## Research Paper Process Checklist

I will stamp/sign next to every process step when it is completed on time. If you do not have the step completed on time or if the work is of poor quality, you will not earn a stamp. If you do not have the checklist with you the day I am stamping it, you will not obtain one, even if you have the work completed. Point values are notated for each step. In total, your process grade for your research paper is 140 points. If you lose this checklist, you will not get credit for anything that was previously stamped. Due dates are listed below.
