## **Rebels Crossing:**

*Rebel Guerrillas* Paul Williams, 2018-11-13 From the hills and valleys of the eastern Confederate states to the sun drenched plains of Missouri and Bleeding Kansas a vicious clandestine war was fought behind the big battle clashes of the American Civil War In the east John Singleton Mosby became renowned for the daring hit and run tactics of his rebel horsemen Here a relatively civilized war was fought women and children usually left with a roof over their heads But along the Kansas Missouri border it was a far more brutal clash no quarter given William Clarke Quantrill and William Bloody Bill Anderson became notorious for their savagery *The White Lotus War* Yingcong Dai, 2019-06-28 A Choice Outstanding Academic Title *The White Lotus War* 1796 1804 in central China marked the end of the Qing dynasty s golden age and the fatal weakening of the imperial system itself What started as a local rebellion grew into a serious political crisis as the central government was no longer able to operate its military machine Yingcong Dai s comprehensive investigation reveals that the White Lotus rebels would have remained a relatively minor threat if not for the Qing s ill managed response Dai shows that the officials in charge of the suppression campaign were half hearted about the fight and took advantage of the campaign to pursue personal gains She challenges assumptions that the Qing relied upon local militias to exterminate the rebels showing instead that the hiring of civilians became a pretext for misappropriation of war funds resulting in the devastatingly high cost of the war The mishandled demilitarization of the militiamen prolonged the hostilities when many of the dismissed troops turned into rebels themselves The war s long term impact presaged the beginning of the disintegration of the Qing in the mid nineteenth century and eruptions of the Taiping Rebellion and other uprisings *The White Lotus War* will interest students and scholars of late imperial and modern Chinese history as well as history buffs interested in the warfare of the early modern world **Official Records of the Union and Confederate Navies in the War of the Rebellion** United States. **Whirlwind of African Insanity** Lawrence N. Zarkpah,2012-10-05 Liberia a small West African nation imploded in a civil war that began on December 24 1989 By the time the war ended fourteen years later more than 250 000 lives had been taken Many people sought refuge in camps throughout West Africa In the war children were trained to become killing machines and women and young girls were held as sex slaves Charles Taylor the main mastermind behind this rebellion was elected President of Liberia in 1997 Liberians thought that his presidency would lead to the end of the civil war but it only extended the war Adding to the pressure Taylor faced accusations of war crimes He relinquished power in August 2003 and was escorted to Nigeria where he was subsequently arrested and taken to the International Criminal Court at The Hague Whirlwind of African Insanity is not just my story It resonates with the countless voices of children who suffer and die in wars about which they know nothing The book also provides some of the reasons why Africa is and may forever remain plagued It presents two arguments about the real causes of Africas disasters and is written on behalf of underprivileged children whose cries for help are drowned in oceans of selfish politics and whose lives are buried in the explosions of wars It is also a story about survival in hellish conditions and optimism when there is nothing about which to be optimistic *Hoosiers on the Home Front* Dawn Bakken,2022-09-06 Wars are fought on the home front as well as the battlefield Spouses family friends and communities are called upon to sacrifice and persevere in the face of a changed reality Hoosiers on the Home Front explores the lives and experiences of ordinary Hoosiers from around Indiana who were left to fight at home during wartimes Drawn from the rich holdings of the Indiana Magazine of History a journal of state and midwestern history published since 1905 this collection includes original diaries letters and memoirs and research essays all focused on Hoosiers on the home front of the Civil War through the Vietnam War Readers will meet among others Joshua Jones of the 19th Indiana Volunteer Regiment and his wife Celia Attia Porter a young resident of Corydon Indiana writing to her cousin about Morgan s Raid Civil War and World War I veterans who came into conflict over the Indianapolis 500 and Memorial Day observances Virginia Mayberry a wife and mother on the World War II home front and university students and professors including antiwar activist Howard Zinn and conservative writer R Emmett Tyrrell Jr clashing over the Vietnam War Hoosiers on the Home Front offers a compelling glimpse of how war impacts everyone even those who never saw the front line *Bulletins and Other State*

*Intelligence Compiled and Arranged from the Official Documents Published in the London Gazette* ,1860      **Bulletins and Other State Intelligence** ,1860      **A Glorious Army** Jeffry D. Wert,2012-04-24 An eloquent and judicious analysis of Robert E Lee and the Army of Northern Virginia from one of leading Civil War historians now in paperback From the time Robert E Lee took command of the Army of Northern Virginia on June 1 1862 until the Battle of Gettysburg thirteen months later the Confederate army compiled a record of military achievement almost unparalleled in our nation s history How it happened the relative contributions of Lee his top command opposing Union generals and of course the rebel army itself is the subject of Civil War historian Jeffry D Wert s fascinating new history Wert shows how the audacity and aggression that fueled Lee s victories ultimately proved disastrous at Gettysburg But as Wert explains Lee had little choice outnumbered by an opponent with superior resources he had to take the fight to the enemy in order to win When an equally combative Union general Ulysses S Grant took command of northern forces in 1864 Lee was defeated A Glorious Army draws on the latest scholarship to provide fresh assessments of Lee his top commanders Longstreet Jackson and Stuart and a shrewd battle strategy that still offers lessons to military commanders today      *The Rebellion Record* Frank Moore,1864      Allen's Indian mail and register of intelligence for British and foreign India ,1859      *A Spy for the Union* Corey Recko,2013-09-20 Timothy Webster best known for his work as a spy for the Union during the Civil War began his career as a New York City policeman In the mid 1850s he left the police department and took a job for Allan Pinkerton with his newly formed detective agency As an operative for Pinkerton s agency Webster excelled His cases included tracking a world famous forger investigating grave robberies in a Chicago cemetery and seeking to uncover a plot to destroy the Rock Island Bridge It was also as a Pinkerton detective that Webster made his greatest contribution to his country when he was part of a small group of operatives that uncovered a plot to assassinate then President elect Abraham Lincoln in 1861 Webster went on to serve the United States as a spy in the Civil War He traveled to the Confederate Capital multiple times and made many connections high up in the Confederate military and government For a time he was the Union s top spy but his career came to an abrupt end when in 1862 he was betrayed by fellow spies and became the first spy executed in the Civil War      Daily Report, Foreign Radio Broadcasts United States.
