Reawakening Intuition The Pathway Of The Extraordinary Life:

The Psychic Pathway Sonia Choquette, 2015-07-14 A practical step by step 12 week interactive program that teaches you how to develop the intuitive sense that lies within you and to live in accordance with the soul's purpose by discovering your center of spiritual power The Psychic Pathway refines intuition into a life enhancing tool that can be used every day

The Heart Reconnection Guidebook Joan Borysenko, Holly Cook, Mary Faulkner, Lee McCormick, 2018-11-06 This book is written for all who have suffered heartbreak It is for those troubled by anxiety depression loss grief questioning their self worth caught in addiction or obsessive compulsive behavior and struggling to find meaning While the list is broad in scope it shares a common theme The conditions reflect a broken relationship to the core of your being your own healing heart sacred heart For anyone who has struggled with the not enough not good enough not pretty enough not smart enough not strong enough and the list goes on this book is written with you in mind With 300 years of collective wisdom the path laid out by the authors is well road tested and culled to reflect what has been and continues to be most effective in their own lives and the lives of those they have helped over the years Through thought provoking questions meditations self reflection and creative practices to choose from the book offers a process of gradually uncovering the uniqueness of your own heart and soul This multifaceted approach to healing opens a new path for greater awareness and well being that lasts Complementing the *The Heart Reconnection Guidebook* text is a comprehensive teacher's guide which presents the concept of Heart Reconnection Therapy HRT and walks the therapist or counselor through wellness promoting activities insightful discussions and meditations related to the *The Heart Reconnection Guidebook* text It is an excellent resource for working with individuals and also with groups This book is based on the wisdom tradition rather than therapy in the usual sense as it is based on each participant's self exploration There is no specific agenda meaning the book or the leader is not taking participants to a predetermined right way to be but rather creating a context for each person's encounter with their own truth and who they are in the core of their being Readers and teachers alike will find the wisdom traditions offered within these pages life changing self empowering and community building all for the sake of greater happiness increased awareness and sustainable well being

Feeling Good C. Robert Cloninger M.D., 2004-05-06 All human beings have spontaneous needs for happiness self understanding and love In *Feeling Good The Science of Well Being* psychiatrist Robert Cloninger describes a way to coherent living that satisfies these strong basic needs through growth in the uniquely human gift of self awareness The scientific findings that led Dr Cloninger to expand his own views in a stepwise manner during 30 years of research and clinical experience are clearly presented so that readers can consider the validity of his viewpoint for themselves The principles of well being are based on a non reductive scientific paradigm that integrates findings from all the biomedical and psychosocial sciences Reliable methods are described for measuring human thought and social relationships at each step along the path of self aware consciousness Practical mental exercises for stimulating the growth of self awareness are also

provided The methods are supported by data from brain imaging genetics of personality and longitudinal biopsychosocial studies Feeling Good The Science of Well Being will be of value to anyone involved in the sciences of the mind or the treatment of mental disorders It will also interest theologians philosophers social scientists and lay readers because it provides contemporary scientific concepts and language for addressing the perennial human questions about being knowledge and conduct

Falco Tarassaco - The Dream, The Message Stambecco Pesco,2017-11-30 Positive thought openness to others the search for the deep meanings of life pragmatism these are the base elements of the spiritual message of Falco Tarassaco Oberto Airaudi 1950 2013 Eclectic creative and profound Falco was the founder of a school of thought that touches countless themes and has given life to the community experience of Damanhur in Italy and around the world This book presents the fundamental elements of his spiritual guidance from the discovery of the divine nature of the human being to our relationship with the environment and all the way to the development of a sense of wonder and the indispensable curiosity to understand the language of the universe His dream and his message show his extraordinary capacity to bring together tradition and renewal two pillars upon which to found our personal and collective future
