*Gertrude Jekyll's Lost Garden* Rosamund Wallinger,2000 Fascinating account of the faithful restoration of a Gertrude Jekyll Garden working to the original plans Filled with practical advice      Gardens of the Arts and Crafts Movement Judith B. Tankard,2018-11-27 The ever alluring Arts and Crafts garden is profoundly relevant to our 21st century needs Sam Watters author of *Gardens for a Beautiful America* In *Gardens of the Arts and Crafts Movement* landscape scholar Judith B Tankard surveys the inspirations characteristics and development of garden design during this iconic movement Tankard presents a selection of houses and gardens of the era from Great Britain and North America With almost 300 illustrations and photographs and an emphasis on the diversity of designers who helped forge the movement *Gardens of the Arts and Crafts Movement* is an essential resource for this truly distinct approach to garden design      **The Lost Gardens** Anthony Eglin,2007-04-01 Hidden within the derelict gardens of abandoned Wickersham Priory a deadly secret is waiting But when an unsuspecting young Californian named Jamie Gibson finds herself the new owner of the estate through a surprise bequest from a total stranger the secret begins to stir Jamie fired with enthusiasm to restore the gardens to their 1930s glory seeks the help of Lawrence Kingston a retired professor of botany eccentric bon viveur and amateur sleuth Lawrence soon unearths an old chapel which leads to an ancient Healing Well which in turn yields a human skeleton And as the police pursue their inquiries Kingston begins his own investigation following a baffling trail of clues that wind down through the centuries from the battlegrounds of World War II to the depths of the Middle Ages It is a trail marked by misadventure revenge compassion and murder when finally Kingston unlocks the secret of Wickersham Priory he and Jamie must confront a reckoning that neither of them could have ever imagined As with the highly acclaimed *The Blue Rose* Eglin brings his botanical and literary skill to this new mystery      Gardens of Eden ,2010-04-01 Beautiful gardens can steal your breath and feed your soul *Gardens of Eden* brings together more than fifty of the world s most beautiful gardens Spanning time and continents this book visits the glorious paradise gardens of ancient Persia the restrained gardens of Italy and the Buddhist inspired landscapes of China and Japan Illustrated by more than 500 photographs this tour takes in such gardens as Les Jardins du Paradis in Cordes sur Ciel France Nooroo in Australia s Blue Mountains Villa Lante in Tuscany Italy the greatest and most perfect example of High Renaissance art and gardening and the ancient gardens of Kyoto Japan It also surveys gardens in which some of the world s greatest writers found inspiration such as Vita Sackville West s Sissinghurst in Kent and where politicians found solace such as George Washington s Mount Vernon Estate      **Secret Gardens of Somerset** Abigail Willis,2025-04-08 *Secret Gardens of Somerset* offers a personal tour of 20 of the UK s most beguiling gardens in this much loved area of southern England defined by its distinctive horticulture rolling hills picturesque villages and traditional English landscape Abigail Willis and Clive Bournsnel give you privileged access to 20 gardens from a highly productive

working flower farm to very personal private retreats revealing their history design and plant collections in the company of their devoted owners and head gardeners In the footsteps of artists and trend setters from Victorian designers such as Harold Peto to planting visionary Gertrude Jekyll as well as contemporary pioneer Piet Oudolf we find a series of stunning country gardens of different sizes and atmospheres Explore the bountiful snowdrops of East Lambrook Manor the naturalistic Oudolf Field at Hauser Wirth and get an insider's view of the World's Best Boutique Hotel The Newt This is a celebration of rich landscapes exemplary gardens and the owners who shaped them a secret glimpse into Somerset's most beautiful spaces Now in paperback The gardens The American Museum and Gardens Barley Wood Walled Garden Batcombe House The Bishop's Palace Common Farm Cothay Manor East Lambrook Manor Elworthy Cottage Forest Lodge Greencombe Gardens Hauser Wirth Somerset Hestercombe Iford Manor Kilver Court Midney Gardens Milton Lodge gardens The Newt in Somerset Stoberry House Westbrook House and Yeo Valley Organic Garden      **The Lost Gardens Of Heligan** Tim Smit,2019-03-07 The glorious No 1 bestseller Until the First World War the estate gardens at Heligan were one of the glories of Cornwall Thereafter through growing neglect they slipped gradually to sleep This is the amazing story of their rediscovery and restoration or the Victorian vision and ingenuity which first created that subtropical paradise and of the modern obsession and improvisation which recreated it      *First Ladies of Gardening* Heidi Howcroft,2015-03-05 The English Garden is the universal measure of all things related to garden design It is in the UK that the great garden designers live and work and where a major gardening movement has developed over the last few decades influencing the rest of the world with its ideas and vision This book introduces the grandes dames of contemporary English garden design and includes the great names of the garden world which have emerged since the 1950s from Vita Sackville West and Beth Chatto to Beatrix Havergal It also presents outstanding women gardeners of the present day who have likewise had a substantial influence on the development of contemporary garden design Heidi Howcroft has discovered these women's gardening secrets and writes sensitively and informatively about the individual women and their influence on the English country garden The individual gardens charm and design are captured in photos by Marianne Majerus      The History of Landscape Design in 100 Gardens Linda A. Chisholm,2018-07-10 Rich with photographs and descriptions of how landscape design has shaped and reflected culture over time The American Gardener The History of Landscape Design in 100 Gardens explores the defining moments in garden design Through profiles of 100 of the most influential gardens Linda Chisholm explores how social political and economic influences shaped garden design principles The book is organized chronologically and by theme starting with the medieval garden Alhambra and ending with the modern naturalism of the Lurie Garden Sumptuously illustrated The History of Landscape Design in 100 Gardens is a comprehensive resource for garden designers and landscape architects design students and garden history enthusiasts      **Gardens and Landscapes in Historic Building Conservation** Marion Harney,2014-04-03 This comprehensive guide on historic garden and landscape conservation will help landscape

*The Garden* ,2005      **Public Garden Management: a Global Perspective** BIJAN DEHGAN,2014-04-15 Public Gardens Management A Global Perspective provides essential information about public gardens and what is involved in designing managing and maintaining one Although suitable as a textbook its audience will include anyone with direct or peripheral responsibility for administration or supervision of a complex organization that requires scientific knowledge as well as public relations and business acumen It may also prove useful for homeowners for there is no fundamental difference between growing plants in a public garden or a home garden a fact reflected in the extensive reference citations The topic is multidisciplinary and as old as the beginning of human civilization when the concept of mental and physical restoration was realized by early man while he she was in a natural but well ordered garden environment Thus began the art of garden making Many volumes have been written on every applicable subject discussed in this and similar publications Indeed the voluminous literature on history design horticulture and numerous related subjects is nothing short of overwhelming Accordingly anyone involved in management of public gardens whether as a director or area supervisor and irrespective of the type and size of such facility would have to have familiarity with various aspects of garden organization and administration However despite the enormous number and diversity of such publications there are very few books that deal with the multiplicity of the topics in such a manner as to be practical in approach and cover most relevant and unified issues in a single book These volumes provide the essential background information on plants animals management maintenance

fundraising and finances as well as history art design education and conservation They also cover a host of interrelated subjects and responsible organization of such activities as creating a childrens garden horticultural therapy conservatories zoological gardens and parks hence administration of multidimensional public gardens Nearly 500 full color plates representing illustrations from gardens in more than 30 countries are provided to assist and guide students and other interested individuals with history and the fundamental issues of public garden management The 15 chapters begin with the need for public gardens types of public gardens historical backgrounds as well as design diversity Numerous quotations are included from many garden lovers landscape architects philosophers and others The authors primary aim in writing this book was based on the confidence that a relevant reference between the encyclopedic nature of some and the specific subject matter of others could be used to provide fundamental information for management of public as well as private gardens The boundary between botanical and zoological gardens and parks is no longer as distinct as it once was In part it is because a garden is not a garden without plants and in part it has become apparent that for all practical intents and purposes all animals need plants for their survival Visitors of zoological gardens expect to see more than just animals zoos are landscaped grounds Moreover most communities find it financially difficult to simultaneously operate a botanical garden or an arboretum as well as a zoological garden and city parks A number of public gardens are currently referred to as botanical and zoological garden Population density and the publics desires and expectations as well as financial requirements are among the reasons for some major city parks such as Golden Gate in San Francisco Central Park in New York City and Lincoln Park in Chicago which integrate botanical or zoological divisions as well as museums and recreational facilities While this book attempts to provide basic principles involved in public garden management it does not claim to be a substitute for broader familiarity

The History of Gardens Christopher Thacker,1985-10-22 Christopher Thacker tells the history of gardens from their origins in the natural paradises of Greek myth to the present day Studying individual gardens or garden topics which are representative of an age or region he builds up a comprehensive survey of the gardens and garden theories of an era
