

A woman with long brown hair, wearing a teal crop top and pink leggings, is measuring her waist with a green tape measure. She has a surprised or frustrated expression on her face, with wide eyes and an open mouth. Her right hand is on her head, and her left hand is holding the tape measure. The background is a solid light blue color.

Losing Weight Is Not For Everyone:

Lose Weight Permanently Sandro Torres Cigarroa, 2015-08-13 This book is based on true stories and true people. However, the names have been replaced by fictitious ones to protect the privacy of the individuals. This self-help book is written in novel form to keep the reader entertained. But the goal of the book is more than entertainment. It is to help the reader to permanently lose weight, have a healthy lifestyle, have a healthy body weight, and a healthy mind, achieve their goals, and by the end, find true happiness. The concepts presented here have been applied by other people who have been successful in their goals. **The Weight Loss Bible** Zachary Zeigler Ph.D., 2018-02-14 QVC pundits, infomercials, social media, multilevel marketing schemes, and pimple-faced personal trainers are all making money off the concept that there is one thing you have been missing in your weight loss endeavor. They have found the answer, of course. No one else has found this mysterious elixir. And if you buy their supplement, workout video, piece of exercise equipment, protein shake, etc., then you will have the body of your dreams. This crafty weight loss industry is making fifty billion dollars per year on the back of failed weight loss attempts. The reality is, weight loss and weight maintenance is multifaceted with dozens of principles to consider and apply. This book is meant to be a tool and guide on your weight loss maintenance journey. The chapters of this book discuss the hard facts on weight loss, why it is so hard to lose weight, and the many principles that need to be mastered to lose weight. The hope of the author is for the reader to be empowered with a better understanding of what it takes to lose weight and keep it off. Additionally, a plan called the twenty-four hour weight loss plan is included that applies all concepts in the text.

Timerdiet Sherri Sue Fisher, 2013-10-04 Have you ever wondered if there were secrets to losing weight? Learn how to eat what you want and have it be what you need. Learn how to lose weight and enjoy your life. Keep the weight off with simple guidelines you can follow forever. From the author, I know what it takes to not only lose the weight, I know what it takes to keep the weight off. And isn't that what it's all about? Surely you know someone who has worked hard to lose weight only to gain some or all of it back. How and why does this happen? We will go over this and more. We can create our own future and not be defined by our past. I hope you take this journey to become the best you you always knew was possible. As always, enjoy the journey. Sherri Sue Fisher's diet books can be preachy and discouraging in pushing grueling rules. TimerDiet instead offers simpler ideas for dropping pounds by learning to listen to your body to determine what it needs. She instructs readers not to count calories or measure the quantity of food eaten, only to eat to the point where they are comfortable. Daily journals logging the foods consumed, her website, print out pages for this task, helpful menu planning ideas, how to eat and exercise while on vacation or during holidays, written in a personable and friendly manner, offers direction without being overwhelming. Overall, the book is clear and informative and worth a look by those in relatively good health who need to lose weight. *blueink review* A relatively sensible, if not entirely original, diet book. Fisher provides a solid foundation for the mental part of losing weight using a system of journaling, timed snacks, makeovers of the wardrobe, kitchen and pantry, and strategies to help work through stress.

discouragement jealousy insecurities from partners or friends too and even occasions such as parties and holidays that may arise on the journey Her emphases on ease and satisfaction are key Fisher knows that few are likely to succeed if a diet is joyless this guide offers a commendable introduction to navigating the pitfalls of dieting Kirkus Reviews **Fit To Be Well** Alton L.
