(Washington, D.C.),1997 Children of Incarcerated Parents Marian S. Harris,J. Mark Eddy,2018-10-16 This book highlights the myriad factors that can impact the children of incarcerated parents It is no secret that the United States continues to be the leading nation for the incarceration of men and women and this this large prison population includes approximately 120 000 incarcerated mothers and 1 1 million incarcerated fathers Incarceration of a parent is recognized as an adverse childhood experience an acute or chronic situation that for most people is stressful and potentially traumatic Children of incarcerated parents may experience other adverse childhood experiences such as poverty homelessness parental substance abuse and other mental health problems and family violence The chapters in this book document some of the challenges as well as some promising ways that can help parents and families begin to meet these challenges It is our hope that the compendium of chapters presented in this book will be a resource for practitioners policy makers educators researchers and advocates in their work to ensure that the children of incarcerated parents their caregivers and their mothers and fathers are provided the support they need to address the challenges they face during and after parental incarceration This book was originally published as a special issue of Smith College Studies in Social Work **Defending and Parenting Children**

Who Learn Differently Scott Teel,2007-05-30 Teel incorporates the fascinating story of Nancy Edison s love for her son Thomas who had been labeled unteachable then presents us with the wider array of and issues for children who learn differently We all know Thomas Edison was a genius of seemingly limitless imagination Yet few know he was a failure in elementary school Teel shows us how Edison s mother Nancy guided the boy deemed a dunce by officials even assumed mentally retarded by his father to become one of the greatest inventors of all time Edison s progressive and imaginative teaching methods hold lessons even today for all children who learn differently from conventional methods as well as for the parents and teachers who care about them Teel also explains how parents can negotiate the educational maze created by the Individuals with Disabilities Education Act IDEA and the No Child Left Behind Act NCLB An Individualized Education Program is explained in detail and options such as enlisting the assistance of a professional advocate are also discussed The latest research about current medication therapies and the origins plus potential benefits of ADHD are reviewed A leading professional advocate explains what every parent needs to know about the public school system Other topics addressed

include the effectiveness of home schooling and parental and student rights An extensive list of local and national resources is also offered

Gay Families and the Courts Susan Gluck Mezey,2009-10-16 Susan Gluck Mezey s newest book *Gay Families and the Courts* is a compelling examination of the role of the state and federal courts in furthering the goals of the gay and lesbian community Unlike Mezey s earlier book *Queers in Court* this book evaluates the extent to which litigation is effective in advancing equal rights for gay families families in which at least one member is gay as they seek to expand their opportunities and battle discrimination Mezey shows how the courts address gay and lesbian rights and sexual orientation in schools and social organizations such as the Boy Scouts along with family oriented problems such as marriage and parenthood In doing so Mezey emphasizes the complexity of the issues involved in the cases and assesses the degree to which the outcome of the litigation is explained by the type of case the type of court and the judge s perception of his or her role as a policymaker It is a valuable reference for scholars interested in judicial legislative and executive policymaking at the federal and state level as well as anyone interested in LGBT politics

The Child Welfare Challenge James K. Whittaker,2017-07-12 Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape child welfare practice and its future In addition to describing the major problems facing the field the book highlights service innovations that have been developed in recent years The resulting picture is encouraging especially if certain major program reforms I are implemented and agencies are able to concentrate resources in a focused manner The volume emphasizes families and children whose primary recourse to services has been through publicly funded child welfare agencies The book considers historical areas of service foster care and adoptions in home family centered services child protective services and residential services where social work has an important role Authors address the many fields of practice in which child and family services are provided or that involve substantial numbers of social work programs such as services to adolescent parents child mental health education and juvenile justice agencies This new edition will continue to serve as a fundamen tal introduction for new practitioners as well as summary of recent developments for experienced practitioners

It Takes a Child to Raise a Parent Janis Clark Johnston,2013-04-04 While advice abounds from a variety of sources before parents embark on their parenting journeys the only parent preparation we actually receive comes from our family and peer stories Yet most adults do not realize that in day to day challenges of guiding our children something interesting happens As we steer our children through life we reopen our own childhood roads Just when our child most needs us we become needy ourselves as adults and parents we find that we have unresolved raising issues basic needs that were not met in our childhoods Our needs and memories echo and influence many of the parenting decisions we make even though we re unaware of those influences at times Fortunately children help parents reach their needs as much as their parents help them fulfill their own Our child ends up guiding us by connecting us to some earlier time in our life when we encountered distress We dredge up a lesson and we adapt by adhering to or changing the story that we tell ourselves about

who we are We re negotiate the five basic needs that surface from our childhood memories as our youngsters pass through each of the developmental phases The self aware parent focuses on creative problem solving by focusing on one interaction at a time It Takes a Child to Raise a Parent offers an exploration of how our own childhood memories and needs influence and shape our parenting decisions in our adult lives Offering tips stories from a variety of families and step by step exercises Janis Johnston helps parents better understand and grasp the tools necessary to face parenting challenges head on and to explore new ways of understanding ourselves our children and our family interactions Expectant parents and current parents interested in understanding their own personality development as well as the many moods of childhood and their own children will find clear guidelines for understanding their roles in their children s lives as well as concrete suggestions for how to navigate the choppy waters of raising children

Gullotta, Gary M.

Blau, 2016-12-01 This handbook highlights present day information and evidence based knowledge in the field of children's behavioral health to enable practitioners families and others to choose and implement one of many intervention approaches provided Using a standardized format best practices for the prevention and treatment of many childhood behavioral disorders are identified based on current research sound theory and behavioral trial studies This revision includes an integration of the DSM 5 diagnostic manual and new chapters on childhood psychosis and military families and a thorough updating of the research in the previous edition **Adult Supervision Required** Markella B. Rutherford, 2011-08-03 Adult

Supervision Required considers the contradictory ways in which contemporary American culture has imagined individual autonomy for parents and children In many ways today's parents and children have more freedom than ever before There is widespread respect for children's autonomy as distinct individuals and a broad range of parenting styles are flourishing Yet it may also be fair to say that there is an unprecedented fear of children's and parents freedom Dread about Amber Alerts and stranger danger have put an end to the unsupervised outdoor play enjoyed by earlier generations of suburban kids Similarly fear of bad parenting has not only given rise to a cottage industry of advice books for anxious parents but has also granted state agencies greater power to police the family Using popular parenting advice literature as a springboard for a broader sociological analysis of the American family Markella B Rutherford explores how our increasingly psychological conception of the family might be jeopardizing our appreciation for parents and children's public lives and civil liberties Improving the

Odds for America's Children Kathleen McCartney, Hirokazu Yoshikawa, Laurie B. Forcier, 2014-04-01 This landmark volume commemorates the fortieth anniversary of the Children's Defense Fund which has been an uncompromising champion of American youth for all of those years Yet the book looks not to the past but at our current circumstances and at the challenges we must meet now and in the future on behalf of our young people The book examines critical issues prenatal and infant health and development early child care and education school reform the achievement gap vulnerable children juvenile justice and child poverty and highlights crucial practical and policy measures we need to consider and undertake if we are to better serve American children An invaluable survey of the conditions facing American youth and a call to action at the local state and national levels Improving the Odds for America's Children is an urgent informative and inspired volume that addresses shortcomings and challenges we cannot afford to ignore Contributors include Sara Rosenbaum Partow Zomorrodian Jack P Shonkoff Joan Lombardi Deborah Jewell Sherman Jal Mehta Robert B Schwartz Jerry D Weast Greg J Duncan Richard J Murnane Michael S Wald Jane Waldfogel Robert G Schwartz Laurence Steinberg Arloc Sherman Robert Greenstein Sharon Parrott and Eric Dearing
