Translated from the Original Latin .. The Fourth Edition** Emanuel Swedenborg, 1796 **Christ's Directives on the Nature of True Worship** Arthur Hildersham, C. Matthew McMahon, 2019-10-01 Arthur Hildersham 1563 1631 was a shining light in the puritan party and celebrated for his exemplary learning and piety as a minister of Jesus Christ This work is an abridged version of Arthur Hildersham's 1000 page

commentary on the fourth chapter of John It has been prayerfully edited to its current size so that not only will readers have a chance to handle a manageable book on worship by this exemplary puritan but also that they might focus on the most proper teachings by Hildersham concerning Christ's Directives on the Nature of True Worship From John 4 23 24 Hildersham explains what worship is how worship is to be done in spirit and truth how the Father seeks worshippers and for what reason and how God's prescription is eternally relevant in true worship for Christ's New Covenant church Hildersham carefully explains Christ's teaching to the inquiring Samaritan woman on true worship against false worship and he shows how worship should be practically applied under the Messiah's rule Essentially Hildersham is teaching the Regulative Principle of Worship that God alone determines the way sinners are to approach him Yet these are in fact Christ's directives on the theological and practical nature of God's worship This little book is most relevant for the church in our day today In considering what true worship should be as it is prescribed by God Hildersham will call all other forms of false worship as worshipping devils for at the end of the day one must not simply pick what they want to practice in worship and have peace with that but uphold the directives and prescriptions of what God has laid down in his word constituting the worship that is both in spirit and in truth Hildersham will vividly demonstrate from John 4 from Christ's directives that false worship is to be rejected and that no one can have peace with God in idolatry even if they are earnest in it For idolatry is a rejection of worship in spirit and truth This work is not a scan or facsimile has been carefully transcribed by hand being made easy to read in modern English and has an active table of contents for electronic versions **The Kolbrin Bible** Janice Manning, 2006-05 The Kolbrin Bible is a 2 part 11 book secular anthology The first six books are called the Egyptian texts and were penned by Egyptian academicians following the Hebrew Exodus The last five books are called the Celtic texts and were penned by Celtic priests following the death of Jesus Several accounts describe an object in orbit around our sun sun called the Destroyer which the Celtic authors call the Frightener According to recently translated Sumerian texts this object also known as Nibiru or Planet X is in a 3600 year orbit around our sun and The Kolbrin Bible warns us of its imminent return and of yet another Biblical tribulation Amazon com The True Convert. Or an Exposition Vpon the Whole Parable of the Prodigall ... Delivered in Sundry Sermons, Etc Nehemiah ROGERS, 1620 **True Christian Religion; Containing the Universal Theology of the New Church, which was Foretold by the Lord, in Daniel Chap.
