A Quest Into Forbidden China

JOHN HARE

Foreword by Jane Goodall

Lost Camels Of Tartary

Robert Irwin

Lost Camels Of Tartary:

The Lost Camels of Tartary John Hare,1998 John Hare has made three expeditions to the Mongolian and Chinese Gobi deserts the first in 1993 with Russian scientists and the second and third with Chinese scientists in 1995 and 1996 The book records the amazing adventures he has experienced on those expeditions and will record details of the 30 day walk on foot in the formidable Kum Tagh sand dunes in the spring of 1997 He is the first recorded foreigner to have crossed the Gashun Gobi from north to south The expeditions were primarily concerned with tracking down the mysterious wild Bactrian camel *camelus bactrianus ferus* which lives in the heartland of the desert and is the ancestor of all domestic Bactrian stock There are under a thousand left in the world and the wild Bactrian camel is more endangered than the giant Panda This is John Hare s magnificent account of a formidable feat of modern exploration

Into Wild Mongolia George B. Schaller, 2020-02-18 Explore the wonders of wild Mongolia through the eyes of a distinguished field biologist Mongolia became a satellite of the Soviet Union in the mid 1920s and for nearly seven decades effectively closed its doors to the outside world Biologist George Schaller initially visited the country in 1989 and was one of the first Western scientists allowed to study and assess the conservation status of Mongolia's many unique native wildlife species Schaller made a number of trips from 1989 to 2018 in collaboration with Mongolian and American scientists witnessing Mongolia's recovery and transition to a market economy after the collapse of the Soviet Union This informative and fascinating new book provides a firsthand account of Schaller's time in this little known and remote country where he studied and helped develop conservation initiatives for the snow leopard Gobi bear wild camel and Mongolian gazelle among other species Featuring magnificent photographs from his travels the book offers a critical at times inspiring contribution for those who treasure wildlife as well as a fresh perspective on the natural beauty of the region which encompasses steppes mountains and the Gobi Desert

When A Billion Chinese Jump Jonathan S. Watts, 2010-10-26 As a young child Jonathan Watts believed if everyone in China jumped at the same time the earth would be shaken off its axis annihilating mankind Now more than thirty years later as a correspondent for The Guardian in Beijing he has discovered it is not only foolish little boys who dread a planet shaking leap by the world's most populous nation When a Billion Chinese Jump is a road journey into the future of our species Traveling from the mountains of Tibet to the deserts of Inner Mongolia via the Silk Road tiger farms cancer villages weather modifying bases and eco cities Watts chronicles the environmental impact of economic growth with a series of gripping stories from the country on the front line of global development He talks to nomads and philosophers entrepreneurs and scientists rural farmers and urban consumers examining how individuals are trying to adapt to one of the most spectacular bursts of change in human history then poses a question that will affect all of our lives Can China find a new way forward or is this giant nation doomed to magnify the mistakes that have already taken humanity to the brink of disaster

A Short History of the Silk Road Jonathan Clements, 2014-01-14 The Silk Road is not a place but a journey a route from the edges of the Mediterranean to the central plains of China through high mountains and inhospitable deserts For thousands of years its history has been a traveller's history of brief encounters in desert towns snowbound passes and nameless forts It was the conduit that first brought Buddhism Christianity and Islam into China and the site of much of the Great Game between 19th century empires Today its central section encompasses several former Soviet republics and the Chinese Autonomous Region of Xinjiang The ancient trade route controversially crosses the sites of several forgotten kingdoms buried in sand and only now revealing their secrets An Armchair Traveller's History of the Silk Road not only offers the reader a chronological outline of the region's development but also provides an invaluable introduction to its languages

literature and arts It takes a comprehensive and illuminating look at the rich history of this dynamic and littleknown region and provides an easy to use reference source Clements pays particular attention to the fascinating historical sites which feature on any visitor s itinerary and special emphasis is also given to the writings and reactions of travellers through the centuries

The Silk Road Frances Wood,2002 This gorgeously illustrated oversized book brings the history and

cultures of the Silk Road alive from its beginnings to the present day covering more than 5000 years Hope for Animals and Their World Jane Goodall, Thane Maynard, 2009-08-14 From world renowned scientist Jane Goodall as seen in the new National Geographic documentary Jane comes an inspiring message about the future of the animal kingdom With the insatiable curiosity and conversational prose that have made her a bestselling author Goodall along with Cincinnati Zoo Director Thane Maynard shares fascinating survival stories about the American Crocodile the California Condor the Black Footed Ferret and more all formerly endangered species and species once on the verge of extinction whose populations are now being regenerated Interweaving her own first hand experiences in the field with the compelling research of premier scientists Goodall illuminates the heroic efforts of dedicated environmentalists and the truly critical need to protect the habitats of these beloved species At once a celebration of the animal kingdom and a passionate call to arms Hope For Animals Their World presents an uplifting hopeful message for the future of animal human coexistence Praise for Hope For Animals Their World Goodall's intimate writing style and sense of wonder pull the reader into each account The mix of personal and scientific makes for a compelling read Booklist These accounts of conservation success are inspirational Publishers Weekly **Strolling About on the Roof of the World** Susan Farrington, Hugh Leach, 2003-08-29 This volume covers the first one hundred years of the Royal Society for Asian Affairs formerly the Royal Central Asian Society It traces its fons et origo in the Central Asian Question within the context of the Great Game and continues its fascinating chronology through the two World Wars to the present day There are separate chapters on its widely drawn membership variety of activities and archive collection Throughout the pages are glimpses and vignettes of some of its extraordinary even eccentric members and their astonishing adventures The wealth of factual and often amusing detail makes it a very lively account which is also valuable as a work of reference for all interested in Asia The book is generously illustrated and includes some of the Society's unique archival photographs not previously published **Historical Dictionary of Mongolia** Alan J.K. Sanders, 2017-08-25 This fourth edition of Historical Dictionary of Mongolia covers the people and organizations that brought Mongolia from revolution and oppression to independence and democracy and its current unprecedented level of national wealth and international growth This is done through a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 200 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Mongolia **Wild West China** Christian Tyler, 2004 Closed to the world for half a century like a black hole in the Asian landmass the wilderness of Xinjiang in northwest China is returning to the light The picture it presents is both fascinating and disturbing Despite a savage landscape and climate Xinjiang has a rich past sand buried cities painted cave shrines rare creatures and wonderfully preserved mummies of European appearance Their descendants the Uighurs still farm the tranquil oases that ring the dreaded Taklamakan the world's second largest sand desert and the Kazakh and Kirghiz herdsman still

roam the mountains The region's history however has been punctuated by violence usually provoked by ambitious outsiders nomad chieftains from the north Muslim emirs from Central Asia Russian generals or warlords from inner China The Chinese regard the far west as a barbarian land Only in the 1760s did they subdue it and even then their rule was repeatedly broken Compared with the Russians conquest of Siberia or the Americans trek west China's colonization of Xinjiang has been late and difficult The Communists have done most to develop it as a penal colony as a buffer against invasion and as a supplier of raw materials and living space for an overpopulated country But what China sees as its property the Uighurs regard as theft by an alien occupier Tension has led to violence and savage reprisals This portrait of Xinjiang should be essential reading for travelers and for anyone interested in today's China and the fate of minority peoples [Travel and Ethics](#) Corinne Fowler, Charles Forsdick, Ludmilla Kostova, 2013-12-13

Despite the recent increase in scholarly activity regarding travel writing and the accompanying proliferation of publications relating to the form its ethical dimensions have yet to be theorized with sufficient rigour Drawing from the disciplines of anthropology linguistics literary studies and modern languages the contributors in this volume apply themselves to a number of key theoretical questions pertaining to travel writing and ethics ranging from travel as commoditization to encounters with minority languages under threat Taken collectively the essays assess key critical legacies from parallel disciplines to the debate so far such as anthropological theory and postcolonial criticism Also considered and of equal significance are the ethical implications of the form's parallel genres of writing such as ethnography and journalism As some of the contributors argue innovations in these genres have important implications for the act of theorizing travel writing itself and the mode and spirit in which it continues to be conducted In the light of such innovations how might ethical theory maintain its critical edge [Eurasian Crossroads](#) James A. Millward, 2007

Presents a comprehensive study of the central Asian region of Xinjiang's history and people from antiquity to the present Discusses Xinjiang's rich environmental cultural and ethno political heritage [Eurasian Crossroads](#) James Millward, 2021-12-07

Since antiquity the vast Central Eurasian region of Xinjiang or Eastern Turkestan has stood at the crossroads of China India the Middle East and Europe playing a pivotal role in the social cultural and political histories of Asia and the world Today it comprises one sixth of the territory of the People's Republic of China and borders India Pakistan Afghanistan Tajikistan Kyrgyzstan Kazakhstan Russia and Mongolia Eurasian Crossroads is an engaging and comprehensive account of Xinjiang's history and people from earliest times to the present day Drawing on primary sources in several Asian and European languages James A Millward surveys Xinjiang's rich environmental and cultural heritage as well as its historical and contemporary geopolitical significance Xinjiang was once the hub of the Silk Road and the conduit through which Buddhism Christianity and Islam entered China It was also a fulcrum where Sinic steppe nomadic Tibetan and Islamic imperial realms engaged and struggled In the twentieth and twenty first centuries the Han dominated Chinese Communist Party has failed to include Xinjiang's diverse indigenous Central Asian peoples Its nationalistic visions have spurred domestic

troubles that now affect the PRC's foreign affairs and global ambitions. This revised and updated edition features new empirically grounded and balanced analysis of the latest developments in the region focusing on the circumstances of the Uyghurs, Kazakhs and other Xinjiang peoples in the face of policies implemented by the Chinese Communist Party.
