New to the Second Edition: Explicit focus on generalist social work practice; Integration of anti-oppressive practice principles into the generalist model; Alignment with CSWE 2022 EPAS; Combined assessment and intervention content across chapters; Introduction of a new chapter on evaluation; Enhanced ADEI content throughout the book.

Key Features: Provides comprehensive coverage of generalist practice with individuals, families, groups, organizations, and communities; Explores the nine CSWE professional competencies; Incorporates social justice perspectives into practice models; Offers extensive case examples, ADEI reflection questions, and chapter summaries; Includes QR Codes that link to supplemental videos for enriched learning; Provides online instructor resources such as electronic presentations, discussion questions, and grading rubrics; Presents a student-friendly writing style to encourage engagement and understanding.

Social Work Practice John Poulin, Selina Matis, 2019-11-15. This primary social work practice text built around the nine core 2015 CSWE competencies is the only book available that provides students with the benefits of a fully integrated competency-based approach. Social Work Practice A Competency Based Approach immediately immerses students in the competencies required for social work practice at the micro, mezzo, and macro levels. Designed for use in both upper-level BSW and foundation-level MSW social work practice courses, the book is uniquely structured to deliver the knowledge and skills students need to develop mastery of the professional social work competencies. Chapters provide a comprehensive overview of the theories, concepts, and practice components related to each competency. Engaging vignettes, chapter objectives that outline key concepts, abundant case examples, critical thinking questions, and a detailed case summary with discussion questions in each chapter help students deepen their understanding of practical applications of the nine core competencies. Each chapter uses the same case to perfectly illustrate the complexity of social work practice and the interconnections among the professional competencies. A robust supplementary instructor package includes PowerPoints, competency-based class assignments with grading rubrics, and sample syllabi. Print version of book includes free searchable digital access to entire contents.

Key Features: Uniquely organized with a fully integrated competency-based approach; Devotes one or more chapters to each of the nine CSWE professional competencies; Delivers abundant case studies that facilitate in-depth understanding and integration of competencies; Provides case vignettes, critical thinking, and discussion questions, and chapter summaries; Includes supplementary instructor resources such as PowerPoints, group discussion questions, and competency-based written assignments with grading rubrics; Offers sample syllabi for two
