Representative Speeches Of General Of The Army Dou:

General MacArthur Speeches and Reports 1908-1964 Edward T. Imparato, 2000 The two year search for General Douglas MacArthur's speeches and reports was truly a labor of love My Administrative Assistant Ellen Schaefer and I culled over 1 000 sources including memories biographies histories military magazines such as the Army and Air Force Journals unit histories commercial magazines and newspapers Magazines included such publications as National Geographic Life Magazine and many esoteric less circulated literature such as Military Magazine Retired Officers Magazine Air Force Magazine and so many others We received guidance and assistance from such sources as the U S Military Academy the Engineering School at Ft Leavenworth the Command and General Staff School at Leavenworth the Army War College the MacArthur Archives Director James Zobel the Library of Congress the War Department the sources seemed endless We do believe we were able to capture all the major public speeches and reports covering MacArthur's truly productive years from 1908 through 1964 Contains more than 125 speeches reports It will be interesting to note MacArthur established his personality early in his military career and never veered from this His admonition from his Mother when MacArthur was a student at West Point was never cheat never lie never tattle Adhering to this edict MacArthur offered to resign from the Academy rather than answer questions from the Academy panel investigating hazing and harassment by a group of fellow students MacArthur continued to develop his hard line against political and military intrigue by resolving to always do what he believed right even if he knew no one was watching Further he was determined never to refuse to carryout the order of a senior officer never be insubordinate to constituted authority [The Quote Verifier](#) Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed Ralph Keyes's The Quote Verifier considers not only classic misquotes such as Nice guys finish last and Play it again Sam but more surprising ones such as Ain't I a woman and Golf is a good walk spoiled as well as the origins of popular sayings such as The opera ain't over till the fat lady sings No one washes a rented car and Make my day Keyes's in depth research routinely confounds widespread assumptions about who said what where and when Organized in easy to access dictionary form The Quote Verifier also contains special sections highlighting commonly misquoted people and genres such as Yogi Berra and Oscar Wilde famous last words and misremembered movie lines An invaluable resource for not just those with a professional need to quote accurately but anyone at all who is interested in the roots of words and phrases The Quote Verifier is not only a fascinating piece of literary sleuthing but also a great read **USS Missouri**, 1998 A short history and many stories from veterans including photos
