Lordship And Discipleship:

Lordship Vs Discipleship Dr. James W. Huntley, 2013-08-19 This book has been designed to culminate a study on our position with God as disciples We have not been chosen to assume the position as Lords We must not usurp the position as a Lord We have not been chosen to be served but to serve therefore this book will explain in detail our callings and limitations as it refers to our position and anointing This book does not indicate how anointed you are It only references that your anointing cannot be any greater than God has chosen to give unto you This book will list in detail that authority has to be given and not taken Therefore as our Master and King God alone grants us the power and authority as he chooses to disseminate amid the Body of Christ This book has been designed to explain that we are not Lords but disciples A disciple is a follower and student of a mentor teacher or other figure The higher our calling the greater our servitude should be Additionally we are considered as Servant Leaders Servant leadership is both a leadership philosophy and set of leadership practices Traditional leadership generally involves the accumulation and exercise of power by one at the top of the pyramid By comparison the servant leader shares power but most importantly puts the needs of others first and helps people develop and perform as highly as possible Therefore I have attempted to reference in detail our positions and appointments and what the scripture indicates in reference to our responsibilities with that calling and position Although we are powerful and full of an anointing by God we must understand that whatever God has given we should utilize it to complete the work of God and not our personal agendas Furthermore it is not our will that should be implemented but that of God and him alone When we understand our position with God we can perform our duties with greater convictions and at a higher level *Lordship Salvation* Charles C Bing, 2010-07 A powerfully biblical and thorough answer to the Lordship Salvation controversy There is no more important issue than how to become a Christian Lordship Salvation is a view that has confused many people about the nature of the gospel itself Based on a Ph D dissertation this is an academic and biblical response to the Lordship view The crucial issues of faith repentance lordship and discipleship Over 65 important passages explained A helpful Scripture index Can be used as a textbook Retains its original academic form and content You will find out how Lordship Salvation undermines the assurance of Christians as you gain a new confidence in the gospel of God's sure salvation Read it use it as a Bible study reference or teach from it it is a valuable resource in a critical and controversial issue Charles C Bing obtained his Ph D from Dallas Theological Seminary As founder and president of GraceLife Ministries he is active as an author conference speaker and adjunct professor *Lordship and Discipleship* Eduard Schweizer, 1960 The New Testament contributors were courageous enough to be one sided They made their choice and preached the message in terms their hearers could grasp opposing clearly the special dangers of their time and place Must our younger generation or to take a quite different example the Japanese people first be converted to a Hebrew or Greek way of thinking in order to be able to receive the gospel Or may we without denying the old creeds proclaim the same truth in the West perhaps in terms of the

meaning of God's acts for our existence and in Japan perhaps in quite different terms Publisher from the 2012 edition

The Dialectics of Discipleship Chris Swann, 2023-08-24

Interrogating Barth's discipleship shaped vision of sanctification this book investigates both Lutheran and Calvinist source material to develop an account that differs markedly from other Lutheran and Calvinist perspectives Highlighting the robustly theological and Christ centred character of Barth's account Chris Swann demonstrates that far from merely valorising human activity Barth advances an understanding of human moral agency action and suffering that is real but relative to the agency of God in Christ to which it corresponds analogously With a focus on the role the image of discipleship plays in giving conceptual structure and shape to Barth's distinctive account of the correspondence between divine agency and sanctified human agency this book evaluates the ramifications of his discipleship shaped vision of sanctification In doing this it gives special attention to Barth's own personal mixed record with regard to Christian discipleship Ultimately Swann retrieves a number of important resources for contemporary theological ethics from Barth's theology of discipleship

Basic Discipleship Floyd McClung, Dale Larsen, Sandy Larsen, 1996

Spiritual Discipleship J. Oswald Sanders, 2017-07-04 Take time and trouble to keep yourself spiritually fit 1 Tim 4:7 J B Phillips Translation As J Oswald Sanders points out true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle True disciples pursue their Master They know that God is watching over their faith but they also take Scripture's command seriously work out your own salvation with fear and trembling for it is God who works in you They take pains by His power to look more and more like Jesus This book will help you to be such a disciple It examines Jesus teaching on what

it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians You ll learn The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ but an imitator of Him this book is a treasured resource Includes questions for reflection ideal for both individual and group study Discipleship and the Lordship of Christ Leland M. Haines,1991 THE LORDSHIP OF JESUS CHRIST Jeremy Ballard,2024-10-06 In The Lordship of Jesus Christ Dr Jeremy Ballard explores the profound theological significance of acknowledging Jesus as Lord over all aspects of life Through biblical examination and practical insights this book emphasizes that Jesus lordship is not just a theological concept but a guiding reality for believers Ballard delves into the depths of Scripture to reveal Jesus divine authority His perfect nature and His role as Savior and King This book is a call to renew one s commitment to Christ by surrendering every part of life to His authority Ballard addresses key issues including the separation of recognizing Jesus as Savior but not fully embracing His lordship and presents a comprehensive biblical response Rich in theological reflection and practical guidance The Lordship of Jesus Christ is a must read for those seeking to deepen their faith and live out the transformative power of Jesus rule in their everyday lives Spiritual Leadership, Spiritual Discipleship, Spiritual Maturity Set of 3 Sanders books J. Oswald Sanders,2017-07-04 This set includes all three books of the J Oswald Sanders spiritual growth series Spiritual Leadership Spiritual Discipleship and Spiritual Maturity In Spiritual Leadership J Oswald Sanders a Christian leader for decades and the author of more than forty books presents the key principles of leadership in both the temporal and spiritual realms He illustrates those principles throughout with examples from godly figures like Moses Nehemiah the apostle Paul David Livingstone Charles Spurgeon and others With more than 1 million copies sold this proven classic will help you to frame your leadership as spiritual service In Spiritual Discipleship Sanders points out that true discipleship is more than intellectual assent to a belief in Christ it involves the whole person and lifestyle This book will help you embody that truth It examines Jesus teaching on what it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians For anyone who wants to be not just a believer in Christ but an imitator of Him this book is a treasured resource In Spiritual Maturity Sanders explores the primary source of continual growth In three parts structured around the persons of the Trinity he provides clear direction for those desiring to grow strong spiritually Complete with scriptural principles for spiritual development and study questions at the end of the text this classic handbook is a timeless treasure Concern for Church Polity and Discipline Laura Schmidt Roberts,2022-03-30 CONCERN A Pamphlet Series for Questions of Christian Renewal was born in the 1950s of shared concerns over a gap between an Anabaptist vision and contemporary North American Mennonite reality The initial group views the increasingly hierarchical denominational structure the emergence of centralized professionalized pastoral ministry and the resultant changes in polity and practice as fundamentally incompatible

with a Believers Church ecclesiology Essays here present that critique and discussion of the reconfiguration of pastoral and communal authority as well as the assertion that reclamation of a disciplined priesthood of all believers is the path of Christian renewal Today the question of what institutional forms best structure the leadership authority and shared life of congregations persists marked by particular concern to attend to the exercise of power within actual communities of faith

The Authority of Love Greg Williams, 2020-10-22 A wake up call for the modern day American church to restore the Biblical standards of marriage family and the church which are still compelling and transforming Bob Russell Retired Southeast Christian Louisville KY Greg is a down to earth practitioner of faithful Christian living Love and Lordship is in touch with the real world flesh and devil and how each seeks to threaten and corrupt our daily walk with Christ Ken Idleman President retired Ozark Christian College Love what we desperately seek Authority what we doggedly avoid unless we re in control which is not real authority The Authority of Love shows how to bring them together Truth love authority humility a servant s heart all qualities of Christ all qualities we aspire to as disciples of Christ Christ is the Way the Truth and the Life Christ God is Love All Authority has been given to Him and in Him all things were made and exist by Him He is the epitome of Humility He displayed the purest of servant hearts All of these tremendous traits and virtues are found in Him Throughout the centuries we ve tried to attain these as noble and good and yet as is so often the case we ve defined them in our own terms much to our detriment We separate virtues in order to perfect them in and of ourselves Christ had a better way and in His Kingdom we find that because He embodied and modeled all of these traits and qualities in perfection He calls us to walk accordingly Instead of following culture and separating them attempting to perfect each we would be wise to follow His example as our Lord and see them as inseparable and live them as He did Separating these qualities as we are prone to do in our flesh has never worked The Authority of Love points us to Christ and God s Word and draws on real life stories to show us how Truth Love Authority Humility and a Servant s Heart are embodied in Christ and His Kingdom and how we can follow His lead in our life marriage family and in His Church to show the world a different way His Way If you are serious about walking with Christ as Lord in your life marriage family every area of your life this book is for you As I wrote this book we found ourselves in the middle of the first global pandemic in a century and political and social upheaval in the US like we ve not seen in the last half century Our faith is being tested I believe God is calling Christ s Church to a spiritual awakening not just simply to do church services differently serve more people and accommodate the culture thinking we will reach more It is a call For personal and collective confession and repentance of idolatry and compromise For believers to absolutely make Christ Lord of every part of your life For men to be Godly relational servant leaders as husbands who love their marriage spouse and family above their own success glory and desires just as Christ did for His Bride The Church For marriages to be a positive testimony to the Gospel of Christ so the world will see and know Him To husbands and wives to submit to one another out of reverence for and submission to Christ as Lord To disciple our children in our homes and in all of the above

build loving relationships that strengthen Christ's Church To move beyond drawing people into a weekly one hour service or a couple hours of weekly activity to our communities or the world To disciples making disciples in loving relationships and holding each other accountable to obedience as we walk in His Love and Lordship That call is the message of this book Reader's say Greg Williams provides us with a much needed Spiritual gut check in *The Authority of Love* and the guidance we need to get back on track Greg is amazing speaker and author This book is an essential book for our churches and leaders to read and grow in the Lord's will for their life Highly recommend **Following the Lamb** Keith T. Marriner II, 2016-01-11

Jesus parting words to his followers were for them to Go therefore and make disciples of all nations Matt 28:19 This being the case shouldn't we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14:4 no matter what the cost **The Christian Disciple** John E. Skinner, 1984 Defines the distinctive characteristics of true Christian discipleship derived from following the pattern of the life and death of Jesus Christ This pattern consists of in the author's words self denial taking up the Cross and following Jesus Concludes that spiritual discipline and the conditions for discipleship are one and the same reality Co published with the Episcopal Divinity School **Lordship . . . What Does It Mean?** R. Alan Day, 1993 Asked why our society isn't stronger morally George Gallup responded by pointing to a gap between profession and real conviction between belief and practice Day continues and clarifies a discussion that has taken place among evangelical theologians since the 1950s Can Christ be Savior without being Lord The Gospel of the Beloved Disciple Herman C. Waetjen, 2014-05-22 There is a general consensus that the Fourth Gospel underwent two editions But in contrast to all previous efforts to reconstruct these two editions on the basis of source and redaction criticism Waetjen maintains that these two editions essentially overlap without far reaching changes Chapter 1:20 originated within the Jewish community of Alexandria and were addressed to Jews in order to persuade them to believe into Jesus as the Messiah the Son of God The second edition originated when chapter 21 as added and certain revisions were made in chapters 1:20 by an editor in the Christian community of Ephesus in order to present the Gospel to Gentile Christians and perhaps attendantly to legitimate it for canonization Waetjen examines John's gospel by engaging in a close reading of various units of the Gospel from the perspective of a two level drama that presents two narrative worlds within the literary structure of the Gospel Out of his

readings of the texts one of the major and provocative conclusions Waetjen draws is that Lazarus is the Beloved Disciple of Jesus in chapters 1-20 John the son of Zebedee is intimated to play the role of the Beloved Disciple not only in chapter 21 but throughout the Gospel In other words the editor of chapter 21 has concluded that John based on the title that the gospel already bears is the Beloved Disciple and project that backwards from chapter 21 throughout the previous 20 chapters Waetjen's thorough scholarship and his attention to detail in his original readings challenge traditional readings of John's Gospel providing fresh insights into the Gospel The Lord Project John M Masciale, 2024-10-23 How does God relate to us what does He want from us and how do we relate to God Those questions and many more are woven throughout the many books of the Bible in the form of histories parables poetry stories and theological discourse John M Masciale draws on his expertise writing software to pore through the intricacies of the Bible in The Lord Project Using computer search algorithms the author ties together the threads of the Bible on a variety of themes searching for significant words around the phrase the Lord as well as the significant words surrounding Father Jesus Christ and Spirit Much more than a topical Bible or a concordance this book compiles verses about God's nature and other essential themes Chapters are organized topically so you can focus on the subjects you care about the most No matter what your education level or profession if you are a student of the Bible want to understand its teachings and move closer to the Lord this book will help you achieve your goals

Design for Discipleship J. Dwight Pentecost, 1971 Dr Pentecost demonstrates that discipleship is a growing experience of knowledge commitment active love and service **Biblical Realism Confronts the Nation** Paul Peachey, 2021-10-28
