Canada Fire George A. Rawlyk, 1994-07-29 Relative to evangelicalism elsewhere in the English speaking world radical evangelicalism in Canada was defined centrally often almost exclusively by the New Birth experience or by similar experiences such as sanctification Over time however there has been significant change regarding the centre of Canadian evangelicalism This change sometimes gradual and sometimes sudden is of crucial importance in understanding all aspects of evolving Canadian Protestantism in the nineteenth and twentieth centuries Prominent preachers such as Henry Alline William Black David George Freeborn Garrettson and Harris Harding as well as rank and file evangelists figure in The Canada Fire Through letters diaries and autobiographies the actors and actresses in this unfolding religious drama speak for themselves and their voices are permeated with vulnerability and honesty The Canada Fire is not only a book about the distant past it also throws light on the changing face of Canadian Protestantism in general and Canadian evangelicalism in particular

Revival-God's Proven Method of Awakening His Church Edgar Lewellen, 2005-08 **The Activist Impulse** Jared S. Burkholder, David Cramer, 2012-04-04 Anabaptists have often felt suspicious of American evangelicalism and in turn evangelicals have found various reasons to dismiss the Anabaptist witness Yet at various points in the past as well as the present evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other The Activist Impulse represents the first book length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years It brings established experts and new voices together in an effort to explore the historical and theological intersection of these two rich traditions Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share an impulse to engage society through the pursuit of active Christian witness

Revival Fire Wesley L. Duewel, 2010-08-03 Fire blazes from heaven and a stone altar erupts in flame

So begins a spiritual awakening the kindling of a revival fire still burning today Beginning with Elijah and God's tremendous one day revival of Israel Wesley Duewel tells stories of revivals spanning the globe from America to China to Africa all brought by obedience and heartfelt prayer He illustrates how God has used revival fire through the centuries to revive the church and reveal the glorious presence of the Holy Spirit [Mennonites in Canada: 1939-1970 : a people transformed](#)

J. Hocking, 2019-12-24 How many countries experienced a religious revival during the 20th century According to this new book on church revival history there were at the very least twenty such revivals occurring in various parts of the world Revival swept from Asbury University Australia through America and across the European continent all within the space of one century Why This Book I wrote The Twentieth Revivals of the Century because there are so many stories that need to be told Stories of sweeping revivals which happened all across the globe Spiritual awakenings that occurred in countries making headlines today sometimes for all the wrong reasons Nations like North Korea's Pyongyang and Japan which incidentally almost became a Christian nation leading up to the twentieth century At this time Christianity began gaining ground at a rapid pace Such was the impact of the revivals covered in this book heading into the twentieth century So can we see a repeat of such revival fervour in the twenty first Century Was the recent Asbury Revival comparable with the one seen there in the 1970s Does it measure up to the same basic criteria or pass the smell test of how recent revivals have come about These question although not directly answered will show the the so called Asbury revival was missing two basic ingredients the preaching of the gospel and conversion of the masses **Spirit Wind** Peter L. H. Tie, Justin T. T. Tan, 2020-12-29 Spirit Wind a collaborative investigation into the works and person of the Holy Spirit clearly and richly demonstrates diversity in theological perspectives but unity in the Christian faith All theological discussions should aim at humbly respecting theological distinctiveness while sincerely encouraging theological conversations Spirit Wind offers itself to achieve just that Spirit Wind consists of nine chapters written by nine Chinese theologians born in the Orient and trained in the West who are now serving passionately as seminary professors in Australia Singapore Taiwan or the United States Each author endeavors to explain the person and works of the Holy Spirit not only from Chinese standpoints but also from biblical historical and cultural pastoral perspectives and yet all chapters are theological in nature No theologian claims to capture all matters about the Spirit but every author of this book is captivated by the powerful presence sovereign freedom and beautiful operations of the Holy Spirit You will be too
