The Witches' Kitchen Allen Williams, 2024-09-24 Deep in the walls of a witches cottage lays an ancient magical kitchen Dangling over that kitchen's cauldron pinched between the fingers of two witches is a toad And the Toad has no idea how she got there and no memory of even her name All she knows is she doesn't think she was always a Toad or that she's ever been here before Determined to recover her memories she sets out on a journey to the oracle and along the way picks up a rag tag team of friends an iron handed imp a carnivorous fairy and a few friendly locals But the Kitchen won't make it easy It is pitch black infinite and impossible to navigate a living maze Hiding in dark corners are beastly starving things Worse yet are the Witches

themselves who have sent a procession of horrific deadly monsters on her trail With some courage and wisdom the Toad just might find herself yet and with that knowledge the power to defeat the mighty Witches Filled with forty stunning pencil illustrations from the author the Witches Kitchen is a rich well imagined fantasy setting unlike any other **The Witches' Kitchen** Cecelia Holland, 2009-10-27 Corban Loosestrife's life changed one clear morning years ago when he returned from hunting to his family steading in Ireland and found it destroyed by Vikings and his father mother and brothers slain But his twin sister Mav was not among the dead and so he knew that she had been taken as a slave Corban set out to find her and redeem her if he could and in doing so became a man Corban found his sister through blood and battle now the property of the sorcerous Lady of Hedeby and pregnant with Eric Bloodaxe's child gotten in rape Corban took his revenge he killed Eric then the King of Jorvik and in doing so he became bound in the net of alliances and blood debt that marked the battles for kingship among the Vikings Upon the death of Eric Bloodaxe Corban Loosestrife and his wife Benna fled into the west with Corban's sister Mav and her son There they made a home for themselves in Vinland hunting fishing raising crops to support themselves and their growing family There they were happy until one day when a ship appeared on the horizon bringing Benna's sister and her husband bringing a summons to Corban to return to Jorvik and intrigues of those who would be King With Corban goes his son Conn and his sister son Raef young men now ready to prove themselves in war Waiting for them in Denmark is Gunnhild King's mother a woman of great power who was Eric's wife Her son Harald Ericsson is now King of Norway and he has become a Christian In Jorvik there is no King just an Archbishop who owes fealty to Harald And in Hedeby there awaits the unquiet spirit of the Lady to whom Corban swore an oath It is a clash of clan against clan and army against army in the coming war of succession while the new power of the Christ strives with the ancient worship of Thor Corban must tread a careful path between those who hate him and those who would be his ally while concealing Raef's true parentage And meanwhile in Vinland the native tribes are eyeing Corban's fortified island and wondering if the strangers can finally be driven away At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Vegan Witchcraft** Corey Lee Wrenn, 2025-08-25 Vegan Witchcraft is the first book to blend theories of animal rights feminism and modern witchcraft in pursuit of total liberation Perhaps the most foundational of all ethics in modern witchcraft is the creed Do no harm Despite this multispecies suffering persists in nonvegan witchcraft Vegan Witchcraft examines this intriguing conflict unpacking the role of Nonhuman Animals in modern witchcraft from a vegan feminist perspective to illuminate inequalities that persist in alternative spiritual practices in the West Recognizing Nonhuman Animals as comrades instead of consumables vegan witchcraft confronts the harm imposed on nature humans and other animals and identifies witchery as a powerful conduit for social change that draws its energy from plant based foods multispecies solidarity and feminine power The book critically analyzes popular witchcraft pathways in Britain and America to interrogate the many ways in which Nonhuman Animals are overlooked objectified or exploited highlighting theological

inconsistencies and missed opportunities that might be overcome to create a stronger practice for women and their communities. It reimagines witchcraft practice and lore to manifest justice and compassion for fellow humans, Nonhuman Animals, and nature. Veganism is advanced as a magical practice of self-care, community responsibility, conscious consumption, societal transformation, and environmental protection. The book calls for the redirection of the modern witch's path toward a just world and away from the systematic symbolic and material exploitation of Nonhuman Animals that permeates witchcraft today. This book will be essential reading for those interested in critical animal studies, animal rights, ecofeminism, vegan religious studies, environmental philosophy, and witchcraft.
