Anderson, 2022-01-01 This autobiographical novel by the writer of *Winesburg, Ohio* recounts a young boy's childhood in the late nineteenth century rural Midwest Sherwood Anderson established his reputation as a great American writer with his sensitive portrayals of Midwestern life at the turn of the twentieth century First published in 1926 *Tar A Midwest Childhood* is Anderson's reflection on the Ohio small town of his youth and the experiences that informed and inspired his most beloved works In a series of revealing episodes Anderson describes the developing consciousness of Edgar Moorehead from earliest childhood to adolescence When his father arrived in Ohio from North Carolina neighbors derisively called him a Tar heel Inheriting this nickname Tar grows up as one of many children to his stoic hard working mother and his gregarious but unreliable father Winesburg, Ohio Sherwood Anderson, 2005-11-01

Winesburg, Ohio gave birth to the American story cycle for which William Faulkner F Scott Fitzgerald and later writers were forever indebted Defying the prudish sensibilities of his time Anderson never omitted anything adult harsh or shocking instead he embraced frankness truth and the hidden depths everyone possesses Here we meet young George Willard a newspaper reporter with dreams Kate Swift the schoolteacher who attempts to seduce him Wing Biddlebaum a berry picker whose hands are the source of both his renown and shame Alice Hindman who has one last adventure and all the other complex human beings whose portraits brought American literature into the modern age Their stories make up a classic and place its author alongside the best of American writers With an Introduction by Irving Howe and an Afterword by Dean Koontz **The End of the Book** Porter

Shreve, 2014-02-17 *The End of the Book* is the story of an aspiring contemporary novelist who may or may not be writing a sequel to Sherwood Anderson's classic *Winesburg, Ohio* Adam Clary works in Chicago for a famous internet company on a massive project to digitize the world's books but secretly he hates his job and wishes to be a writer at a time when the book as physical object and book culture itself have never been more threatened Counterpointing Adam's story is that of George Willard the young protagonist of Anderson's book who arrives in Chicago around 1900 when it was the fastest growing city in American history Through alternating chapters we follow George's travails including his marriage to the wealthy daughter of his boss his affair with his hometown sweetheart his artistic crisis breakdown and flight and along the way we see the echoes and intersections between his life and Adam's as they struggle in two similar Americas through two similar times in the life of the book Twentieth Century American Literature Warren French, 1980-11-01 **Twentieth Century Fiction** George

Reading Erskine Caldwell Robert L. McDonald, 2006-01-24 Erskine Caldwell has been compared to literary giants like Faulkner and Hemingway yet he has also been reviled as peddler of pop trash Was he a genius or just a shooting star whose brilliance faded long before he stopped writing Caldwell began his career in the late 1920s and gained fame for revealing the gritty backwoods South in novels such as his seminal Tobacco Road He wrote prolifically sometimes as much as a book a year As the editor of this book maintains perhaps anyone who wrote so much would inevitably stumble These 12 essays explore a variety of issues They discuss Caldwell as humorist social commentator modernist and revolutionary novelist They examine his themes and tropes political images social injustice the environment ideological struggles and his use of artistic devices short stories cubist strategies repetition A generous bibliography includes

not only books on Caldwell but also chapters and forewords journal articles essays news items and obituaries The reader is encouraged to look at Caldwell with fresh eyes to press beyond his controversial image and to compare his works especially his early ones to those of any of the top names in literature American Literature Robert Shafer, 1926
