Retorica Erotica:

Understanding the Phaedrus Livio Rossetti, 1992 **Literatura y transgresión** , 2021-11-22 El presente libro fruto de la colaboración de grandes especialistas de la literatura hispánica es un homenaje al profesor Manuel Ferrer Chivite aportador de nuevas visiones y lecturas de obras importantes de la literatura española. Además pretende ser un intento de conjuntar también nuevos aspectos interpretaciones y descubrimientos novedosos dentro de la investigación y estudio de las literaturas hispánicas. Como el propio título indica no siempre el canon establecido se cumple o se ha de cumplir para justificar la obra de arte en nuestro caso la obra literaria y esa transgresión es la que hace posible el encuentro inesperado de aspectos que podrán parecer típicos.

Literary Currents and Romantic Forms Stephen M. Trzaskoma, 2019-04-06 Bryan Reardon 1928-2009 was one of the most important and influential figures in the revival of scholarly interest in the Greek novel and ancient fiction in the last quarter of the twentieth century. His organisation of the first International Conference on the Ancient Novel ICAN at Bangor, North Wales in 1976 was a landmark in the field and an inspiration to the organisers of subsequent ICANs from which Ancient Narrative itself sprang. As editor of *Collected Ancient Greek Novels* (University of California Press 1989, second edition 2008) he made the Greek novels accessible to a wider readership and won a place for them in university syllabuses across the English speaking world. This volume contains twenty essays by leading scholars of ancient fiction who were all pupils, colleagues or close friends of Bryan Reardon in memory of his scholarship, energy, guidance and humanity. They cover a range of topics including ancient literary theory and the conceptualisation of fiction, discussion of individual novels (Chariton, Longus, Iamblichus, Achilles Tatius and Apuleius) and novelistic texts, a papyrus fragment of a lost novel and Philostratus' *Life of Apollonius*, the afterlife of the ancient novel in a Renaissance commentary on Roman law in a seventeenth-century essay on the origin of the novel and in a seventeenth-century series of paintings in a French chateau and a speculative reconstruction of the morning after the end of Heliodorus' novel. The title of the volume commemorates two of Bryan Reardon's most important books: *Courants littéraires grecs des II^e et III^e siècles après J.C.* (Paris 1971) and *The Form of Greek Romance* (Princeton 1991) and the photograph of Aphrodisias on the front cover is a tribute to his critical edition of Chariton (2004).

Babelonline Francesca Brezzi, 2006-01-02 *Rivista online di Filosofia* La libertà in discussione **Retórica erótica** Liliana Lukin, 2002 Heroines and Local Girls Pamela L. Cheek, 2019-08-30 Over the course of the long eighteenth century a network of some fifty women writers working in French, English, Dutch and German staked out a lasting position in the European literary field. These writers were multilingual and lived for many years outside of their countries of origin, translated and borrowed from each other's works, attended literary circles and salons and fashioned a transnational women's literature characterized by highly recognizable codes. Drawing on a literary geography of national types, women writers across Western Europe read, translated, wrote and rewrote stories about exceptional young women, literary heroines who transcend the gendered destiny of their distinctive cultural and national contexts. These transcultural heroines struggle

against the cultural constraints determining the sexualized fates of local girls In *Heroines and Local Girls* Pamela L Cheek explores the rise of women s writing as a distinct transnational category in Britain and Europe between 1650 and 1810 Starting with an account of a remarkable tea party that brought together Frances Burney Sophie von La Roche and Marie Elisabeth de La Fite in conversation about St phanie de Genlis she excavates a complex community of European and British women authors In chapters that incorporate history network theory and feminist literary history she examines the century and a half literary lineage connecting Madame de Maintenon to Mary Wollstonecraft including Charlotte Lennox and Fran oise de Graffigny and their radical responses to sexual violence Neither simply a reaction to nor collusion with patriarchal and national literary forms but rather both women s writing offered an invitation to group membership through a literary project of self transformation In so doing argues Cheek women s writing was the first modern literary category to capitalize transnationally on the virtue of identity anticipating the global literary marketplace s segmentation of affinity based reading publics and continuing to define women s writing to this day **From Linguistics to Literature** Bernard H.

Marenco,2007 **Same-Sex Desire in the English Renaissance** Kenneth Borris,2004-06-01 The readings gathered here include many rare texts that have not been reprinted for centuries excerpted from biblical commentary legal writings medical and scientific writings popular encyclopedias and literature as well as continental vernacular and Latin sources never before available in English translation The selections are assembled in ten chapters addressing particular discursive fields Theology Law Medicine Astrology Physiognomics Encyclopedias and Reference Works Prodigious Monstrosities Love and Friendship the Sapphic Renaissance and Erotica Each chapter includes a substantial introduction summarizing its topic and its relation

to early modern homoeroticism The volume also poignantly addresses key issues in Renaissance thinking about sexual identity and newly clarifies central problems and debates in the historiography of same sex love **Preceptos de retórica extractados de los mejores autores** José María del Refugio Guerra,1889 The Journal of Decorative and Propaganda Arts ,1987 **La donna che non c'è** Roberto Di Marco,2006 **Boccaccio und die bildenden Künste** Sebastian Schütze,Maria Antonietta Terzoli,2024-08-19 The reception of Boccaccio s works began early on throughout Europe This is reflected impressively in the splendidly illuminated manuscripts of Filocolo Filostrato and Teseida De casibus virorum illustrium De mulieribus claris and The Decameron The stories of The Decameron an entertaining and profound universe illustrating the all too human were depicted on wedding chests and in panel paintings and wall frescoes They were brought into the modern age primarily by Pier Paolo Pasolini s film re enactment dating from 1971 This volume focuses on Boccaccio s drawings and the development of his portrait iconography the illuminated manuscripts and their courtly patrons and on the impact of The Decameron and its stories which are so significant in art history and theory **Foucault's Politics of Philosophy** Sandro Chignola,2018-07-04 Oriented around the theme of a politics of philosophy this book tracks the phases in which Foucault s genealogy of power law and subjectivity was reorganized during the 14 years of his teaching at the College de France as his focus shifted from sovereignty to governance This theme Sandro Chignola argues here is the key to understanding four features of Foucault s work over this period First it foregrounds its immediate political character Second it demonstrates that Foucault s Greek trip also aims at a politics of the subject that is able to face the processes of the governmentalization of power Third it makes clear that the idea of the government of the self is drawing on an ethics of intellectual responsibility that is Weberian in origin an answer to the processes that within neoliberal governance produce the subject as an individual as a consumer a market agent an entrepreneur and so on Fourth the theme of a politics of philosophy implies that Foucault s research was never simply scholarly or neutral but rather was characterized by a specific political position Against recent interpretations that risk turning Foucault into a scholar here then Foucault is re presented as a key figure for jurisprudential and political philosophical research **Mirror, Mirror on the Page** W. Michael Mudrovic,2008 This text offers detailed studies of eight works of poetry written by Spanish women in the years following the death of Francisco Franco and the evolution of a democratic government Each chapter shows how each author defines herself both as a woman and a poet by portraying a female figure in the text of the poem **Aut Aut 358.
