**A Narrative of Some of the Lord's Dealings With George Müller (Vol.1-4)** George Müller, 2020-05-10 It was only after the consideration of many months and after much self examination as to my motives and after much earnest prayer that I came to the conclusion to write this work I have not taken one single step in the Lord's service concerning which I have prayed so much My great dislike to increasing the number of religious books would in itself have been sufficient to have kept me forever from it had I not cherished the hope of being instrumental in this way to lead some of my brethren to value the Holy Scriptures more and to judge by the standard of the word of God the principles on which they act **A**

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set, Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development, and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life, nourishment, or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.      The Collected Works of Witness Lee, 1972, volume 2 Witness Lee, *The Collected Works of Witness Lee 1972 volume 2* contains messages given by Brother Witness Lee from July 21 through August 13, 1972. During this period, Brother Lee remained in Los Angeles where he gave a lengthy series of forty-eight messages on the kingdom of God, mainly from the perspective of life. This volume is composed of these messages which were published in 1980 in a fifty-chapter book entitled *The Kingdom*.      *The Character of the Lord's Worker* Watchman Nee, 1994-09-01. Our usefulness to the Lord in His work is determined by the constitution of our character. Natural and undesirable elements in our character must be thoroughly dealt with through the abundant mercy and grace of our Lord, and positive traits must be built up, cultivated, and developed. A useful disposition cannot be built up in a day; nevertheless, it must be built up if we are to be effective servants of the Lord. In *The Character of the Lord's Worker*, Watchman Nee discusses specific character traits that are crucial to the usefulness of a Christian worker. The Lord's worker must be one who is a good listener, who is a lover of men, who has a mind to suffer, who controls his body, and who is diligent, restrained, and stable. Watchman Nee also discusses other helpful topics, including one's subjectivity and attitude toward money. Previously published under the title *The Normal Christian Worker*, these freshly translated messages are being released under the title of Watchman Nee's original Chinese publication.      *The Collected Works of Witness Lee, 1967, volume 1* Witness Lee, *The Collected Works of Witness Lee 1967 volume 1* contains messages given by Brother Witness Lee from February through May 1967. For the first three months of the year, Brother Lee continued his six-month visit to the Far East, begun in the previous year. He spent the first two days of the year in the Philippines and then traveled to Indonesia, Singapore, and Malaysia before returning to Taipei. There is no record of his speaking before his return to Taipei. Brother Lee returned to the United States in April and remained in Los Angeles until early May, after which he visited San Francisco.

Seattle Vancouver and Sacramento before returning to Los Angeles at the end of May The contents of this volume are divided into six sections as follows 1 Fifteen messages given in Taipei Taiwan from February 9 through March 5 They were previously published in Chinese under the title Experiencing Christ as the Portion of the Saints 2 Six messages given in Taipei Taiwan from February 9 through 13 They were previously published in Chinese under the title Basic Knowledge on Service 3 Twenty one messages given in Taipei Taiwan from February through April They were previously published in Chinese under the title Serving in Coordination and Washing in Love 4 Five messages given in Los Angeles California from April 21 through 23 They were previously published in The Stream volume 5 number 3 August 1 1967 under the title Pray reading the Word and have been revised for inclusion in this volume 5 Five messages given in Los Angeles California from April 24 through May 29 They are included in this volume under the title The Service in the Church for the Expression of the Body The first two messages were combined into one 6 Fifteen messages given in San Francisco California on May 3 through 9 They are included in this volume under the title Enjoying the Lord in His Word by Pray reading for the Building Up of the Church in Oneness Two of the messages were combined *Other Crucial Matters Concerning the Practice of the Lord's Recovery* Witness Lee,1985 The Gospel Narratives of Our Lord's Passion Harmonized Isaac Williams,1846 *Life-Study of Genesis* Witness Lee,1987-12-01 In the Lord s recovery during the past five hundred years the church s knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God s holy Word according to His New Testament economy as this one does The Christian Communicant, or a Suitable Companion to the Lord's Supper William Mason,2024-11-16 Reprint of the original first published in 1836 The Parliamentary Debates (Hansard).
