Chineme,2010-02 As humans things happen to us sometimes that we cannot fully understand We desire to explain them when from human perspective there s no explanation that really exists Our perplexion at things of that nature are not just about when they happen to us but also the things we witness in the world around us They oftentimes shake the foundations of our faith in God to the core But as much as not knowing hurts at no time should our reaction be to accuse God for things we don t understand Rather we should know that God is not always the architect of all our problems and that He might not always save us from people that live to harm us or bless us the way we want because we take a stand with Him His promise however is one thing and that is that He ll work it all out for HIS OWN ENDS even the wicked for a day of disaster Proverbs 16 4b However your pain occurred God s declared intentions are that He ll use all of your problems any which way they present to work out His will for your life The deaths of some of the people that went before us is proof that for reasons best known to Him God at times chooses not to deliver people that take a stand with Him And it s not because He hated such people but because of what He already planned to use the situation for

Did you know the next verse suggests we all chill out and learn the secret to contentment? This unique devotional brings to the surface what many Christians already recognize: they hold numerous Bible verses in their hearts but they need to go deeper to truly understand them. Your response will be: I never saw that before. *The Next Verse* is for avid devotional readers, Bible readers seeking fresh perspectives on Scripture, believers who want to improve their biblical knowledge, pastors and small group leaders looking for a new angle to Bible teaching, and anyone who is intrigued by the question: What comes after your favorite Scripture verse? What Is Your Relationship with Your Sword, the Lord's Prayer The Messenger, 2009-07. This book is designed for the children of God so that it may lead them back to the basics. This is the power of the Lord's Prayer because it has been pushed aside because of other beliefs. Now just look at our USA. It is in a mess because we stopped chasing God's prayer and started chasing things, inventions, and money that have caused God's sheep to leave the fold and follow the heathen ways of the world. I was led to write these lessons and turn them into this book. I hope it will help you. God Bless you. Talk with you soon. It is another book on the way. Sheep of God, look for the Power of it. The Messenger of God 04/20/09.

Hearing God Peter Lord, 2011-02-01. Christians often struggle with prayer because it has become a one-way conversation with the ceiling. It doesn't have to be this way. In this revised and updated edition of the classic bestseller, Peter Lord offers an easy-to-follow step-by-step guide to developing a rich prayer life, moving believers from one-way communication with God to two-way communication with God. He answers such questions as: Can I hear God's voice today? How can I discern the difference between God's voice and Satan's voice? How can I find God's will and direction for my life? And many more. God still speaks today, and when believers pursue a dynamic personal relationship with him, they will learn to recognize and cherish his voice.

Lord, What's Next? Edwin Silié, 2007-11-07. The disciples gathered around Jesus, listening to His every word. They knew He was not going to be with them much longer. They needed to know, above all things, what they were going to do without Him. Jesus could hear their excitement as it cried out: Lord, what's next? With a smile on His face, He replied: Therefore go. I went. Let me tell you about it. I found mountains, oceans, walls, giants, lions, hard times, good times, rocks, endless roads, challenges, storms, impossibilities, blessings, sorrows, the call, and the answer. If you want to read about life-changing

experiences and be challenged like you have never been before open the pages of this book You won't want to stop reading until you have finished it My hope is that you will be inspired to answer the call of every Christian to be a missionary for God Read on It gets exciting it gets emotional it touches the heart it gives hope It makes the call Edwin Sili
