Redemption, and Regeneration; as Taken from the Writings of the Hon. Emanuel Swedenborg. With Appropriate Prayers, Drawn Up by a Venerable Rector of the Church of England [i.e. J. Clowes?]. Emanuel Swedenborg, 1827

An Impartial Account of what Pass'd Most Remarkable in the Last Session of Parliament Relating to the Case of Henry Sacheverell [Anonymus AC09643175], 1710 *God's Autopsy and the Living Truth of Soul* Hal Childs, 2022-08-22

The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God's Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself
