Golden,2021-12-06 Frederick Douglass and the Philosophy of Religion An Interpretation of Narrative Art and the Political addresses Douglass s narrative method and the reformed epistemology of analytic theism within the context of Incarnational theology Timothy J Golden argues that in this context Douglass s use of narrative maintains a robust moral social and political engagement and thus a closer connection to an authentic Christian theology in a way that analytic theism does not To show this contrast Golden presents existential and phenomenological interpretations of Douglass reading him alongside Kierkegaard Kafka and Levinas Golden concludes the book with reflection on how Douglass s Incarnational theology connects to his future philosophical and theological work which understands consciousness subjectivity as saturated in time understood as history Golden argues that the resulting view of consciousness helps to overcome abstraction in a variety of philosophical subfields including jurisprudence and gender studies Trouble in Paradise Portia MacIntosh,2024-01-04 The ultimate enemies to lovers fake dating summer romance from MILLION COPY BESTSELLER Portia MacIntosh Lara and Sonny are sworn enemies As rival showbiz journalists they are always out to get one up on each other whether being the first to scoop the latest celebrity gossip or sabotaging a potential lead So when their bosses ask them to join forces and go undercover at an exclusive celebrity retreat they can t think of anything worse except that they are going to need to pretend to be in couples therapy to blend in Being on a tropical island for work would be most people s idea of heaven but for Lara and Sonny it s hell Can a week of sun sea and uncovering showbiz secrets together chip
