The Legend of James Dean Derek Reeves,2024-09-17 The Legend of James Dean *Demonic Heroes Have Villainous Virtues* challenges previously conceived notions about the actor James Dean Author Derek Reeves argues that Dean was not a rebel against the establishment and that class conflict the need to redefine his public image and a desire to attack Christianity prompted the men who ran the motion picture industry in the 1950s to portray the actor as a rebel against conformity of any kind Members of the postwar generation embraced Dean as a symbol of rage and rebelliousness because they believed that the thuggish characters he played reflected his essential persona Dean s characterization of the tough teenager gave a sense of belonging to misdirected young people whose adolescent rebellion stemmed from their inability to cope with societal demands during the Eisenhower era The author s analysis of Dean s legend provides rare insight into the actor s life viewed from a historical perspective If you ve ever wondered what Dean did to earn a star on Hollywood s Walk of Fame you ll want to read this book which shines a spotlight on an American legend who was posthumously nominated for an Academy Award as Best Actor in a Leading Role in 1956 and

Jimmy Jason Colavito, 2024-11-19 A fresh and long overdue reassessment of James Dean examining his life and legacy as a queer man Although he died at a heartbreakingly young age and appeared in only a handful of movies James Dean revolutionized American manhood As a celebrity and icon he melded vulnerability with determination sensitivity with strength in a way that offered a bracing and for some threatening new vision of masculinity His massive influence and the fascination he has always inspired are inseparable from his identity as a queer man whose complex sexuality shattered the norms of midcentury American society When asked whether he was a homosexual he reportedly said I'm certainly not going through life with one hand tied behind my back Today even though it is widely accepted that Dean was gay or bisexual the story of his life and personal character continue to be colored by the prejudices of an earlier era and the work of often unscrupulous biographers and journalists Drawing on exhaustive new research including more than four hundred previously secret pages of Dean's personal and business records Jimmy The Secret Life of James Dean is a revelatory reassessment of the man and his legacy Free from sensationalism but unafraid to confront the difficult facts of Dean's life it deploys modern insights into sexual diversity to transform our understanding of James Dean's story and the
