Return to Akenfield

PORTRAIT OF AN ENGLISH VILLAGE
IN THE 21ST CENTURY

*"A tribute to a classic book as informed by its spirit and serious
principles, it becomes a classic in its own right." Telegraph*

Return To Akenfield

Tim Gibson

Return To Akenfield:

Return To Akenfield Craig Taylor, 2012-11-01 Ronald Blythe's 1969 book *Akenfield* a moving portrait of English country life told in the voices of the farmers and villagers themselves is a modern classic In 2004 writer and reporter Craig Taylor returned to the village in Suffolk on which *Akenfield* was based Over the course of several months he sought out locals who had appeared in the original book to see how their lives had changed he met newcomers to discuss their own views and he interviewed Ronald Blythe himself now in his eighties Young farmers retired orchardmen and Eastern European migrant workers talk about the nature of farming in an age of computerization and encroaching supermarkets commuters weekenders and retirees discuss the realities behind the rural idyll and the local priest teacher and more describe the daily pleasures and tribulations of village life Together they offer a panoramic and revealing portrait of rural English society at a time of great change

Church and Countryside Tim Gibson, 2013-01-03 While in recent years much attention among theologians has been focused on the city and on what makes a good city much of church life in Britain takes place in the context of rural communities In the context of their daily work clergy find themselves confronted with complex ethical political and social issues *Church and Countryside* maps out a rural theology that addresses some of the concerns faced by Britain's rural population and those who minister to them While other books in this field focus on practical mission orientated aspects of ministry in the countryside Tim Gibson offers a discussion of some of the relevant issues from the point of view of Christian ethics An accessibly written and thoroughly researched piece of contextual theology that should become core reading for mission and ministry courses in theological colleges and ministry training courses

Remembering Peasants Patrick Joyce, 2024-02-20 I had been waiting for much of my life to read this extraordinary book there are clues and messages for every fortunate reader who picks it up Annie Proulx A New York Times Book Review Editors Choice A landmark history of the peasant experience exploring a now neglected way of life that once encompassed most of humanity but is rapidly vanishing in our time What the skeleton is to anatomy the peasant is to history its essential hidden support For over the past century and a half and most notably over the last seventy years the world has become increasingly urban and the peasant way of life the dominant way of life for humanity since agriculture began well over 6 000 years ago is disappearing In this vital history of peasantry social historian Patrick Joyce aims to tell the story of this lost world and its people and how we can commemorate their way of life In one sense this is a global history ambitious in scope taking us from the urbanization of the early 19th century to the present day But more specifically Joyce's focus is the demise of the European peasantry and of their rites traditions and beliefs Alongside this he brings in stories of individuals as well as places including his own family and looks at how peasants and their ways of life have been memorialized in photographs literature and in museums Joyce explores a people whose voice is vastly underrepresented and is usually mediated through others in human history and now peasants are vanishing in one of the greatest historical transformations of our time Written with the skill and authority of a

great historian Remembering Peasants is a first class work Kirkus Reviews a richly complex and passionate history written with exquisite care It is also deeply resonant as Joyce shines a light on people whose knowledge of the land is being irretrievably lost during our critical time of climate crisis and the rise of industrial agriculture Enlightening timely and vitally important this book commemorates an extraordinary culture whose impact on history and the future remains profoundly relevant

Spirits of Community K. D. M. Snell, 2016-06-16 Concern about the decline of community and the theme of community spirit are internationally widespread in the modern world The English past has featured many representations of declining community expressed by those who lamented its loss in quite different periods and in diverse genres This book analyses how community spirit and the passing of community have been described in the past whether for good or ill with an eye to modern issues such as the so called loneliness epidemic or the social consequences of alternative structures of community It does this through examination of authors such as Thomas Hardy James Wentworth Day Adrian Bell and H E Bates by appraising detective fiction writers analysing parish magazines considering the letter writing of the parish poor in the 18th and 19th centuries and through the depictions of realist landscape painters such as George Morland K D M Snell addresses modern social concerns showing how many current preoccupations had earlier precedents In presenting past representations of declining communities and the way these affected individuals of very different political persuasions the book draws out lessons and examples from the past about what community has meant hitherto setting into context modern predicaments and judgements about spirits of community today

A Tiny Spot on the Earth Piet Rooy, 2025-10-01 In this survey of the Dutch political culture of the nineteenth and twentieth centuries Piet de Rooy reveals that the polder model often used to describe economic and social policymaking based on consensus is a myth Instead modern political culture in the Dutch Low Countries began with a revolution and is rife with rivalries among political and ideological factions De Rooy argues that because of its extremely open economy the country is vulnerable to external political cultural and economic pressures and Dutch politics is a balancing act between profiting from international developments and maintaining sovereignty The sudden rise of populism and Euroscepticism at the turn of the millennium then indicated a loss of this balance Shining new light on the political culture of the Netherlands this book provides insights into the polder model and the principles of pillarization in Dutch society The Dutch edition of this book *Ons stipje op de wereldkaart* was awarded the Prinsjesboekenprijs for the best book on Dutch national politics in 2014 Survey of the Dutch political culture of the nineteenth and twentieth centuries

Blythe Spirit Ian Collins, 2024-11-07 Moving candid vivid it is all that we could hope for in a memoir of this unique and treasured writer ROWAN WILLIAMS An unusually intimate and affectionate portrait PATRICK BARKHAM GUARDIAN As a boy I dreamed of scholars and saints wandering around markets and cornfields and of artists and poets sitting under the trees Ronald Blythe 1922 2023 author of the inimitable *Akenfield* was a prolific and poetic chronicler of rural and spiritual life nature and literature He spent a joyful century close to his Suffolk roots time travelling in

his imagination and publishing forty books and thousands of essays His wide creative network included John and Christine Nash Cedric Morris Benjamin Britten E M Forster Patricia Highsmith and Richard Mabey From finding Thomas Hardy in February rain and John Clare in country tracks to talking to his white cat and reading through a dragonfly's wings the Blythe gift was to marvel in the everyday His writing was intimate meditative and often laced with a wry humour inviting readers to share his enchanting perspective on the world Yet few knew the real Ronald Blythe Leaving school at 14 he educated himself in libraries churches and walks in the East Anglian landscape He never spoke about early poverty and traumatic experience in the war while his sexuality was kept private except from those closest to him Drawing on unparalleled access to letters notebooks published works drafts and conversations from decades of friendship Ian Collins tells the full story of Ronald Blythe for the first time The result is a sensitive revelatory portrait which celebrates a fascinating complex man and casts new light on one of our greatest writers *Angles on a Kingdom* Joseph Grossi,2021-07-05 *Angles on a Kingdom* analyses changing attitudes towards East Anglia within early medieval England as revealed in several important literary texts

Real England Paul Kingsnorth,2011-08-04 We see the signs around us every day the chain cabs and mobile phone outlets that dominate our high streets the disappearance of knobbly carrots from our supermarket shelves and the headlines about yet another traditional industry going to the wall For the first time here is a book that makes the connection between these isolated incremental local changes and the bigger picture of a nation whose identity is being eroded As he travels around the country meeting farmers fishermen and the inhabitants of Chinatown Paul Kingsnorth reports on the kind of conversations that are taking place in country pubs and corner shops across the land while reminding us that these quintessentially English institutions may soon cease to exist **One Million Tiny Plays about Britain** Craig Taylor,2013-01-17 A Wonder Woman and bride to be finds herself worse for wear at the end of a hen night a funeral director's love of Manchester United proves unhelpful when talking to the bereaved two overly vigilant mothers wrestle with their paranoia in the queue for Santa's Grotto a widow recounts her disastrous return to the world of dating and a father realises that his son is growing away from him as he helps him tie his football boots In these snippets of overheard conversations from across the length and breadth of the country Craig Taylor captures the state we're in with humour and pathos and perfect timing Laugh out loud funny and sometimes heartbreakingly moving these tiny plays in which every one of us could have a starring role are little windows into other people's lives that reveal the triumphs disasters prejudices horrors and joys of twenty first century life Hugely entertaining and utterly addictive this is book that can be dipped into or feasted upon in one sitting It will change the way you listen to the world around you and train journeys will never be the same again *The Oxford Companion to English Literature* Dinah Birch,2009-09-24 The Oxford Companion to English Literature has long been established as the leading reference resource for students teachers scholars and general readers of English literature It provides unrivalled coverage of all aspects of English literature from writers their works and the historical and cultural context in which they wrote to critics

literary theory and allusions For the seventh edition the Companion has been thoroughly revised and updated to meet the needs and concerns of today's students and general readers Over 1 000 new entries have been added ranging from new writers Chimamanda Ngozi Adichie Patrick Marber David Mitchell Arundhati Roy to increased coverage of writers and literary movements from around the world Coverage of American literature has been substantially increased with new entries on writers such as Cormac McCarthy and Amy Tan and on movements and publications Contextual and historical coverage has also been expanded with new entries on European history and culture post colonial literature as well as writers and literary movements from around the world that have influenced English literature The Companion has always been a quick and dependable source of reference for students and the new edition confirms its pre eminent role as the go to resource of first choice All entries have been reviewed and details of new works biographies and criticism have been brought right up to date So also has coverage of the themes approaches and concepts encountered by students today from terms to articles on literary theory and theorists There is increased coverage of writers from around the world as well as from Ireland Scotland and Wales and of contextual topics including film and television music and art Cross referencing has been thoroughly updated with stronger linking from writers to thematic and conceptual entries Meanwhile coverage of popular genres such as children's literature science fiction biography reportage crime fiction fantasy or travel literature has been increased substantially with new entries on writers from Philip Pullman to Anne Frank and from Anais Nin to Douglas Adams The seventh edition of this classic Companion now under the editorship of Dinah Birch assisted by a team of 28 distinguished associate editors and over 150 contributors ensures that it retains its status as the most authoritative informative and accessible guide to literature available

Oral History Theory Lynn Abrams, 2010-07-02 Oral history is increasingly acknowledged as a key tool for anyone studying the history of the recent past This book is the first to provide a comprehensive and systematic overview of oral history theory in an accessible format The book is structured around key themes including the peculiarities of oral history the study of the self subjectivity and intersubjectivity memory narrative performance and power Each chapter provides a clear and user friendly explanation of the various theoretical approaches illustrates them with examples from the rich field of published oral history and makes suggestions for the practicing oral historian There is also a glossary of key terms and concepts Combining the study of theoreticians with the observations of practitioners and including extensive examples of oral history work from around the world this book constitutes the first integrated explanation of oral history theory It will be invaluable to experienced and novice oral historians professionals and students who are new to the discipline

New Statesman, 2006

Social Work with Older People Ann McDonald, 2010-03-08 Social Work with Older People provides an authoritative and practical guide to working with older people in a range of settings It addresses the complexities of individual work with older people as well as work with families groups and the wider community and is not afraid to tackle the challenges as well as opportunities of practice in this area

The book begins by explaining the demographic changes that have led to a greying of the general population. It goes on to discuss the diversity in experiences of ageing across society and the range of issues which confront older people and those who wish to work proactively with them. Clear attention is paid to the processes of assessment, care planning and review, with readers encouraged to reflect on developing good practice through case studies and exercises. Although it has a strong practical emphasis, the book also stresses the value of theoretical perspectives with insights from fields such as sociology and psychology woven throughout the book. Clear links are also made to policy guidelines and organizational standards without losing sight of the deeper, often more complex issues that arise when working with older people. *Social Work with Older People* will be essential reading for social work students and practitioners but also for others who are interested in the development of practice with older people as citizens and service users. **Taking the long view** Richard

Kilborn, 2013-07-19 *Taking the Long View* is a study of documentary series such as Michael Apted's world famous *Seven Up* films that set out to trace the life journeys of individuals from their earliest schooldays till they are fully grown adults, often with children of their own. In addition to *Seven Up*, the book provides extended accounts of the two other best known longitudinal series to have been produced in the last three or four decades: Winifred and Barbara Junge's *The Children of Golzow* and Swedish director Rainer Hartleb's *The Children of Jordbr*. Long docs have been an especially popular form of documentary with TV and cinema audiences, and the book seeks to throw light on the nature of their appeal. **The Rough**

Guide to Norfolk & Suffolk (Travel Guide eBook) Rough Guides, 2020-10-01 *The Rough Guide to Norfolk* The Broads and northeast Norfolk The north Norfolk coast King's Lynn and the Fens Central and south Norfolk Ipswich and Felixstowe The Suffolk coast Inland Suffolk You may also be interested in *The Rough Guide to Kent* *Sussex and Surrey* *The Rough Guide to Bath* *Bristol and Somerset*. Make the most of your time on Earth™ with *The Rough Guide to England*. **The Postcolonial Country in Contemporary Literature** L. Loh, 2013-11-25 By situating a

range of contemporary literary texts against the backdrop of the legacies of a vast rural network of empire this book collectively critiques not only the rural heritage industry of the 1980s in Britain but also the effect of neocolonial globalisation on postcolonial rural spaces

About England David Matless, 2023-06-17 A cultural history of Englishness and the idea of England since 1960 Brexit thrust long fraught debates about Englishness and the idea of England into the spotlight About England explores imaginings of English identity since the 1960s in politics geography art architecture film and music David Matless reveals how the national is entangled with the local the regional the European the international the imperial the post imperial and the global He also addresses physical landscapes from the village and country house to urban suburban and industrial spaces and he reflects on the nature of English modernity In short About England uncovers the genealogy of recent cultural and political debates in England showing how many of today's social anxieties developed throughout the last half century

Working the Land Nicola Verdon, 2017-09-22 This book offers a new history of the farmworker in England from 1850 to the present day It focuses on the paid worker considering how the experiences of farm work the work performed wages earned and conditions of hiring were shaped by gender age and region Combining data extracted from statistical sources with personal and autobiographical accounts it places the individual farmworker back into a broader collective history Beginning in the mid Victorian era when farmworkers were the most numerically significant occupational group in England it considers the impact of economic technological and social change on the scale and nature of farm work over the next hundred and fifty years whilst also highlighting the continuation of some practices including the use of casual and migrant workers to perform low paid seasonal work Written in a lively and accessible manner this book will appeal to those with an interest in rural history gender history and modern British history

Culture In Pieces Dirk Obbink, P. J. Parsons, Richard Rutherford, 2011-06-16 This volume of essays is chiefly concerned with the problems of interpretation raised by fragmentary evidence especially by the partial or imperfect survival of texts from the classical world The essays consider a variety of problems addressing questions of literary history source criticism editorial method and scholarly technique

Return To Akenfield Introduction

In today's digital age, the availability of Return To Akenfield books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Return To Akenfield books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Return To Akenfield books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Return To Akenfield versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Return To Akenfield books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Return To Akenfield books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Return To Akenfield books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Return To Akenfield books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Return To Akenfield books and manuals for download and embark on your journey of knowledge?

FAQs About Return To Akenfield Books

1. Where can I buy Return To Akenfield books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Return To Akenfield book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Return To Akenfield books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Return To Akenfield audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
