Stace, 2022-08-04 This landmark work is the first academic study of a figure who played a defining role in the Australian evangelical movement of the late twentieth century the inimitable preacher evangelist and churchman John C Chapman The study situates Chapman's career within the secularizing Western cultures of the post 1960s a period bringing momentous changes to the social and religious fabric of Western society At the same time global Evangelicalism was reviving bringing vitality to large swathes in the Global South and a re balancing in Western societies as conservative religious movements experienced growth and even renewal amidst wider secularizing trends Against this backdrop the study explores the way in which across a wide array of domestic and international fora Chapman contended for the soteriological priority of the gospel in Christian life mission and thought Accomplished via an absorbing blend of personal wit impassioned oratory innovative missiological strategy and striking theological perception the result was a stimulating history of public advocacy that sought a revival of confidence in Evangelicalism's message and a constantly reforming vision of Evangelicalism's method Such a legacy marks Chapman as a central figure within the generation of postwar leaders whose work has given Australian Evangelicalism its contemporary shape and dynamism      **Gospel Renewal** Timothy Keller, 2013-09-03 It is quite easy to assume that if we understand the gospel accurately and preach it faithfully our ministry will necessarily be shaped by it but this is not true Many churches subscribe to gospel doctrines but do not have a ministry that is shaped by centered on and empowered through the gospel Its implications have not yet worked their way into the fabric of how the church actually does ministry These churches' theological vision has likely arisen from something other than sustained reflection on the gospel Gospel centered ministry is more theologically driven than program driven To pursue it we must spend time reflecting on the essence the truths and the very patterns of the gospel itself This eBook contains the second part of Center Church Gospel Renewal In it Keller reflects on the history and patterns of revival how individual and corporate gospel renewal occurs and what happens as a result

**Finding the Right Hills to Die On** Gavin Ortlund,2020-04-14 In theology just as in battle some hills are worth dying on But how do we know which ones When should doctrine divide and when should unity prevail Pastor Gavin Ortlund makes the case that while all doctrines matter some are more essential than others He considers how and what to prioritize in doctrine and ministry encouraging humility and grace along the way Using four basic categories of doctrine in order of importance this book helps new and seasoned church leaders alike wisely labor both to uphold doctrine and to preserve unity

Churches Partnering Together Chris Bruno,Matt Dirks,2014-08-31 How to Work Together for the Sake of the Gospel Most churches in the U S have less than 75 members Many of these congregations barely have enough money to pay their pastor s salary much less launch a movement or host a conference How can they hope to make an impact beyond their own walls In Churches Partnering Together Chris Bruno and Matt Dirks show how all churches big andsmall can do more together than they can do apart Looking to the New Testament for guidance this practical book will help pastors church leaders and laypeople alike think creatively about gospel driven church partnerships in their own communities and around the world

Uncommon Unity Richard Lints,2022-10-19 A crucial book Timothy Keller Our world is facing increasing hostilities Political and cultural differences rage even among people who otherwise show goodwill And the church is no stranger to extreme polarization theological backbiting and political squabbling Jesus s prayer in John 17 that the church be one as he and the Father are one seems increasingly unattainable But what if Scripture actually provides the key for thinking about unity in diversity In Uncommon Unity Wisdom for the Church in an Age of Division Richard Lints explores the nature of diversity and how Christians can think more clearly about unity in an increasingly polarized age Drawing on theological historical and sociological resources Lints exposes problems with the inclusion narrative of democracy and shows a better way forward for fostering unity in the midst of extreme diversity If we are to think rightly about diversity wisdom is required for the church in our late modern world Through wisdom Christians can display real unity in diversity and bear witness of the God who made them for himself as diverse members of his one body Readers of Uncommon Unity will be heartened that Scripture and Christian tradition provide an antidote to division

Evans,2018-12-04 This book will help you to change your thinking Our minds are so critical to what our lives become but there is a battle going on There are other forces that want to capture your heart and mind however God has shown us the way to be victorious in that battle and it is when we are transformed by renewing of our minds This book will help you to do just that so you can think and see yourself as God sees you It is based on eight revelations of the character of God in the Bible      **Re-Envisioning Transformation** David C. Scott,2018-09-14 In today s church use of the term transformation has

become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed Re Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God s people toward the need to express and live out a distinctly Christian vision      My Faith, My Life Jenifer Gamber,2006 If you listen closely enough to teenagers you ll hear their deep yearning to connect with God and a powerful instinct to belong And you ll find out right away the one thing they really hate being preached to Here in My Faith My Life teenagers learn all about the Christian faith they ve been baptized into and the Episcopal Church that offers them a spiritual home With lively writing that s always informative and never condescending the book gives them all the basics they need to know to understand their faith and claim it as their own Closely linked to the Book of Common Prayer My Faith My Life covers everything from scripture church history and sacraments to the meaning of prayer and ministry in the lives of real teens today This is the essential handbook for teens in the Episcopal Church an excellent resource for confirmation classes youth study groups and high school Christian education programs
