Revelation Four Views A Parallel Commentary:

Revelation, Four Views Steve Gregg, 2013 Four Views of Revelation A Parallel Commentary covers the traditional views in an even handed fashion Four parallel columns present the information you need on these key views and inform you about outstanding commentators on the book of Revelation Revelation, Four Views, 1977 **Revelation: Four Views** Steve Gregg, Howard F. Vos, 1999-09-07 An even handed summary of the four traditional views of Revelation in parallel columns This convenient presentation not only gives you the information you need on these key views but also informs you about outstanding commentators on the book of Revelation throughout much of church history A wonderful addition to any Bible study resource library *Reading Revelation* C. Marvin Pate, 2009-05-01 Intriguing and endlessly contentious ideas and images of apocalyptic measure come together in the book of Revelation It is a rich and hermeneutically complicated Scripture that unsurprisingly has no universally accepted interpretation Reading Revelation compares these four major approaches to Revelation by laying out the different interpretive translations provided by each school of thought in parallel columns **Finding the End of the World** Ron Braley, 2011-03-18 Learn tools and techniques you can use in any Biblical study and then explore the History of Israel Use what you learn to analyze Old Testament prophecies and apocalyptic writings all in preparation for comparing accounts of what Jesus told His disciples on the Mount of Olives and for analyzing the Revelation given to John Round out your experience with in depth studies of end times players such as the Antichrist and the 144 000 redeemed from the earth Finally explore in great detail the major rapture positions and challenges presented by each Ron Braley s book Finding the End of the World is a great resource for any serious student of God s Word However it will frustrate those who look to it for easy answers to questions surrounding the books of Daniel and Revelation events of the End Times and eschatological controversies Instead the author gives the reader and student the tools to delve into the Scriptures and discover the answers Caution This may lead the reader to question and even jettison some previously held views of the End of Times While offering historical and theological background materials to consider I believe the greatest value of this book is the study tools guides and exercises it offers each student The result is creating students of the Bible who know how to read and study for themselves Ron Almborg Jr B A Th B M Div Ron Braley lives in Texas with Joanne his wife of 27 years They have 4 grown children and 2 grandchildren Passion for spreading the Gospel and helping others to build their faith has led to the development of this comprehensive guide and the creation of Finding Discipleship Inc Please visit www.findingrevelation.com for free instructor materials discussion boards and opportunities to contribute to the discipleship cause **Revelation** Thomas Nelson, 2020-03-31 How can we understand the book of Revelation and its many interpretations Four Views of Revelation A Parallel Commentary covers the traditional views in an even handed fashion Four parallel columns present the information you need on these key views and inform you about outstanding commentators on the book of Revelation No other book gives such extensive coverage of how the church has understood Revelation over the

centuries The four column format makes this an easy read for lay people pastors and scholars alike This is a wonderful addition to any Bible study resource library Features include Convenient one volume format Four parallel columns for easy comparison Complete coverage of the major interpretations of Revelation Extensive coverage of the place of Revelation in church history *Revelation: Tribulation and Triumph* Practical Christianity Foundation,2022-09-08 The Book of Revelation rings with familiar imagery and verses but what does it tell us about the last days Despite the countless interpretations available it often seems as though understanding the last days has never been more difficult Now through this easy to read devotional commentary Revelation will come alive as you venture into the powerful and dynamic message of this prophecy and diligently study the Second Coming of Jesus Christ **The Writings of John** C. Marvin Pate,2011-01-04 The writings of John are some of the most foundational New Testament documents for today s Christians Most evangelical teaching about the life of Jesus begins with the Gospel of John and Christian teaching on the end times relies heavily on the book of Revelation Students pastors and lay learners need solid up to date resources like this book to responsibly study and understand John s writings C Marvin Pate addresses John s writings according to their logical divisions the Gospel of John the Johannine Epistles and Revelation Each section includes a thorough introduction to relevant interpretive issues including historical background cultural setting and theological context Pate presents a two fold historical setting for John s gospel encouraging readers to consider the text from the perspective of Jesus day and from John s situation in Asia Minor sixty years later He examines the Johannine epistles on issues like authorship audience and theological perspective For the Apocalypse Pate explores the challenges of John s first readers the nature of apocalyptic literature and the Roman imperial cult including as well an explanation of how the church has interpreted Revelation over the years With its thorough discussion textbook design and four color interior *The Writings of John* sets the standard for introductory texts on biblical books or collections

The Time Is Near Ian Foley,2016-05-31 *The Time Is Near* the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away The reader then receives a clear view of a complete prophetic picture of Gods plan for his world stretching from 605 BC to the end of this age and beyond In its thirty two parts *The Time Is Near* presents concise statements of position that begin with Daniel dwell on Jesus and Paul and then focus primarily on Revelation By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events *The Time Is Near* invites readers reflection and testing In a time in which the worldwide church faces great

challenges The Time Is Near speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next □□□□□□□□ □□□,2022-12-31

Historical Grammatical Contextual Interpretation 404 29 29 **Through the Thicket** Ivan W. Bowden,2017-12-22

Unceremoniously dismissed from his lectureship in New Testament Dr Edward J Sutherland uses his forced retirement to struggle through a thicket of end times issues in a conservative church Interaction with a defense lawyer induces him to reconsider his inherited eschatology by engaging honestly with the biblical text He faces conflict within himself with a crusading dispensationalist church elders a newly appointed American pastor and a militant atheist Set in the Sunshine Coast of subtropical Australia the book goes beyond entertaining through romance touches of humor and conflict resolution Readers are exposed to vigorous discussions at a surf club a backyard barbecue a second coming conference in a neighbor s lounge room or via email They are forced to examine their presuppositions on topics including the rapture the antichrist the tribulation the purpose of Christ s second coming and the kingdom of God Whether they alter their views on such topics is less important than that they cultivate sound principles of biblical interpretation uphold the integrity of Jesus and the biblical authors and respect fellow Christians with whom they disagree **Afterlife** Hank Hanegraaff,2025-04-08 If there was ever a need to know book Afterlife is it On his daily call in radio show the most common questions Hanegraaff fields are about the hereafter For instance millions are voraciously reading about the near death experiences of young children Consumers are desperate for knowledge and reassurance about what comes after life on the earth Hank Hanegraaff one of the most remarkable theological minds of the 21st century explains the marvelous way this physical life connects our past to our eternal future Afterlife gives reader a clear and concrete understanding about what happens after death to us and to those we love **The Last Days** Scarlett Anderson,2024-05-24 Welcome to The Last Days a guide designed to navigate the complex and often misunderstood topic of Christian eschatology This book aims to bridge the gap between ancient biblical prophecies and their implications for our modern world It offers a deep yet accessible exploration of what the Bible says about the end times As we delve into scriptures interpretations and theological debates our journey will be about understanding future events and discovering how these profound teachings can influence our daily lives and spiritual practices Whether you are a layperson curious about end times a pastor seeking resources for teaching or a theology student this book provides balanced insights that respect the diversity of thought within Christianity The Last Days is an academic endeavor and a call to reflection and action As we explore prophecies consider their historical contexts and speculate on future scenarios we invite you to engage with this material not with fear but with a spirit of hope and vigilance Thank you for joining me on this enlightening exploration May this book be a valuable resource in your spiritual journey and your discussions with others about our shared future **Models of Premillennialism** Sung Wook Chung,David L. Mathewson,2018-08-27 The meaning of the millennium the thousand year reign of Christ spoken of in Revelation 20 has been

controversial for much of the church's history and even the main perspectives on the matter turn out to be more variegated than is often realized. This book takes the oldest of those options, premillennialism, and offers an excellent introduction to a variety of models of premillennialism currently available, including classical dispensationalism, progressive dispensationalism, historic premillennialism, thematic premillennialism, and historic premillennialism in Asian context. The product of collaboration between a systematic theologian and a New Testament scholar, this book provides a fascinating reference tool for anyone interested in what Scripture teaches about the last things, of redemptive history, the Parousia, and the millennial kingdom.

After Dispensationalism Brian P. Irwin, 2023-05-03. What God wants his people to know about the end times. Christians' fixation on the end times is not new. While eschatological speculation has sometimes resulted in distraction or despair, Scripture does speak about the end. So what does God most want us to know and do with prophecy? In *After Dispensationalism*, Brian P. Irwin and Tim Perry sympathetically yet critically sketch the history, beliefs, and concerns of dispensationalism. Though a minority view in the sweep of church history and tradition, dispensationalism is one of the most influential end times systems today, and there is much to learn from it. And yet sometimes it gets sidetracked by overlooking the prophets' main concerns. Irwin and Perry reexamine the key texts and show that Ezekiel, Daniel, and Revelation primarily give a word of hope to God's people.

Experiencing God's Love in the Church Tom Blackaby, 2011-06-01. The church is not dead, nor does it need to be abandoned, as some think. It is still a body that can best demonstrate the heart of God to a needy world. Many have looked at the church with all its flaws and turned their backs on it, saying it has passed its prime. The main reason for this is that the church has lost its love for one another and consequently for God. While the church may serve God, try to please God, and make efforts to obey God, love is sadly missing. This lack of love for one another manifests itself through church splits, lack of loyalty, ostracizing those who disagree, turning on one another over insignificant reasons, church hopping, firing pastors, etc. *Experiencing God's Love in the Church* seeks to challenge believers to renew their commitment to loving one another and, in so doing, returning to what Christ intended His body to look like. When the world sees God's people truly loving one another, they will then be more apt to see how the Father sent the Son as a demonstration of His love for them.

The Great Tribulation--Past Or Future? Thomas Ice, Kenneth L. Gentry. This engaging book brings together the opposing viewpoints of two respected evangelicals on whether the Great Tribulation is a past, present, or future event. This material is especially helpful in gaining an understanding of end times as the arguments are presented in a friendly debate format with responses by each author to the other's position.

Rethinking Eschatology Jason L. Quinter, 2025-01-23. In *Rethinking Eschatology*, Jason L. Quinter presents a compelling defense of postmillennialism, a theological view that Christ's reign has already begun and is advancing throughout history. Challenging popular end times scenarios of decline, Quinter argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel. Drawing on scholars like Kenneth Gentry and Keith Mathison, he shows how the Scriptures depict a victorious, ever-

growing Christian influence culminating in Christ's return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God's plan for history and the future *Mysteries and Symbols of Revelations 7-7'S Revealed* Agnes R. Moushon MA,2023-03-29 Are you wondering like many others how this world will end The mysteries in the Bible book of Revelation are God's way of revealing what will take place as our world waxes old like a garment and tears apart These mysteries are uncovered by God Himself He has painted a picture in symbols so we can understand and live through the end of time in faith and trust that God will take care of His people The Cambridge Companion to Apocalyptic Literature Colin McAllister,2020-03-26 Apocalyptic literature has addressed human concerns for over two millennia This volume surveys the source texts their reception and relevance
