Hollywood Madonna Bernard F. Dick, 2025-05-15 Loretta Young 1913 2000 was an Academy Award winning actress known for devout Catholicism and her performances in *The Farmer's Daughter* *The Bishop's Wife* and *Come to the Stable* and for her long running and tremendously popular television series *But that was not the whole story* *Hollywood Madonna* explores the full saga of Loretta Young's professional and personal life She made her film debut at age four became a star at fifteen and many awards and accolades later made her final television movie at age seventy six This biography withholds none of the details of her affair with Clark Gable and the daughter that powerful love produced Bernard F. Dick places Young's affair in the proper context of the time and the choices available to women in 1935 especially a noted Catholic like Young whose career would have been in ruins if the public knew of her tryst With the birth of a daughter who would have been branded a love child Loretta Young reached the crossroads of disclosure and deception choosing the latter path That choice resulted in an illustrious career for her and a tortured childhood for her daughter

Television: A Biography David Thomson, 2017-03-28 The invention or the quaint piece of furniture wandered into our lives in the 1940s as a primitive plaything a clever if awkward addition to the household It was expensive unreliable and a bit of an invalid *Television A Biography* In just a few years what used to be an

immobile piece of living room furniture which one had to sit in front of at appointed times in order to watch sponsored programming on a finite number of channels morphed into a glowing cloud of screens with access to a near endless supply of content available when and how viewers want it With this phenomenon now a common cultural theme a writer of David Thomson's stature delivering a critical history or biography of the six decade television era will be a significant event which could not be more timely With *Television* the critic and film historian who wrote what *Sight and Sound*'s readers called the most important film book of the last 50 years has finally turned his unique powers of observation to the medium that has swallowed film whole Over twenty two thematically organized chapters Thomson brings his provocatively insightful and unique voice to the life of what was television David Thomson surveying a Boschian landscape illuminated by that singular glow always on and peopled by everyone from Donna Reed to Dennis Potter will be the first complete history of the defining medium of our time
