Following the destruction of the City of Glass through an explosion of sonorics huge numbers of refugees have descended upon the Chevakian capital Tiverius The refugees are mostly members of the rebel group Brotherhood of the Light supporters of the old royal family They are injured scared and hungry and few speak Chevakian The young Queen Jevaithi and her lover Isandor are amongst them safe from the Eagle Knights for now Young Eagle Knight Carro is waiting in an old farmhouse with his fellow Knights for the order to invade the camp capture the Queen and deliver her back to his father where she will continue to live as imprisoned puppet for the Knights tyranny The Chevakians know none of this and struggle to contain the refugee population and the dangerous sonorics contamination the people have brought from their ravaged country contamination that defies Chevakian efforts to contain it and is getting worse not better In their struggle for power the Brotherhood and the Knights disturbed something from an ancient and magic civilisation The sorcerer Tandor knows what happened but he is on death row in a Chevakian jail The southern woman Loriane is aware of the things that are required but she is amongst Chevakians who can't understand her The Chevakian proctor Sadorius han Chevonian could put the pieces of the puzzle together but he is struggling to keep the peace and besides Chevakians don't believe in magic Meanwhile the massive and malevolent sonorics cloud drifts towards the city hungry for revenge For people who like their fantasy dark and gritty Think Joe Abercrombie Karen Miller Robin Hobb George R R Martin dark fantasy steampunk post apocalyptic magic sorcery epic fantasy knights eagles bears dragons [Imagined Frontiers](#) Carl Abbott,2015-09-10 We live near the edge whether in a settlement at the core of the Rockies a gated community tucked into the wilds of the Santa Monica Mountains a silicon culture emerging in the suburbs or in the future homesteading on a terraformed Mars In [Imagined Frontiers](#) urban historian and popular culture scholar Carl Abbott looks at the work of American artists who have used novels film television maps and occasionally even performance art to explore these frontiers the metropolitan frontier of suburban development the classic continental frontier of American settlement and the yet unrealized frontiers beyond Earth Focusing on writers and artists working during the past half century an era of global economic and social reach Abbott describes the dialogue between historians and social scientists seeking to understand these frontier places and the artists reimagining them in written and visual fictions This book offers perspectives on such well known authors as T C Boyle and John Updike and on such familiar movies and television shows as Falling Down and The Sopranos By putting The Rockford Files and the cult favorite Firefly in conversation with popular fiction writers Robert Heinlein and Stephen King and literary novelists Peter Matthiessen and Leslie Marmon Silko Abbott interweaves the disparate subjects of western history urban planning and science fiction in a single volume Abbott combines all new essays with others previously published but substantially revised to integrate western and urban history literary analysis and American studies scholarship in a uniquely compelling analysis of the frontier in popular culture **Religion and Science Fiction** James H. Thrall,2024-05-17 Religion and Science Fiction An Introduction guides students into deeper understanding of how religion and science fiction engage

often overlapping questions This textbook introduces key ideas of religious studies through critical consideration of print and visual media that fall within the general category of science fiction The goal throughout is to help students move beyond simply identifying points of interrelation between religious studies and forms of what is often called more broadly speculative fiction to considering how the studied texts open new ways of thinking about human and nonhuman experience taken to be religious With discussion questions lists of key terms extensive additional resources and suggestions for projects and essay questions this book is a foundational text for students and instructors of religion and science fiction

Frontiers Past and Future Carl Abbott, 2006 Abbott offers a fruitful new way to read science fiction one that also greatly enriches our understanding of western history and its impact on our collective imagination Detailing the overlap of science fiction and western fiction especially relating to their mutual interest in and concerns about frontier expansionism he reveals an unsuspected common ground that informs the writings of both camps Reviewing the work of many Hugo and Nebula Award winners as well as drawing upon popular film and television series like the Buck Rogers serials Abbott's study journeys across the far reaches of science fiction's universe

Icefire Trilogy Omnibus Patty Jansen, 2014-01-01 All three volumes of the dark fantasy trilogy in one book Love the writing characters and story Kevin Anderson Where magic is dark and gritty characters troubled and twisted and victory comes at a heavy price Deep under the City of Glass in the frozen southern land an age old machine radiates a power which locals call icefire Most citizens are immune to it but a few always born with physical disabilities can bend it to their will For fifty years the ruling Eagle Knights who fly on the backs of giant birds have killed these Imperfects fearing the return of the old royal family who used icefire to perform evil magic Across the border in steam age science focused Chevakia people have built barriers to protect themselves from the radiation which kills them Chevakia also harbours the old southern royal family s only surviving members and they are planning their return to power taking both countries to the first war in fifty years If you like the dark and twisted characters of George R R Martin Joe Abercrombie or Robin Hobb why not try the Icefire Trilogy today

Science Fiction and the Two Cultures Gary Westfahl, George Slusser, 2009-06-01 Essays in this volume demonstrate how science fiction can serve as a bridge between the sciences and the humanities The essays show how early writers like Dante and Mary Shelley revealed a gradual shift toward a genuine understanding of science how H G Wells first showed the possibilities of combining scientific and humanistic perspectives how writers influenced by Gernsback s ideas like Isaac Asimov illustrated the ways that literature could interact with science and assist in its progress and how more recent writers offer critiques of science and its practitioners

Dust & Rain (book 2 Icefire Trilogy) Patty Jansen, 2011-12-01 Do make sure to read book 1 first It s free Fifteen years ago a brilliant scientist built a barrier against the dangerous power that radiates from the City of Glass in the southern land allowing the citizens of Chevakia to live without fear of their lives Since then the democracy of Chevakia has prospered with free thinking scientists developing steam power and the beginnings of electricity But the power which they call sonorics controls the weather in Chevakia Senator Sadorius han Chevonian is the country s chief meteorologist While taking measurements for his job he is the first to notice a rapid rise of sonorics levels out of season The senate is locked in trivial debate and to make them listen he has to take a step he never thought to make After the huge explosion of the machine they call the Heart of the City Loriane has fled the southern land with the sorcerer Tandor who hovers in and out of consciousness But while Tandor isn t speaking she cannot confirm her fears that he caused the explosion and that the child she carries has something to do with his twisted plans to seize power from the Eagle Knights who rule the City of Glass Just before the explosion southern queen Jevaithi fled into Chevakia with her young lover Isador While they think they re free of the tyranny of the Eagle Knights it soon becomes clear something very bad has happened in the City of Glass soon after their escape Something so bad that it sends waves of sonorics into Chevakia causing even the Chevakians to flee Several streams of refugees are heading for the Chevakian capital Southerners by train Chevakians by road into a city that is tragically unprepared a country in turmoil with a leader whose support hangs by the merest thread For people who like their fantasy dark and gritty Think Joe Abercrombie Karen Miller Robin Hobb George R R Martin dark
