Rebellious Love:

Ruhaniyat Swati Masurkar,2018-02-20 *Ruhaniyat* Swati s debut collection of poems is an attempt to reach out to readers across the world This contemporary approach to writing is straight from the heart and aims at freeing the soul for the journey ahead It is a tribute to all those who consider their life as a blessing from the Almighty and who look within and not outward for answers whenever they are faced with challenges It is a caravan that embraces every traveler and ensures they reach their destination whilst enjoying their journey **The Dream Team** Ronald Wilson,2012-10-01 Do you have a dream in you that challenges you on a daily basis to be birthed Well you will be very surprised to see whom God will choose to help press that dream into manifestation This writing is dedicated to every believer as a tool to help affirm the God inspired dream you feel within the heart of your spirit Its purpose is to bring you into a broader perspective of the people God allows to accompany you on your journey of life while pursuing your purpose It will quickly become frustrating if we have and keep a narrow perspective concerning whom God has designed to help us reach our dreams in life We dedicate this writing to the leader as well as the dream God has planted in your heart Sometimes we are capable of questioning the fact of the cause of people flowing in and out of our lives God is a strategist and he will never make a mistake There is none good but God We cannot separate good from God so we must trust that whatever he permits in our lives it has to be for our good There is a purpose of the current flow of people in your life today Upon reading we pray the material shared will help broaden your perspective and purpose of life *Judeities* Bettina Bergo,Joseph Cohen,Raphael Zagury-Orly,2009-08-25 Invited to answer questions about his relationship to Judaism Jacques Derrida spoke through Franz Kafka As for myself I could imagine another Abraham He explores the movement between growing up Jewish becoming Jewish and Jewish being or existence In his essay *The Other Abraham* which appears here in English for the first time he imagines other Abrahams in light of the proclaimed universalism of philosophy and its recent fragmentation into philosophemes Thus we no longer confront Judaism but Judeity multiple Judaisms and Jewish existences manifold ways of being and writing as a Jew in Derrida s case as a French speaking Algerian deprived of then restored to French nationality in the 1940s Contributions contrast Derrida s thought with philosophical predecessors such as Rosenzweig Levinas Celan and Scholem and trace confluences between deconstruction and Kabbalah Derrida s relationship to the universalist aspirations in contemporary theology is also discussed and an evaluation is offered of his late autobiographical writings **Rebellious Love** Maura Seger,1987-08-01 When the lands of Verony Langford s family are granted to Curran d Arcy he struggles to overcome her hatred of him and win her love

recent turn to affects and emotions in the humanities and despite the unceasing popularity of romantic and erotic love as a motif in fictional works of all genres the subject has received surprisingly little attention in academic studies of contemporary drama Love in Contemporary British Drama reflects the appeal of love as a topic and driving force in dramatic works with in depth analyses of eight pivotal plays from the past three decades Following an interdisciplinary and historical approach the study collects and condenses theories of love from philosophy and sociology to derive persisting discourses and to examine their reoccurrence and transformation in contemporary plays Special emphasis is put on narratives of love s compensatory function and precariousness and on how modifications of these narratives epitomise the peculiarities of emotional life in the social and cultural context of the present Based on the assumption that drama is especially inclined to draw on shared narratives for representations of love the book demonstrates that love is both a window to remnants of the past in the present and a proper subject matter for drama in times in which the suitability of the dramatic form has been questioned

Horizontal Vertigo Juan Villoro,2021-03-23 At once intimate and wide ranging and as enthralling surprising and vivid as the place itself this is a uniquely eye opening tour of one of the great metropolises of the world and its largest Spanish speaking city Horizontal Vertigo The title refers to the fear of ever impending earthquakes that led Mexicans to build their capital city outward rather than upward With the perspicacity of a keenly observant flaneur Juan Villoro wanders through Mexico City seemingly without a plan describing people places and things while brilliantly drawing connections among them In so doing he reveals in all its multitudinous glory the vicissitudes and triumphs of the city s cultural political and social history from indigenous antiquity to the Aztec period from the Spanish conquest to Mexico City today one of the world s leading cultural and financial centers In this deeply iconoclastic book Villoro organizes his text around a recurring series of topics Living in the City City Characters Shocks Crossings and Ceremonies What he achieves miraculously is a stunning intriguingly coherent meditation on Mexico City s genius loci its spirit of place **True Stories of the Past** Martin Andrew

Rescue Me from Myself Dr. Ojo Joseph Bamidele,2020-08-06 Who am I What can I know What ought I do We needed to work through the most important spiritual lessons which all of us must learn passion betrayal and forgiveness There is always a wilderness in us It s a very necessary crucial and divine detour to bring us home to ourselves after a lifetime of running away Many of us always want to fast track our lives journey Just because you failed at a relationship doesn t mean you are a failure We have to pass through the wilderness before getting to the promise land There are many stumbling objects on the path Wilderness is a bleak numbing word that instantly calls to mind a feeling of hopelessness nothingness barrenness and most of all a sense of powerlessness There s a reason that the biblical expression the voice of the

one crying in the wilderness has come to mean abject abandonment You can wail and gnash your teeth all you want but in the Wilderness no one hears your heart tearing asunder except God who presumably sent you there Ironically according to ancient legend the word Wilderness didn't conjure up a place of punishment but rather a place of learning spiritual growth understanding healing and accomplishment It referred to a wellspring of Divine energy in the guise of despair hardship and pain your experience in the Wilderness was designed to prepare or propel you toward your destiny Or pry you loose from whatever was keeping you from it Still one does not enthusiastically sign up for the Wilderness cure the way we might for a restorative spell at Mount Everest or a confidence building week in a retreat camp Instead we are usually thrust into the Wilderness by horrific circumstances that not only try our souls but seriously call into question our belief in God In life the smarter you are the more things can scare you but to fear is one thing and to let fear grab you around the tail and swing you around is another What difference does it make if the things you're scared of are real or not You need to navigate your way through fear to achieve your big dream The Israelites of the Old Testament were lucky They wandered in the wilderness for forty years Most of us stumble through trial terror and triumphs of life's terrain a lot longer usually until we're ready willing and able to come face to face with the truth about ourselves But we don't know we're worthy of success until we set out in search of the Promise Land In this book you will also get the insight to Know when to say no Live to fight another day Success is progress Dream big Go the extra mile Who is your role model The down fall of a man Life is a risk Give me another chance Don't give up Pride Goes before a fall Courage to excel Dwelling in Possibilities Making a difference in a chaotic World and many more Get your copy now you will be glad you did There are moments that have made a difference in the trajectory of your life the successes and failure that have define you the loves and hates gains and losses promises and pain that have bound you the risks and ruins tumults and triumphs that set you free This is a unique book indeed Starlight Organization Hon George Adioni Sinclair says learn how to say I am sorry even if you are right If this message offends you in one way or the other I am sorry My apologies Reverend George Blessing
