## **Lost Railways Of Dorset:**

**Lost Railways of Dorset** Leslie Oppitz, 2001 Traces the history of the county's railway lines from their opening in the 19th century their heyday around the turn of the century and in many cases their closure in the 20th century Dorset's Lost Railways Peter Dale, 2001 Here is another in our series of Lost Railways titles which we intend will soon cover all of the counties of Britain Featured are more than 50 very rare period photographs the stations and railways which used to bustle with steam locomotives arriving from all over England carrying hoards of tourists Featured are photographs of Weymouth Verwood Lyme Regis Swanage Abbotsbury Bridport and many other locations Lost Railway Journeys from Around the World Anthony Lambert, 2018-11-13 From the great cathedral like railways stations of the steam age to obscure lines built through spectacular landscapes to open up countries before the advent of motorised road transport this book is a celebration of our lost railway heritage and the lines that can no longer be travelled Through stunning images Lost Railway Journeys from Around the World evokes the romance and drama of these journeys taking the reader as close as they can possibly get to this lost world of dining cars sleeping cars station porters and international rail travel Organised by continent all of these routes have stories to tell and the lost journeys are captured in the old postcards and posters that accompany photographs drawn from collections and archives across the world **Tracing Lost Railways** Trevor Yorke, 2020-03-19 The drastic railway closures of the 1960s led to the slow decay and repurposing of hundreds of miles of railway infrastructure Though these buildings and apparatus are now ghosts of their former selves countless clues to our railway heritage still remain in the form of embankments cuttings tunnels converted or tumbledown wayside buildings and old railway furniture such as signal posts Many disused routes are preserved in the form of cycle tracks and footpaths This colourfully illustrated book helps you to decipher the fascinating features that remain today and to understand their original functions demonstrating how old routes can be traced on maps outlining their permanent stamp on the landscape and teaching you how to form a mental picture of a line in its heyday The Trains Now Departed Michael Williams, 2015-05-07 SOMETIMES you come across a lofty railway viaduct marooned in the middle of a remote country landscape Or a crumbling platform from some once bustling junction buried under the buddleia If you are lucky you might be able to follow some rusting tracks or explore an old tunnel leading to well who knows where Listen hard Is that the wind in the undergrowth Or the spectre of a train from a golden era of the past panting up the embankment These are the ghosts of The Trains Now Departed They are the railway lines and services that ran on them that have disappeared and gone forever Our lost legacy includes lines prematurely axed often with a gripping and colourful tale of their own as well as marvels of locomotive engineering sent to the scrapyard and grand termini felled by the wrecker's ball Then there are the lost delights of train travel such as haute cuisine in the dining car the grand expresses with their evocative names and continental boat trains to romantic far off places The Trains Now Departed tells the stories of some of the most fascinating lost trains of Britain vividly evoking the glories of a bygone age In his

personal odyssey around Britain Michael Williams tells the tales of the pioneers who built the tracks the yarns of the men and women who operated them and the colourful trains that ran on them It is a journey into the soul of our railways summoning up a magic which although mired in time is fortunately not lost for ever THIS EDITION REVISED AND UPDATED TO INCLUDE MAPS     **The Railway Magazine** ,1907     *A Bibliography of British Railway History* ,1988     **Locomotives and Railways** ,1900     November 1857 bis Februar 1858 Kenji Mori,Rolf Hecker,Izumi Omura,Atsushi Tamaoka,2017-11-07
