Thim,2012-10-30 The book traces the evolution of the English verb particle construction phrasal verb from Indo European and Germanic up to the present A contrastive survey of the basic semantic and syntactic characteristics of verb particle constructions in the present day Germanic languages shows that the English construction is structurally unremarkable and its analysis as a periphrastic word formation is proposed From a cross linguistic and comparative perspective the Old English prefix verbs are identified as preverbs and the shift towards postposition of the particles is connected to the development of more general patterns of word order The interplay of phonological morphological syntactic and semantic factors in the loss of the native prefixes in the history of English is investigated In this context the question is discussed to what extent the older prefixes were replaced by particles and borrowed prefixes how the characteristic etymological and semantic properties of the Modern English phrasal verbs can be explained and what role they play in the lexicon The author argues that their common perception as particularly English colloquial and informal has its origin in the eighteenth century normative tradition

face2face Advanced Student's Book with DVD-ROM Gillie Cunningham,Jan Bell,Chris Redston,Theresa Clementson,2013-09-26 face2face Second edition is the flexible easy to teach 6 level course A1 to C1 for busy teachers who want to get their adult and young adult learners to communicate with confidence The fully updated and redesigned Advanced Student s Book provides 80 120 hours of material It comes with a free DVD ROM that includes consolidation activities and an
