Revelations And Visions:

Revelations Elaine Pagels, 2013-02-26 A profound exploration of the Bible's most controversial book from the bestselling author of *Beyond Belief* and *The Gnostic Gospels* The strangest book of the New Testament filled with visions of the Rapture the whore of Babylon and apocalyptic writing of the end of times the Book of Revelation has fascinated readers for more than two thousand years but where did it come from And what are the meanings of its surreal images of dragons monsters angels and cosmic war Elaine Pagels New York Times bestselling author and the preeminent voice of biblical scholarship to the American public *The Philadelphia Inquirer* elucidates the true history of this controversial book uncovering its origins and the roots of dissent violence and division in the world's religions Brilliantly weaving scholarship with a deep understanding of the human needs to which religion speaks Pagels has written what may be the masterwork of her unique career

Revelations Elaine Pagels, 2012-03-06 A startling exploration of the history of the most controversial book of the Bible by the bestselling author of *Beyond Belief* Through the bestselling books of Elaine Pagels thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels As one of the world's foremost religion scholars she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity Her new book however tackles a text that is firmly dramatically within the New Testament canon The Book of Revelation the surreal apocalyptic vision of the end of the world or is it In this startling and timely book Pagels returns The Book of Revelation to its historical origin written as its author John of Patmos took aim at the Roman Empire after what is now known as the Jewish War in 66 CE Militant Jews in Jerusalem fired with religious fervor waged an all out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome Soon after however a new sect known as Christians seized on John's text as a weapon against heresy and infidels of all kinds Jews even Christians who dissented from their increasingly rigid doctrines and hierarchies In a time when global religious violence surges *Revelations* explores how often those in power throughout history have sought to force God's enemies to submit or be killed It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent violence and division in the world's religions and to appreciate the lasting appeal of this extraordinary text

Dreams and Visions: Volume 1: the Expressed, Inspired, Secret, Revelations: of God: Christopher Covington, 2014-06-17 Author Christopher Covington reveals the apostolic and prophetic realm of dreams and visions in this timely book The introduction to dreams and visions opens up the mind on what they mean The mystery of iniquity being revealed by the spirit of God in these last days that shall empower the remnant to take the kingdom by force *Why Visions Revelations and Dreams Are for Us Today* John O. Oti, Joshua Jogo, 2013-12 Most people associate visions and dream as wired and superstitious thing but from the biblical perspective and from my personal experience over a period of an effective time in the ministry I believe that this

supernatural spiritual phenomenon are still authentic now as it was then Those who believe that life is just about the natural realm where we now live are deceived and need someone to bring them to the dimension of spirituality In this book I will prove to you how God used visions revelations and dream to make his word real to me and for me I believe that some of you who are reading some of these account of what God did in my life have also had your own share of experiences with God It is important for those who want to grow spiritually to know that God does use Visions dreams and revelation as one of his ways of teaching us about who he is and about his words In other words no one is that a born again Holy Spirit Christian that will not have an account of a time that God taught them spiritual things through a dream vision or revelation If Paul was taught by God through visions and revelations then the same God who taught him by those means will do the same today Some may argue that we don t need to get vision revelations and dreams anymore because we have the written word but they forget to understand that the bible never said that God was never going to teach us or show us things by visions or revelations or dreams but rather whatever he teaches us by those means ill line up with his word or else it may lead to deception It is important that I warn people however that those who walk with God do not go about conjuring for visions revelations and dreams this things happens only by the doing of the Holy Spirit if is really of God Those who go about telling people to pay them so that they will get revelations dreams and visions are out of the will of God people that operate like that are likely false prophets and those who follow such may end in end up not in the gospel but in spiritism instead of true spirituality Since Christianity is not a cult it is important that visions revelations and even dream be from God and not of human making If those who are believers trust God he will know when it may be necessary to communicate to them by these means Jesus said that when the Holy Spirit comes he will show us things to come how is he going to show us things to come without doing so by revelation Paul the Apostle praying for the Church of Ephesus prayed that God will grant them the spirit of revelation in the knowledge of him There are two ways to learn from God one is through information from the word and the second is from revelation of his spirit It is important to know that Christianity is not all about information only it is also about revelations The word Apocalyptic means the hidden knowledge How are Christians going to deal with apocalyptic events if they have no clue that every knowledge about God and the universe is not all written in the bible the bible gives us a guideline to c coming to the knowledge of those things and the Holy Spirit reveals them when it is necessary in God s timing I often ponder when I read the last chapter of the gospel of John It states Jesus did many other things as well If every one of them were written down I suppose that even the whole world would not have room for the books that would be written John 21 25 NIV There are no book in the world or library that can contain all the information about God however God teaches us about these things through vision dreams and revelations We now live in a world that believe and only trust in television but the apostles did not have television yet they were able to transact the business of the kingdom of God through heavenly visions I submit to you that vision is for us today and those who truly walk with God are going to be shown things to come by the Holy Spirit as

promised by God **Visions and Revelations** Titus Chu,2021-03-10 Over the course of six months during the 2020 COVID 19 pandemic Titus Chu shared twenty messages to the church in Cleveland on the topic of Visions and Revelations The messages were recorded and posted on the church website allowing them to be enjoyed by other saints and local churches around the world This sharing was meant not only to give spiritual supply and encouragement to the saints who were isolated and quarantined at home during this time but also to be the core of the fellowship and spiritual pursuing of the church Therefore the context of these messages was not individual enjoyment alone but a local church with saints pursuing the Lord together in fellowship We editors feel this is also the best context for Jesus lovers and seekers enjoying these messages in the future Though each message is quite high and heavenly brother Chu s desire was that everything shared could be practically applied to our daily lives and today s need in turn practically affecting our church life The first eight messages of the series are presented in this volume as spoken with only light edits to change them into readable form We editors have done our best to maintain the flavor and character of the spoken sharing Most direct references to the pandemic have been made more general for the benefit of future readers although some specific examples have been kept for the sake of the point being made We trust readers will find helpful applications in their own settings and environments The messages in this volume cover the various visions God gave surrounding the birth of Jesus and the beginning of His ministry At this time the age of Law was turning to the age of grace and God gave numerous visions to bring people into a realization of what He really desired He is gracious He longs to give grace and lead us and be with us in ways that are so much more intimate than the nation of Israel could experience under the Old Covenant Consequently these messages challenge us to leave our old ways habits and old patterns and call us to be brought into something new and fresh of God s heart through visions and revelations By receiving fresh vision from God we can follow Him more clearly buoyantly and with more reality than before Visions and revelations demand a response from us These stories from the New Testament demonstrate on the one hand the danger of a lack of proper response seen in Zacharias s initial reaction and in the examples of the chief priests the scribes and even John the Baptist On the other hand they reveal the blessing to those who pay a price to gain the reality of their vision seen in Zacharias s eventual realization and the examples of the shepherds Mary and the wise men May these messages not only reveal more of God s heart to us but also provide us with a supply of life and grace to respond and follow faithfully We feel it is profitable to note not only the background and purpose of these messages but also the man who gave them Titus Chu is a man of vision and his life and ministry have been marked by always fighting to see more and to labor accordingly In this way he follows in the pattern of the apostle Paul whose Christian life began with a vision on the road to Damascus a great vision of Christ and the church Then later in his life Paul also wrote to the church in Corinth I will come to visions and revelations of the Lord 2 Cor 12 1b The great heavenly vision had become or produced many more visions and revelations *Revelation* Edwin Walhout,2000 This new series continues the in depth character and content of the Revelation Series with a new look

and shape So if you like the Revelation Series you ll love Word Alive Also recommended as an alternative study series for small groups who ve used Discover Your Bible and Discover Life materials and who may wish to try an in depth teaching kind of study Each session in a Word Alive study guide offers a printed copy of the Scripture passage for the lesson in depth discussion and comments on the passage challenging questions for group discussion and application an adaptable small group session plan full of ideas you can custom fit to the needs of your group In the book of Revelation we see so many startling visions with so many details that it s hard maybe even impossible to figure them all out This two part Bible study helps us make sense of John s visions in Revelation These visions work together to reveal God s purpose for us and to encourage us to see Jesus working in this world all of the time not just in the past or in the future but also now always as he has promised Matt 28 20 Challenging studies for mature Christians that assume knowledge of the Scriptures **Revelation** Paul Yonggi Cho,1991 Sinedie (Tese) Henry Marnes,2020-06-24 So for all of your technological superiority the missing piece of a three thousand year old puzzle is something as mittelm ig as the answer man in particular a minor and specifically this guy I joked Demian Friedrich is an eccentric yet apathetic harmonica playing teenage reader who prefers to keep to himself and remain on the fringes of things Yet after the mysterious deaths of his girlfriend and favorite teacher he stumbles into a conspiracy theory and soon finds himself in the middle of a secret war between two groups of descendants of an ancient civilization Both groups the J lares and the Nevels each practice different hermeneutics toward a vague prophetic utterance that states that Demian is a key figure in ending their three millennial conflict a conflict revealed later to be one of supra cosmological significance But as the J lares and Nevels struggle for control over Demian they will all play into an unforeseeable type of threat which none of their worldviews could anticipate A stage setting Entwicklungsroman and first ever anti YA novel filled with commentary on high and low culture dips into metafiction encounters with mysticism existential concerns and quasi philosophical debate and Notes for the uninitiated SINEDIE presents an unprecedented introspective character driven narrative about a quirky teenager coming to terms with death the novel s primary theme and yet a theme that is counterbalanced by how the protagonist creatively internalizes his secret and unrequited love for an older woman one who answers for him the age old question who is the woman at the center of your existence and who culminates in the novel s surprising and unconventional hidden love story **Understanding Your Revelations From God** Dr. Joe Ibojie,2018-02-20 Delving Deeply into God Revealed Understanding Your Revelations From God A Training Manual for Every Dreamer Seer Watchman Intercessor and Prophet is for anyone who sincerely wants to delve into the deepness and holiness of God Based on his best selling books and well received seminars and teachings Dr Joe Ibojie delivers another

Visions of Purgatory Anonymous,2017-03-31 Visions of Purgatory offers a surprisingly sober and clear account of purgatory that offers more consolation than fear before this great mystery of God s mercy Translated from French the text was written in the latter half of the twentieth century by an anonymous author and contains a private revelation of purgatory with annotations from the Magisterium of the Church and the teachings of the saints above all St Thomas Aquinas It is organized into three parts the first part explains the role of private revelations and how to gain profit from them the second part contains doctrinal teachings that form a kind of treatise on purgatory the third and final part is dedicated to revelations of souls in purgatory Details concerning the life of the author have been omitted in order to maintain the author s anonymity

impacted on your life Read it along with your bible and find out how they relate to the Word your personal struggles and your victories Surrender everything to God and He will change your life in ways you ve never imagined The Works William Bridge,1845 **Visions of the Revelation** Jay E. Adams,Michael W. Carroll,1991 The Works of the William Bridge W. Bridge,1845 *Revelation* Elisabeth Schüssler Fiorenza,1991 Elisabeth Schussler Fiorenza charts a new and provocative course in the interpretation of the book of Revelation She recognizes not only the ideological distortions but also the sociopolitical location of the Apocalypse In this way she opens to the reader the world of vision of this powerful New Testament book This book has three major sections 1 an introduction that centers on social location and rhetorical analysis 2 the commentary and 3 a theo ethical rhetorical reading of the visionary world of the book of Revelation under the headings of empire tribulation resistance and competing voices MINISTERS-WORKERS TRAINING MANUAL GODSWORD GODSWILL ONU, **SEDUCING SPIRITS AND DOCTRINES OF DEMONS** GODSWORD GODSWILL ONU, **The Spiritual Man (3)** Watchman Nee,1992-06-01 For more than seventy years The Spiritual Man Watchman Nee s classic on spiritual growth has helped believers advance in their pursuit of gaining Christ by showing them the way to let the Lord fully gain them According to Nee The most frustrating experience of believers today is that in seeking for progress in the spiritual path they do not find the proper way As a result they grope in darkness being at times high or low lingering around the crossroads year in and year out and having no one to consult for direction The author of this book was such a one For this reason the book emphasizes clear guidance on the proper path Every chapter of this book is for the purpose of directing the believers on the right course Therefore all those who seek after God with an honest heart can go step by step accordingly Almost every chapter begins from the position of the sinner and goes on step by step toward the peak of spiritual life This electronic book is the third of three volumes **Visions and Revelations** Titus Chu,2021-06-22 Your Christian life is a matter of vision What is your vision What do you see To most Christians this matter usually seems very mystical However we may be surprised to hear that in the New Testament visions are often related to practical matters People see a vision they change People see a vision they have a new pattern of living People see a vision they have a new beginning In every vision are many revelations each one able to strengthen the receivers help them go on and give them clear direction In this first volume of his series Visions and Revelations Titus Chu considers the visions God gave surrounding the birth of Jesus and the beginning of His ministry At that time the age of Law was turning to the age of grace and the visions God gave focused people on His Son and brought them into a realization of what He really desires By considering the vision of famous characters like Joseph Mary Zacharias the shepherds the wise men and John the Baptist we too can see what they saw and experience what they experienced Just as these characters were challenged and called this volume of messages challenges us to leave our old ways our old habits and our old patterns and calls us to be brought into something new and fresh of God s heart through visions and revelations
