**The Real Presence Through the Ages** Michael L. Gaudoin-Parker, 1993-01-01 An anthology of writings which witness to the belief in the real presence of Jesus in the Blessed Sacrament      **Deified Vision: Towards an Anagogical Catholicism** Philip Krill, 2017-09-29 DEIFIED VISION TOWARDS AN ANAGOGICAL CATHOLICISM is an attempt at activating an anagogical imagination It requires of us that we pray for a share in God's own contemplation of the world that we allow our imaginations to get lifted up into His own that we desire to receive through the illumination of His Holy Spirit a participation in His own love and desire for all He has created One author has called this process acquiring an epistemic participation in the Mind of Christ      Dante's Sacred Poem Sheila J. Nayar, 2014-08-28 Arguing that the consecrated body in the Eucharist is one of the central metaphors structuring The Divine Comedy this book is the first comprehensive exploration of the theme of transubstantiation across Dante's epic poem Drawing attention first to the historical and theological tensions inherent in ideas of transubstantiation that rippled through Western culture up to the early fourteenth century Sheila Nayar engages in a Eucharistic reading of both the flesh allusions and metamorphosis motifs that thread through the entirety of Dante's poem From the cannibalistic resonances of the Ugolino episode in the Inferno to the Corpus Christi like procession seminal to Purgatory Nayar demonstrates how these sacrifice and Host related metaphors allusions and tropes lead directly and intentionally to the Comedy's final vision that of the Eucharist itself Arguing that the final revelation in Paradise is analogically the Bread of Life Nayar brings to the fore Christ's centrality as sacrament to The Divine Comedy a reading that is certain to alter current day thinking about Dante's poem      **Encyclopedia of Catholicism** Frank K. Flinn, 2007 Covers the key people movements institutions practices and doctrines of Roman Catholicism from its earliest origins *Resumé*      *The Sacraments* Joseph Martos, 2009-08-01 What are the sacraments really For centuries the religious lives of Catholics and other Christians have revolved around church rituals with generally accepted individual and social effects What precisely are those effects and how are they produced Traditional theology used Greek philosophy to understand the sacraments and how they work But is there no other way to understand them In fact there are a number of ways and this book invites you to look at the sacraments through a variety of lenses psychology sociology anthropology history theology morality and spirituality As the introduction to this volume challenges If you read this book and especially if you engage in the interactive study to which it invites you your understanding of sacraments will be changed forever To help personalize your investigation the author has created a web site with thought provoking questions that encourage you to interact with the ideas being proposed in this volume To engage these topics more deeply see [www TheSacraments.org](http://www.TheSacraments.org)      **Standing Together in the Community of God** Paul Janowiak, 2011 We are here on earth not to guard a museum but to cultivate a garden flourishing with life and promised to a glorious future John XXIII exhorted the Church at the dawn of the Second Vatican Council In an age when some skeptics suggest that the reformed liturgy has lost the wonder and spiritual depth of

previous ages Standing Together in the Community of God affirms that we need not look back the Sacred Mysteries are already in our midst Their wellspring and summit is the heart of God shared in the Trinity's own communion announced now as pure Gift Praising God for God's saving acts in Jesus as Vatican II reminded us we encounter Christ's sacramental presence in four modes in the person of the priest who gathers the community into communion in the elements and actions of the sacraments in the word proclaimed and preached and in the assembly praying and singing SC 7 In rhythm and harmony these modes invite us to encounter the multivalent depth of the Mysteries that announce Christ in you the hope of glory Col 1 27 Together they proclaim the Risen One among us the totus Christus hope for a hungry world Allowing each mode its respect as a bearer of the sacred these focal words and actions in the liturgy echo a communion song that announces Christ's real presence to us and for us and with us Beginning deep within this is a spirituality and piety for the twenty first century ever ancient and ever new
