## **Rebuke And Grace:**

*A Treatise on Rebuke and Grace* Saint Augustine of Hippo, Aeterna Press, I Wrote again to the same persons another treatise which I entitled On Rebuke and Grace because I had been told that some one there had said that no man ought to be rebuked for not doing God's commandments but that prayer only should be made on his behalf that he may do them This book begins on this wise I have read your letters dearly beloved brother Valentine On Rebuke and Grace St. Augustine St. Augustine of Hippo, 2015-11-21 The Christian Church has no shortage of revered figures and saints but it is difficult to find one that had a more decisive impact on the course of the Church's history than Augustine of Hippo Augustine was a bishop of Hippo Regius in Africa but his works sermons and writings helped hold the Church together even as the Western Roman Empire was in its death throes to the extent that every major branch of Christianity recognizes him today The Catholic Church has venerated him as a saint and a Doctor of the Church Orthodox Christians also consider him a saint and Protestants and Calvinists cite him as one of the fathers and inspirations of the Protestant Reformation In many respects Augustine has provided the theological bedrock for Christians for nearly 1600 years and as theologian John Leith noted in 1990 Augustine the North African of Berber descent is today the spiritual father of multitudes who are remote indeed from him racially politically and culturally On Rebuke and Grace sets forth what is the Catholic faith concerning law concerning free will and concerning grace He teaches that the grace of God by Jesus Christ is that by which alone men are delivered from evil and without which they do absolutely no good and this not only by the fact that it points out what is to be done but that it also supplies the means of doing it with love since God bestows on men the inspiration of a good will and deed He teaches that the rebuke of evil men who have not received this grace is neither unjust since they are evil by their own will nor useless although it must be confessed that it is only by God's agency that it can avail A Treatise on Rebuke and Grace St. Augustine, 2018-08-06 I Wrote again to the same persons another treatise which I entitled On Rebuke and Grace because I had been told that someone there had said that no man ought to be rebuked for not doing God's commandments but that prayer only should be made on his behalf that he may do them This book begins on this wise I have read your letters dearly beloved brother Valentine **Don't Stop Believing** Michael E. Wittmer, 2008 Evangelicals who reject the narrow fundamentalism of previous generations are in danger of over correction Don't Stop Believing is an urgent call for both right practice and right belief Our concern for social issues must not diminish the core doctrines of our faith We must not stop believing On Rebuke and Grace Saint Augustine, Saint Augustine of Hippo, 2015-06-08 Augustine the man with upturned eye with pen in the left hand and a burning heart in the right as he is usually represented is a philosophical and theological genius of the first order towering like a pyramid above his age and looking down commandingly upon succeeding centuries He had a mind uncommonly fertile and deep bold and soaring and with it what is better a heart full of Christian love and humility He stands of right by the side of the greatest philosophers of antiquity and of modern times We meet him alike on

the broad highways and the narrow footpaths on the giddy Alpine heights and in the awful depths of speculation wherever philosophical thinkers before him or after him have trod As a theologian he is facile princeps at least surpassed by no church father schoolman or reformer With royal munificence he scattered ideas in passing which have set in mighty motion other lands and later times He combined the creative power of Tertullian with the churchly spirit of Cyprian the speculative intellect of the Greek church with the practical tact of the Latin He was a Christian philosopher and a philosophical theologian to the full

The Bondage and Liberation of the Will (Texts and Studies in Reformation and Post-Reformation Thought) John Calvin, 2002-10-01 This first English translation of an important work of John Calvin is a welcome supplement to his teachings in his Institutes E Earle Ellis Southwestern Journal of Theology This volume provides Calvin's fullest treatment of the relationship between the grace of God and the free will of humans It offers insight into Calvin's interpretations of the church fathers especially Augustine on the topics of grace and free will and contains Calvin's answer to Pighius's objection that preaching is unnecessary if salvation is by grace alone This important work edited by renowned scholar A N S Lane contains material not found elsewhere in Calvin's writings and will be required reading for students of Calvin and the Protestant Reformation

**NPNF1-05. St. Augustine: Anti-Pelagian Writings , The Predestination of Humans** Cornelius Jansen, 2022-02-18 No other theological text polarized the early modern Catholic world as much as Cornelius Jansen's Augustinus In it the erudite bishop not only reconstructed St Augustine's teaching on grace and free will but also boldly claimed that his views were in line with the Council of Trent and the Society of Jesus For Jansen the latter had marginalized the Church Father's doctrine on divine predestination by overemphasizing human free will Published after his death in 1640 Jansen's work drew a large crowd of followers and inspired an Augustinian reform movement Its papal condemnation unintentionally spread this theology but stifled an impassionate academic engagement with the Augustinus This first ever translation of some of its central chapters enables historians philosophers and theologians to finally engage with the founding text of Jansenism

**Answer to the Pelagians** Saint Augustine, Roland J. Teske, 1999 The four works printed in this volume reply to a series of problems which various Catholic monks of Africa and Gaul found with Augustine's doctrine of grace and predestination They do not deal directly with Pelagianism but are clearly related to the anti-Pelagian works of Augustine in their discussions of the doctrines on grace and predestination The monks who raised these questions however posed them as difficulties they faced in accepting these doctrines not as an overt desire to contradict Augustine and the Church as the heretics did The first two works Grace and Free Choice and Rebuke and Grace respond to problems at Hadrumetum where a group of monks thought that Augustine's teaching on grace destroyed free choice and human merits and eliminated the possibility of anyone giving rebukes and exhortations The second two works The Predestination of the Saints and The Gift of Perseverance reply to the letters of Prosper of Aquitaine and Hilary They reported to Augustine the objections of various persons in monastic groups in Gaul who held that the beginning of faith and the initiative for salvation

came from the human will not from God These monks also rejected Augustine s doctrine that divine predestination and the grace of final perseverance are utterly gratuitous gifts of God In his responses to the monks concerns Augustine depends on Scripture to prove his points He encourages his questioners to pray for understanding and to thank God for the understanding they have so far which is surely a free gift of God as are he emphasizes grace and eternal life

**A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: Saint Augustin: Anti-Pelagian writings**,1887 *Nicene and Post-Nicene Fathers: First Series, Volume V St. Augustine: Anti-Pelagian Writings* Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume V of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will discover Saint Augustines rebuke of Pelagianism This doctrine undermined Augustines beliefs because it claimed that original sin did not exist Since there was no original sin humans were saved or lost based solely on their own will This further meant that Jesus while a great teacher and model human being did not die to save humanity negating a large portion of Christian doctrine Augustine believed that salvation was available only by the grace of God working in conjunction with mans decision to live a good life Spiritual seekers and students of history will find this work a thorough defense of Catholic theology

Milner,1827      **The Anti-Pelagian Writings** St. Augustine of Hippo, Both by nature and by grace Augustin was formed to be the champion of truth in this controversy Of a naturally philosophical temperament he saw into the springs of life with a vividness of mental perception to which most men are strangers and his own experiences in his long life of resistance to and then of yielding to the drawings of God s grace gave him a clear apprehension of the great evangelic principle that God seeks men not men God such as no sophistry could cloud However much his philosophy or theology might undergo change in other particulars there was one conviction too deeply imprinted upon his heart ever to fade or alter the conviction of the ineffableness of God s grace This book comprises St Augustine s writings and thoughts regarding the Anti Pelagian dispute

*We Believe in One God* Gerald Bray,2025-12-02 We believe in one God the Father The opening clause of the Nicene Creed can be summed up in a single word monotheism In the early centuries of the church this striking doctrine stood starkly against a cultural background of multiple deities and spiritual powers While it clearly builds on its Jewish heritage calling God Father anticipates the Father Son relationship in the Godhead that early Christians knew and robustly upheld The first article of the Nicene Creed also presupposes that there is an objective body of teaching that Christians are expected to confess as their faith This idea seems normal and natural to us but it was a novelty in the ancient world Neither Judaism nor any pagan religion or philosophy could claim to have a closely defined set of beliefs that everyone adhering to it was expected to profess publicly and defend against all comers While this article on God the Father is the shortest and arguably oldest portion of the Creed it fully sets forth the fundamental understanding of God as creator and originator of all that is This commentary in its selection of texts from the early church highlights the common understanding of the One God in three Persons elucidating the church s understanding of divine attributes and trinitarian relations The five volume Ancient Christian Doctrine series follows up on the acclaimed Ancient Christian Commentary on Scripture to provide patristic commentary on the Nicene Creed translating source material from the church fathers into English for unparalleled insight into early church history      Dogmatic Theology William Greenough Thayer Shedd,1894
