with Zahi Hawass Egyptian Minister for Antiquities Affairs When the first archaeologists visited Egypt in the late 1800s they arrived in the eastern Nile Delta to verify the events described in the biblical Book of Exodus Several locations believed to be the city of the Exodus were found but all were later rejected for lack of evidence This led many scholars to dismiss the Exodus narrative merely as a myth that borrowed from accounts of the Hyksos expulsion from Egypt But as Ahmed Osman shows the events of Exodus have a historical basis and the ruins of the ancient city of Zarw where the Road to Canaan began have been found Drawing on decades of research as well as recent archaeological findings in Egypt Ahmed Osman reveals the exact location of the lost city of the Exodus as well as his 25 year effort to have this finding confirmed by the Egyptian government including his heated debates with Zahi Hawass former Egyptian Minister for Antiquities Affairs He explains why modern scholars have been unable to find the city of the Exodus they are looking in the wrong historical period and thus the wrong region of Egypt He details his extensive research on the Pentateuch of the Hebrew scriptures the historical scenes recorded in the great hall of Karnak and other ancient source texts which allowed him to pinpoint the Exodus site after he discovered that the Exodus happened not during the pharaonic reign of Ramses II but during that of his grandfather Ramses I Osman concluded that the biblical city of the Exodus was to be found at Tell Heboua at the ruins of the fortified city of Zarw the royal city of Ramses I far from the Exodus locations theorized by previous archaeologists and scholars In 2012 after 20 years of archaeological work the location of Zarw was confirmed by Egyptian officials exactly where Osman said it would be 25 years ago Thus Osman shows that time and again if we take the creators of the source texts at their word they will prove Tales of Ancient Mysteries Pasquale De Marco, 2025-07-26 Embark on an extraordinary journey through the to be right annals of history and the enigmatic realms of the unknown with Tales of Ancient Mysteries and Unexplained Phenomena This captivating guide delves into the shadows of our past exploring lost civilizations unexplained phenomena and enigmatic artifacts that have puzzled experts for centuries Prepare to unravel the secrets of ancient Sumeria where an advanced civilization flourished leaving behind tantalizing clues to their knowledge and practices Discover the enigmatic Indus Valley Civilization renowned for its intricate urban planning and enigmatic script Uncover the mysteries surrounding Easter Island s colossal stone statues a testament to a lost civilization s ingenuity Venture into the realm of the unexplained where phenomena defy logical explanations and challenge our understanding of the world Explore the enigmatic Bermuda Triangle a region where ships and aircraft have vanished mysteriously becoming the stuff of legend Uncover the truth behind crop circles whether they are elaborate hoaxes or celestial messages Examine the UFO phenomenon separating fact from fiction and contemplating the possibility of extraterrestrial life Delve into the mysteries of ancient artifacts that have confounded scholars for centuries Investigate the Baghdad Battery an enigmatic device that raises guestions about ancient electrical knowledge Unravel the secrets of the Antikythera Mechanism an astonishingly sophisticated ancient computer that defied its time Decipher the enigmatic symbols on the Phaistos Disc a tantalizing Minoan puzzle that remains unsolved Prepare to
