Ehrman, 2003-10-02 While most people think that the twenty seven books of the New Testament are the only sacred writings of the early Christians this is not at all the case A companion volume to Bart Ehrman's *Lost Christianities* this book offers an anthology of up to date and readable translations of many non canonical writings from the first centuries after Christ texts that have been for the most part lost or neglected for almost two millennia Here is an array of remarkably varied writings from early Christian groups whose visions of Jesus differ dramatically from our contemporary understanding Readers will find Gospels supposedly authored by the apostle Philip James the brother of Jesus Mary Magdalen and others There are Acts originally ascribed to John and to Thecla Paul's female companion there are Epistles allegedly written by Paul to the Roman philosopher Seneca And there is an apocalypse by Simon Peter that offers a guided tour of the afterlife both the glorious ecstasies of the saints and the horrendous torments of the damned and an Epistle by

Titus a companion of Paul which argues page after page against sexual love even within marriage on the grounds that physical intimacy leads to damnation In all the anthology includes fifteen Gospels five non canonical Acts of the Apostles thirteen Epistles a number of Apocalypses and Secret Books and several Canon lists Ehrman has included a general introduction plus brief introductions to each piece This important anthology gives readers a vivid picture of the range of beliefs that battled each other in the first centuries of the Christian era     *Lost Books of the Bible: the New Testament Apocrypha* Charles River Charles River Editors,2013-11-27 Includes famous artwork depicting Jesus Saints and more Discusses the most well known Lost Books of The Bible including what is discussed in them and their relation to canonical texts Discusses historians theories as to who wrote these books where they were written and when Includes a Bibliography for further reading The Bible is the most famous book in the world read by a countless number of Christians and others over the centuries Even those who aren t Christian or remotely religious can rattle off Matthew Mark Luke and John as the first four gospels of the New Testament and books like Genesis and Exodus include some of the most famous stories in human history Of course the Bible is composed of dozens of different texts that collectively combined to form it and the process of establishing which texts were canonical and included in the Bible took centuries of fierce debate among early Christians Even today not every branch of the Christian church agrees on which writings should be regarded as canonical and which are apocryphal even though some apocryphal texts often have noticeable links with books regarded as canonical It was only in the late 4th century A D that a proposed list of texts for the Bible was even put forward The New Testament Apocrypha refers to texts written by early Christians that were not included in the Bible used by the main branches of Christianity today These texts vary in subject matter with some being accounts of Jesus others being about the nature of God and still others being accounts and teachings of Jesus apostles What makes them fascinating is not just the history behind why they are considered non canonical but what they tell us about the early Church and early Christianity Moreover they offer insight into what sources were used to write them and whether they shared the same sources as the texts that comprise the Bible today Given their historical and religious importance there is still a fierce debate over the authenticity of many of these texts Lost Books of The Bible The New Testament Apocrypha explores the history behind the non canonical texts analyzes the subject matter contained within them and looks at the debates over these texts both then and now Along with classic artwork of Jesus and more you will learn about the Lost Books of The Bible like you never have before in no time at all     **The Lost Books of the Bible** William Hone,2016-11-03 Collects the lost books of the Bible sharing stories of Jesus as a child discussing other miracles of Mary and other tales not included in the New Testament     **The Lost Books of the Bible a.k.a, The Apocryphal New Testament** William Hone,2007-04-01 This compilation of the lost books of the Bible is essential reading for anyone interested in biblical history and theology These non canonical scriptures deemed inappropriate and contradictory by early Church councils provide telling details into the early lives of Mary and Jesus adding surprising depth to the figures
