Pagan Roots Yvonne Aburrow, 2025-04-22 Have you ever been told that prayer is not a Pagan practice or that it is just passive magic and found that these claims did not sit right with you Or that you ought to kill the ego because that is supposedly part of every spiritual quest but that did not feel right to you Have you ever been presented with a spiritual practice or concept and wondered if it was compatible with your Pagan ideals and values Have you ever asked yourself why there are certain words you just can't say in Pagan circles Or have you had a conversation with an adherent of another religion and found it difficult to communicate because they did not understand where you were coming from Fascinated by the etymology of words and the history of ideas Yvonne Aburrow has set out to disentangle Pagan spirituality from ideas that do not serve the needs of Pagans and to reclaim religious concepts that have been rejected Just as there are people who assume that religion does not change over the centuries there are people who assume that the meaning of words does not change The meaning of words and the concepts they represent do change over time and are shaped by the context in which they are used Yvonne Aburrow is here with Pagan Roots to illustrate those changes and reclaim religious language and concepts in a way that centers contemporary Pagan practice and belief
