Out Of Africa And Shadows On The Grass:

Out of Africa Isak Dinesen, 2011-05-18 With classic simplicity and a painter's feeling for atmosphere and detail Isak Dinesen tells of the years she spent from 1914 to 1931 managing a coffee plantation in Kenya

Out of Africa Isak Dinesen, 1992-09-05 Selected by the Modern Library as one of the 100 best nonfiction books of all time In this book the author of *Seven Gothic Tales* gives a true account of her life on her plantation in Kenya She tells with classic simplicity of the ways of the country and the natives of the beauty of the Ngong Hills and coffee trees in blossom of her guests from the Prince of Wales to Knudsen the old charcoal burner who visited her of primitive festivals of big game that were her near neighbors lions rhinos elephants zebras buffaloes and of Lulu the little gazelle who came to live with her unbelievably ladylike and beautiful The Random House colophon made its debut in February 1927 on the cover of a little pamphlet called *Announcement Number One* Bennett Cerf and Donald Klopfer the company's founders had acquired the Modern Library from publishers Boni and Liveright two years earlier One day their friend the illustrator Rockwell Kent stopped by their office Cerf later recalled Rockwell was sitting at my desk facing Donald and we were talking about doing a few books on the side when suddenly I got an inspiration and said I've got the name for our publishing house We just said we were going to publish a few books on the side at random Let's call it Random House Donald liked the idea and Rockwell Kent said That's a great name I'll draw your trademark So sitting at my desk he took a piece of paper and in five minutes drew Random House which has been our colophon ever since Throughout the years the mission of Random House has remained consistent to publish books of the highest quality at random We are proud to continue this tradition today This edition is set from the first American edition of 1937 and commemorates the seventy fifth anniversary of Random House

Reciprocities in the Nonfiction Novel John Russell,2000 Nonfiction novels have usually been associated with the new journalism writers of the 1960s such as Tom Wolfe Norman Mailer and Truman Capote Yet this form has long commanded a key position in the literary canon as John Russell now reveals Russell identifies eleven major works not usually thought of as nonfiction novels such as Isak Dinesen's Out of Africa and E E Cummings's The Enormous Room to create a new definition of the genre He shows that journalistic writing is characterized by a reporter's proprietary stance which undermines reciprocity with subjects while true nonfiction novels feature greater reciprocity and also employ such techniques as circular narrative and bricolage Reciprocities in the Nonfiction Novel contributes to ongoing explorations of literary forms and offers wise commentary on how writing about real life can become art

Shadows on the Grass Isak Dinesen,Karen Blixen,1990-10-25 Isak Dinesen takes up the absorbing story of her life in Kenya begun in the unforgettable Out of Africa which she published under the name of Karen Blixen With warmth and humanity these four stories illuminate her love both for the African people their dignity and traditions and for the beauty and wildness of the landscape The first three were written in the 1950s and the last Echoes from the Hills was written especially for this volume in the summer of 1960 when the author was in her seventies In all they provide a moving final chapter to her African reminiscences

Food and Foodways in African Narratives Jonathan Highfield,2017-04-07 Food is a defining feature in every culture Despite its very basic purpose of sustaining life it directly impacts the community culture and heritage in every region around the globe in countless seen and unseen ways including the literature and narratives of each region Across the African continent food and foodways which refer to the ways that humans consume produce and experience food were influenced by slavery and

forced labor colonization foreign aid and the anxieties prompted by these encounters all of which can be traced through the ways food is seen in narratives by African and colonial storytellers The African continent is home to thousands of cultures but nearly every one has experienced alteration of its foodways because of slavery transcontinental trade and colonization Food and Foodways in African Narratives Community Culture and Heritage takes a careful look at these alterations as seen through African narratives throughout various cultures and spanning centuries *Ngũgĩ Wa Thiong'o* Charles Cantalupo,1995 In 1994 over 200 students from Universities world wide gathered in celebration of the work of Ngugi wa Thiong o The best papers and discussions are collected here Women's Art of the British Empire Mary Ellen Snodgrass,2019-11-11 The spread of the British Empire around the globe made vast changes in the relationship of peoples to places Because the logistics of colonization varied countries passed in and out of the empire some rapidly and others slower or by degrees Multiculturalism broadened the world s ability to read the English language and understand and adopt England s ethics and morals Into the early twentieth century the posting of the British army and navy and the establishment of English style embassies and police forces in remote colonies freed single travelers especially women and children of the fear of violence or kidnap As a result girls and women found outlets for creativity by exploring unfamiliar lands In *Women s Art of the British Empire* Mary Ellen Snodgrass provides an overview of multiracial arts and crafts from Great Britain s Empire Drawing upon primary sources this volume encompasses a wide variety of artistic accomplishment such as sewing and quilting basketry and weaving songwriting and dancing diaries memoirs editorials and speeches Each entry includes a comprehensive bibliography of primary and secondary sources as well as further readings on the female artists and their respective crafts With its informative entries and extensive examinations of artistic talent *Women s Art of the British Empire* is a valuable resource for students scholars and anyone interested in learning about the history of women and their artistic contributions The Creative Dialectic in Karen Blixen's Essays Marianne T. Stecher,2014-03-06 This new study addresses the provocative essays of Karen Blixen Isak Dinesen an iconic figure in Scandinavia and the Anglo American world Celebrated for her literary tales Karen Blixen s essays offer sagacious reflections on three significant challenges of the twentieth century feminism Nazism and colonialism Karen Blixen 1885 1962 contributed to topical debates in Denmark particularly during the 1950s when her distinct voice on Danish radio became familiar to a nation of listeners Some of her lectures radio addresses and newspaper chronicles were later published as essays and now constitute a distinct genre within her work In this study Blixen s most important essays are critically examined for the first time The book demonstrates that a creative dialectic informs these essays an interplay of complementary opposites that Blixen sees as fundamental to human life and artistic creativity Whether exploring questions of gender and the status of the feminist movement or the reign of National Socialism in Hitler s Germany or colonial race relations under British rule in East Africa Blixen s observations are insightful witty and surprisingly progressive for an author notable for aristocratic sensibilities Blixen s essays are also framed

by a dialectic method which develops an idea by drawing on opposing viewpoints in order to arrive at an original vantage point The Creative Dialectic of Karen Blixen s Essays builds on archival research historical study literary criticism and theory as well as bilingual readings of Blixen s renowned literary work For the first time in an English translation Karen Blixen s essay Blacks and Whites in Africa 1938 by award winning translator Tiina Nunnally appears in this publication Looking Before and After Alan Jacobs,2008-04-15 In the work of such major theologians as Lesslie Newbigin and Stanley Hauerwas the Christian story is communal and the individual Christian achieves meaning only through participation in this communally recounted narrative While Alan Jacobs acknowledges the importance of the communal story he suggests that something has been neglected in the development of narrative theology the narrative dimension of individual Christian lives Looking Before and After encourages us to ask how individual lives can in a specifically Christian sense be meaningful how we can discern and rightly interpret those meanings and how we might tell our own stories in ways that avoid the dangers of presumption and despair In his typically beautiful writing style Jacobs here reinvigorates narrative theology and demonstrates the power of individual life stories well told and properly understood **Out of Africa** Isak Dinesen,1972 In this book the author of Seven Gothic Tales gives a true account of her life on her plantation in Kenya She tells with classic simplicity of the ways of the country and the natives of the beauty of the Ngong Hills and coffee trees in blossom of her guests from the Prince of Wales to Knudsen the old charcoal burner who visited her of primitive festivals of big game that were her near neighbors lions rhinos elephants zebras buffaloes and of Lulu the little gazelle who came to live with her unbelievably ladylike and beautiful The Random House colophon made its debut in February 1927 on the cover of a little pamphlet called Announcement Number One Bennett Cerf and Donald Klopfer the company s founders had acquired the Modern Library from publishers Boni and Liveright two years earlier One day their friend the illustrator Rockwell Kent stopped by their office Cerf later recalled Rockwell was sitting at my desk facing Donald and we were talking about doing a few books on the side when suddenly I got an inspiration and said I ve got the name for our publishing house We just said we were going to publish a few books on the side at random Let s call it Random House Donald liked the idea and Rockwell Kent said That s a great name I ll draw your trademark So sitting at my desk he took a piece of paper and in five minutes drew Random House which has been our colophon ever since Throughout the years the mission of Random House has remained consistent to publish books of the highest quality at random We are proud to continue this tradition today This edition is set from the first American edition of 1937 and commemorates the seventy fifth anniversary of Random House *Encyclopedia of Motion Picture Sound* Marty McGee,2015-06-08 Ever since 1927 when The Jazz Singer broke the silence of the silver screen sound has played an integral role in the development and appreciation of motion pictures This encyclopedia covers the people processes innovations facilities manufacturers formats and award winning films that have made sound such a crucial part of the motion picture experience Every film that has won a sound related Academy Award is included here with detailed critical commentary Every
